Study case project

Stuugsy.id merupakan arti filosofis dari "Story Struggle" yang berarti (Perjuangan Cerita). Bergerak dibidang clothing lokal berasal dari sorong, west papua. Menceritakan seseorang anak yatim piatu yang memiliki karakteristik yang kuat dari hidup kehampaan penuh kesendirian dengan rintangan dalam menjalani kehidupan di dunia.

“Live Alone”

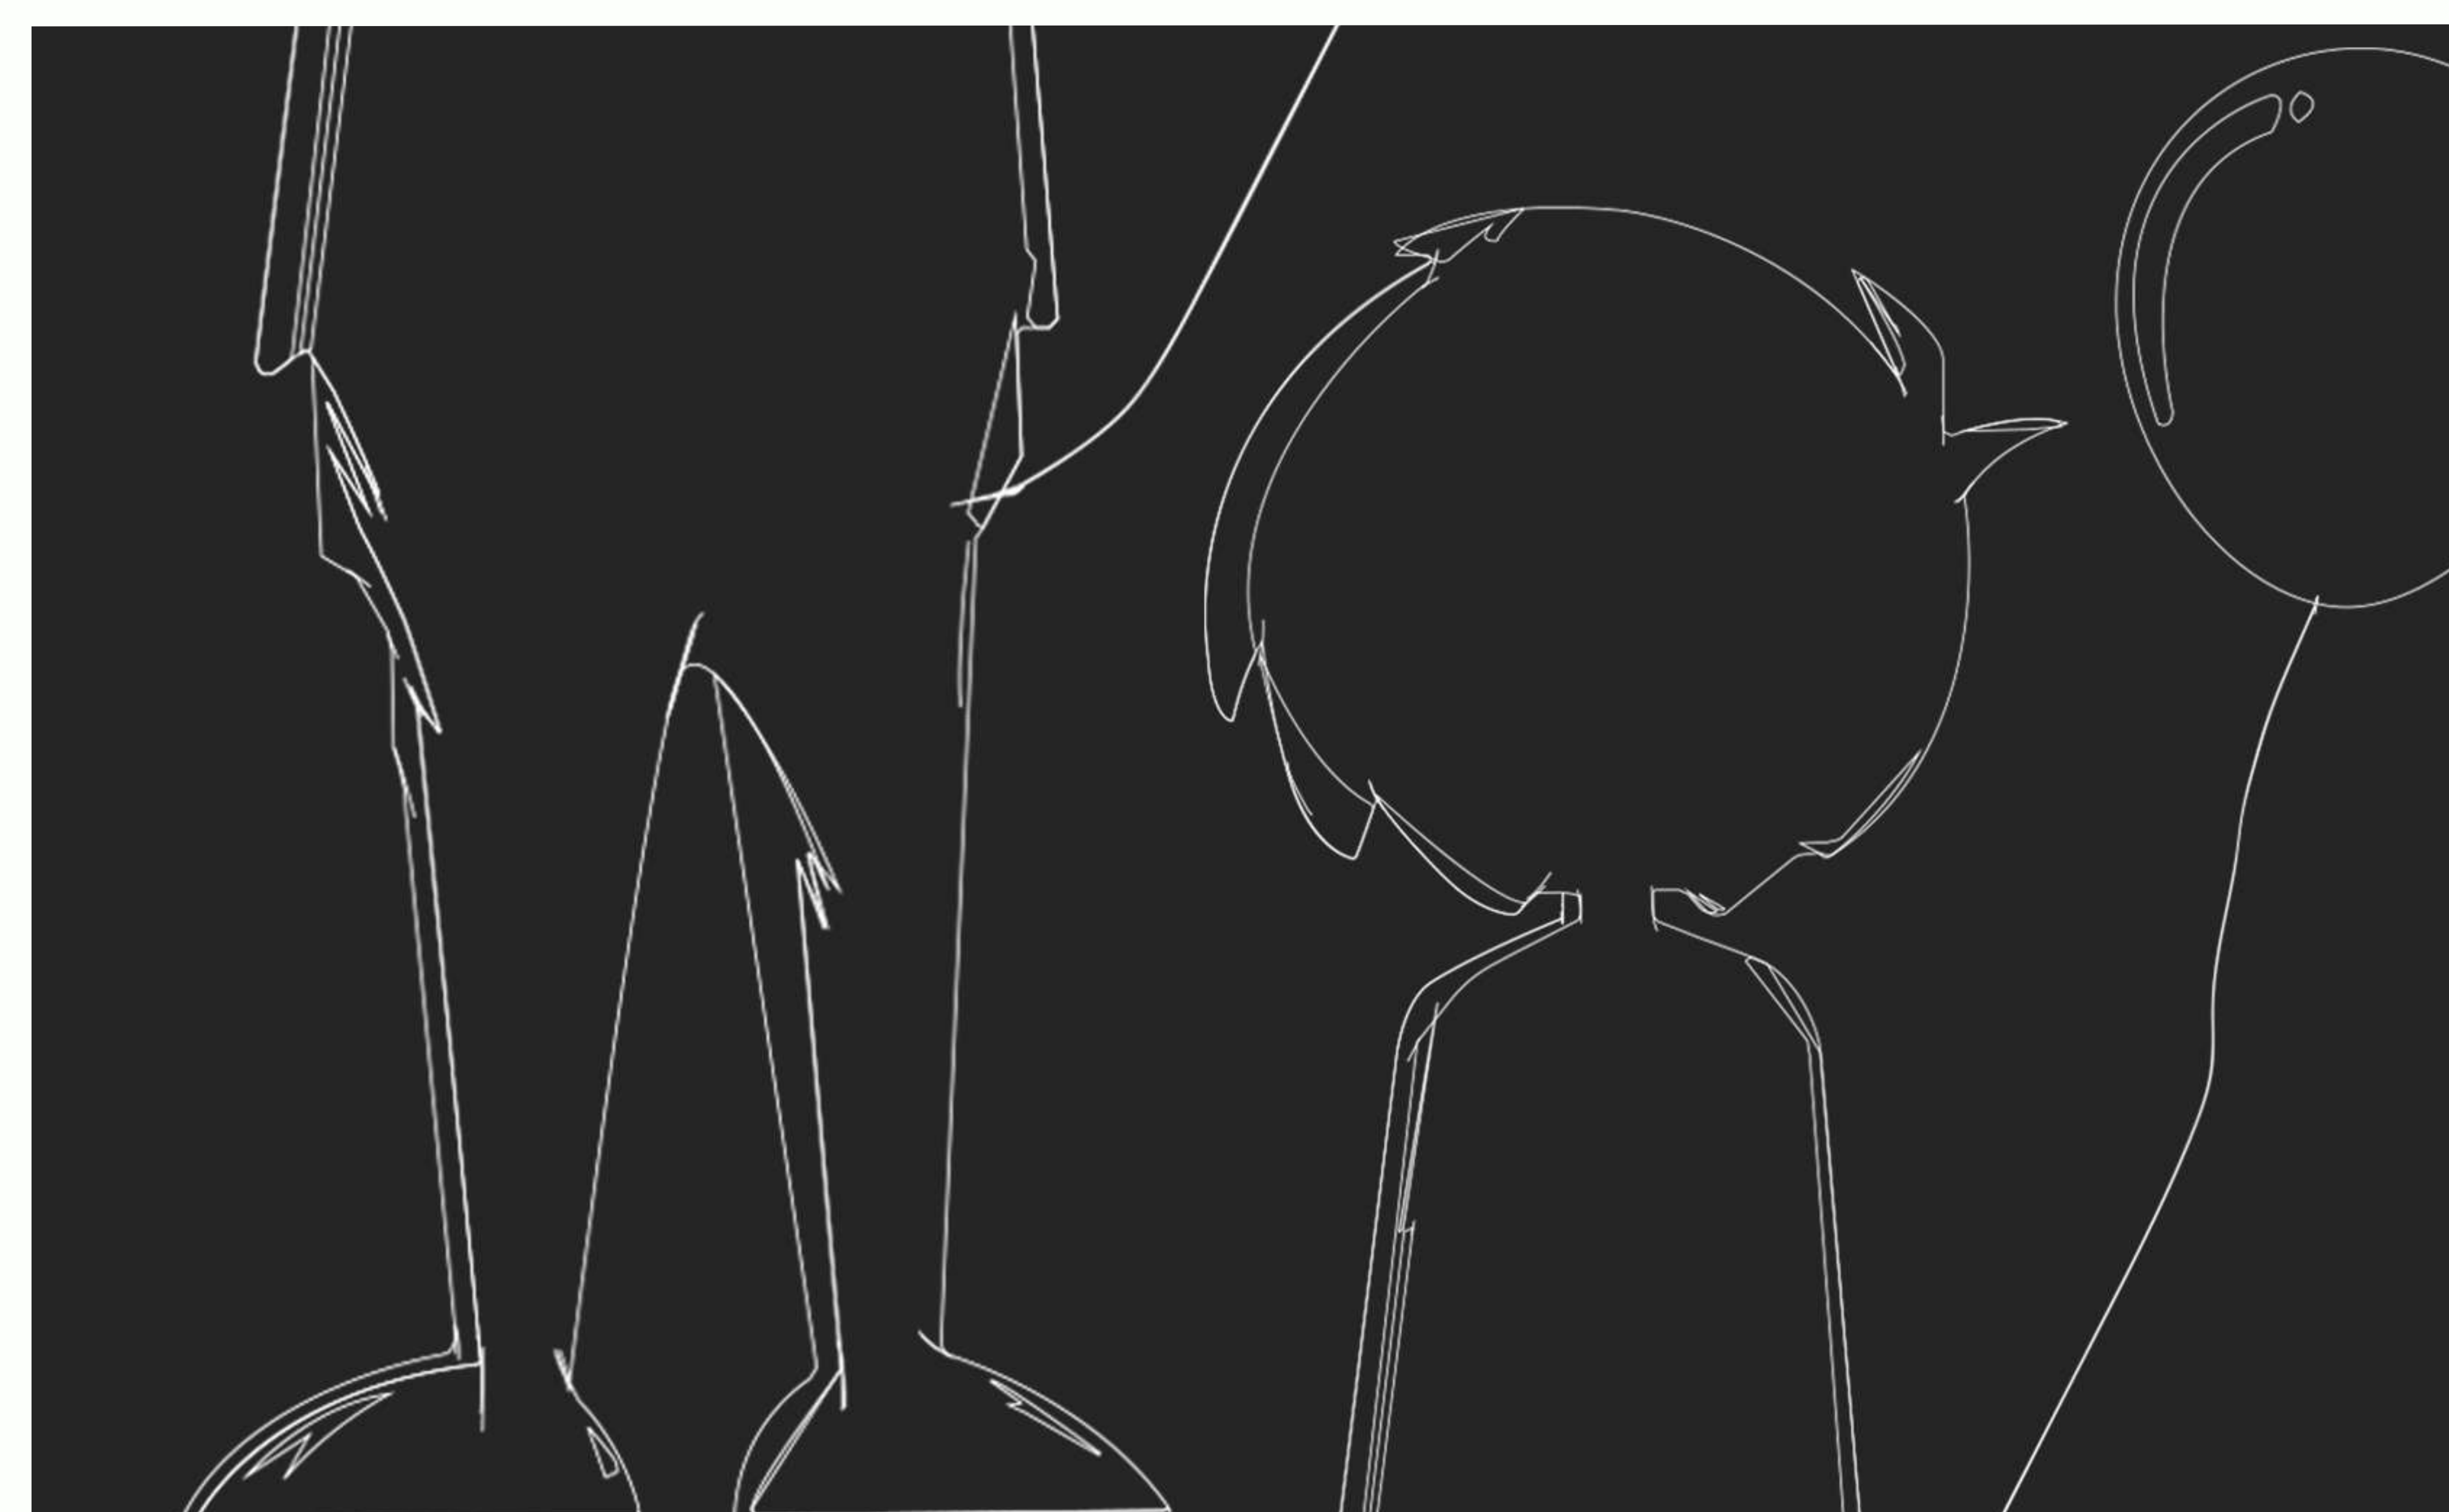

Chapter One

“I am Stuugsy an orphan. I live alone with a void. Everyday my journey is full of obstacles and challeges like walking on sharp thorns”

Social Media

@Stuugsy.id

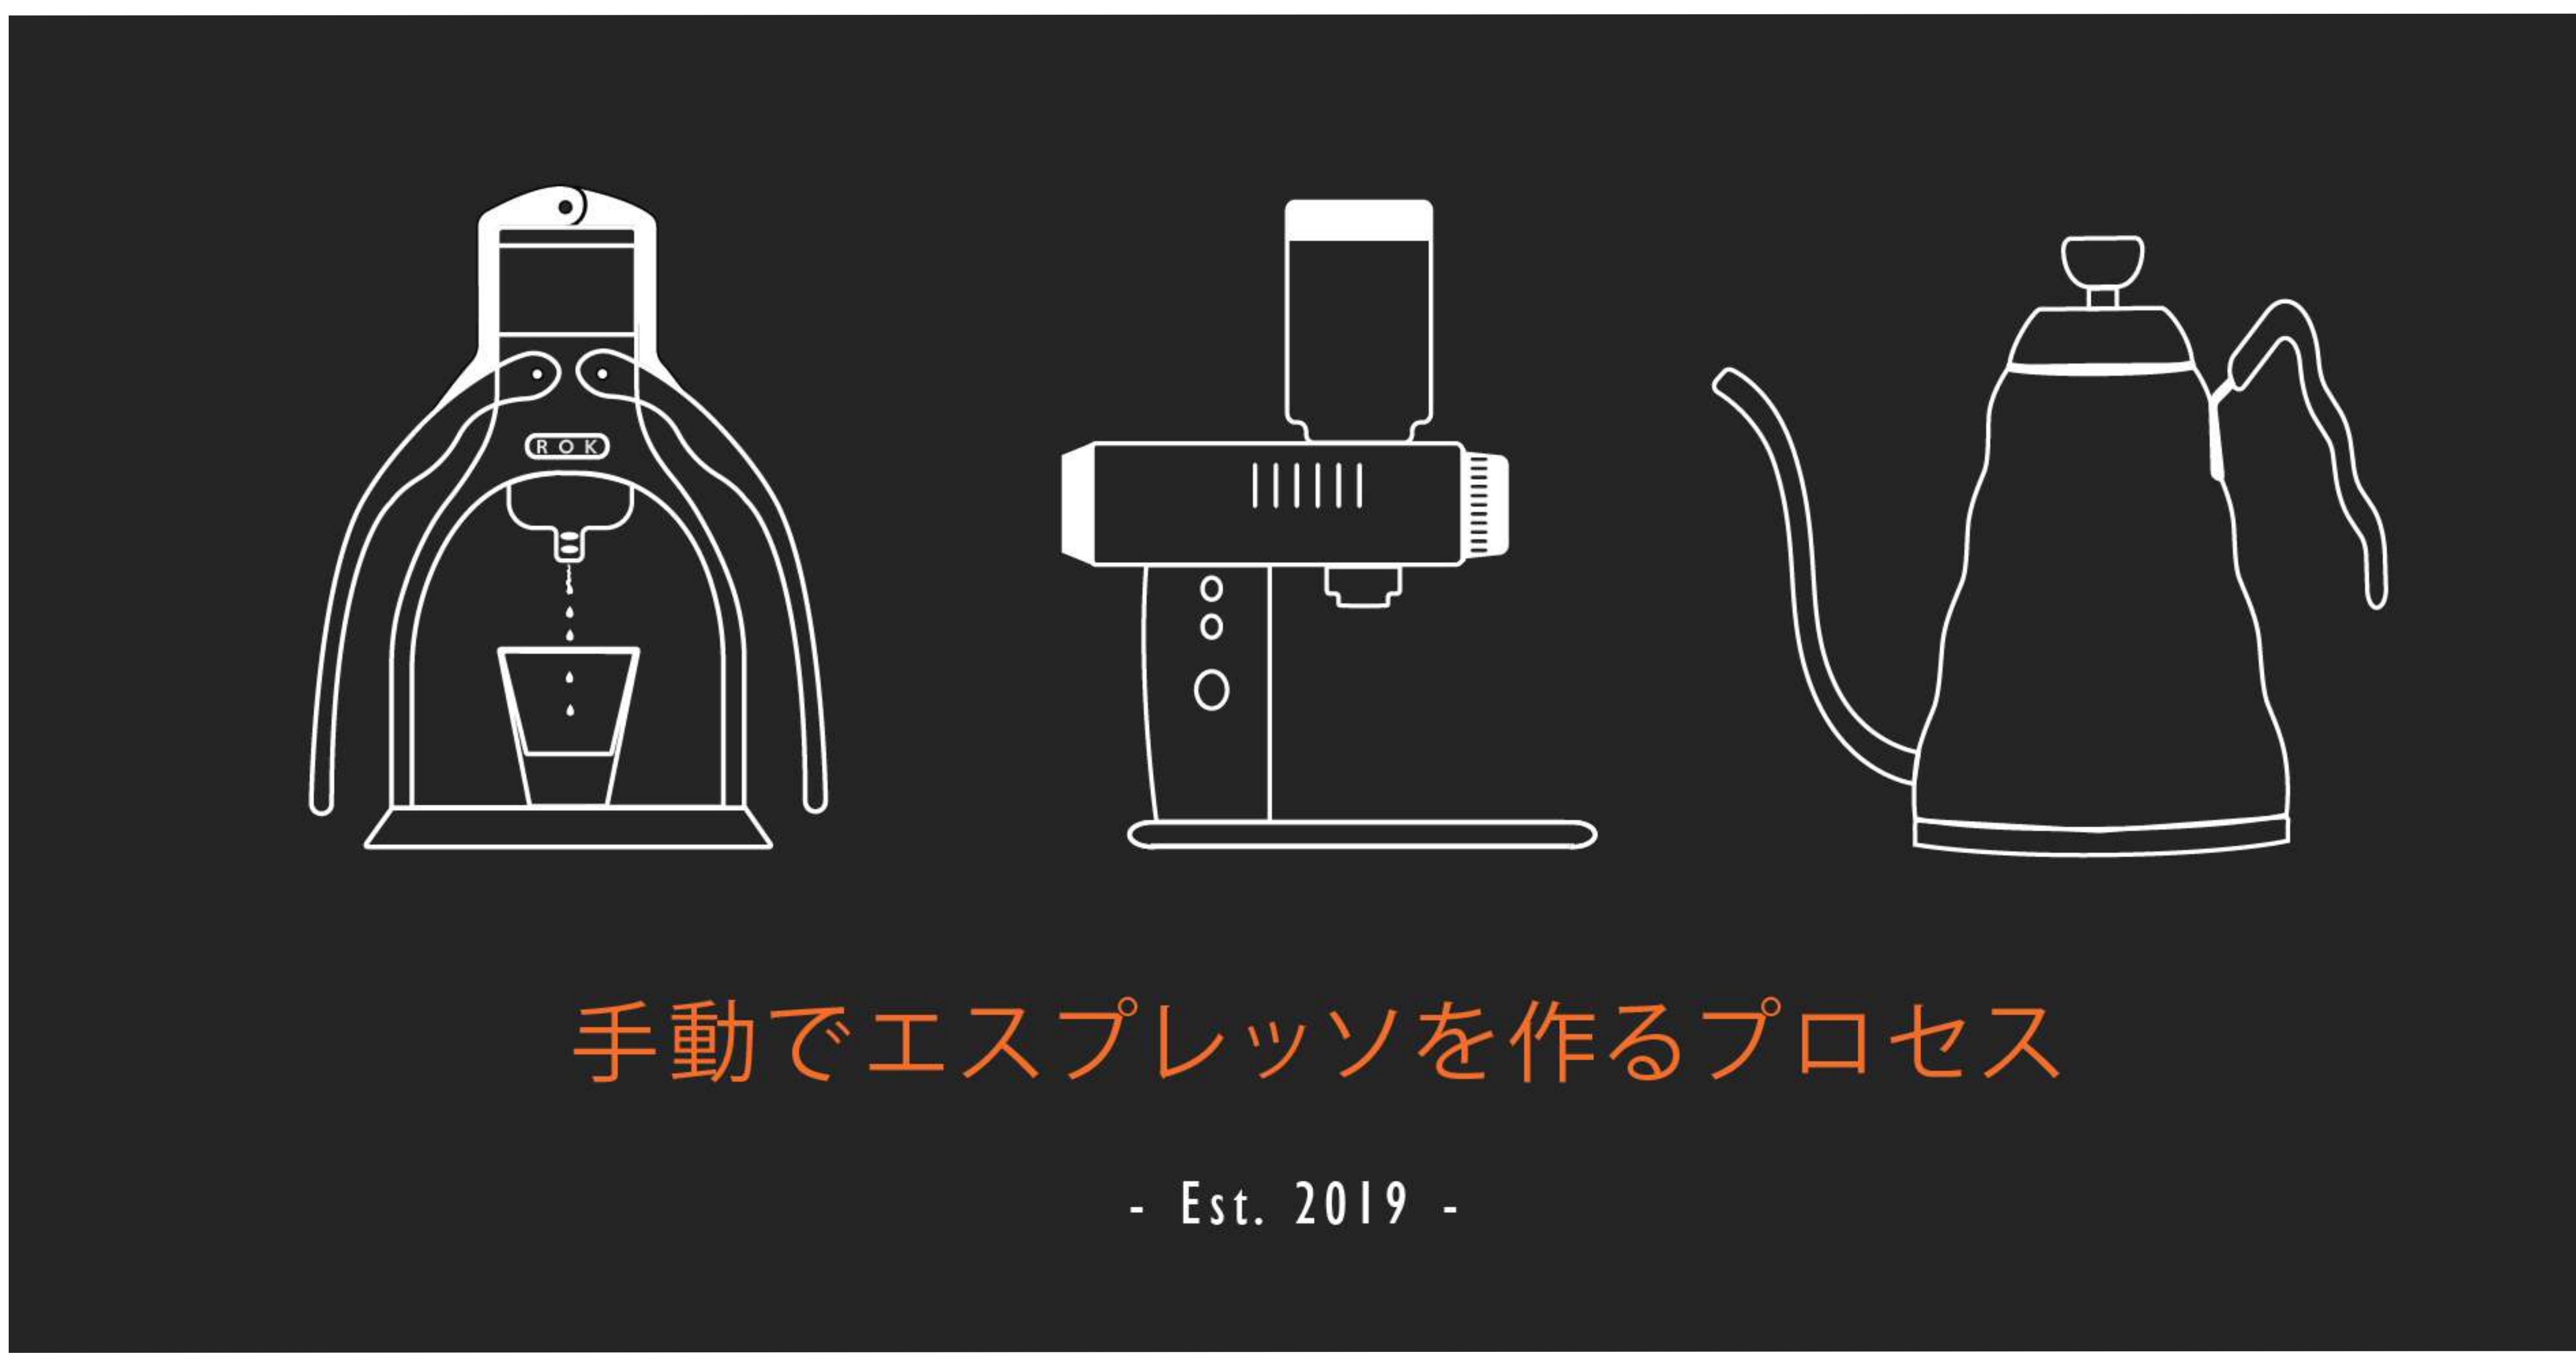

Character Design

Stuungsy.id

“Character concept for the stuugsy brand depicted in 2 sketches up to find the best results”

INGAT KOPI SOQ

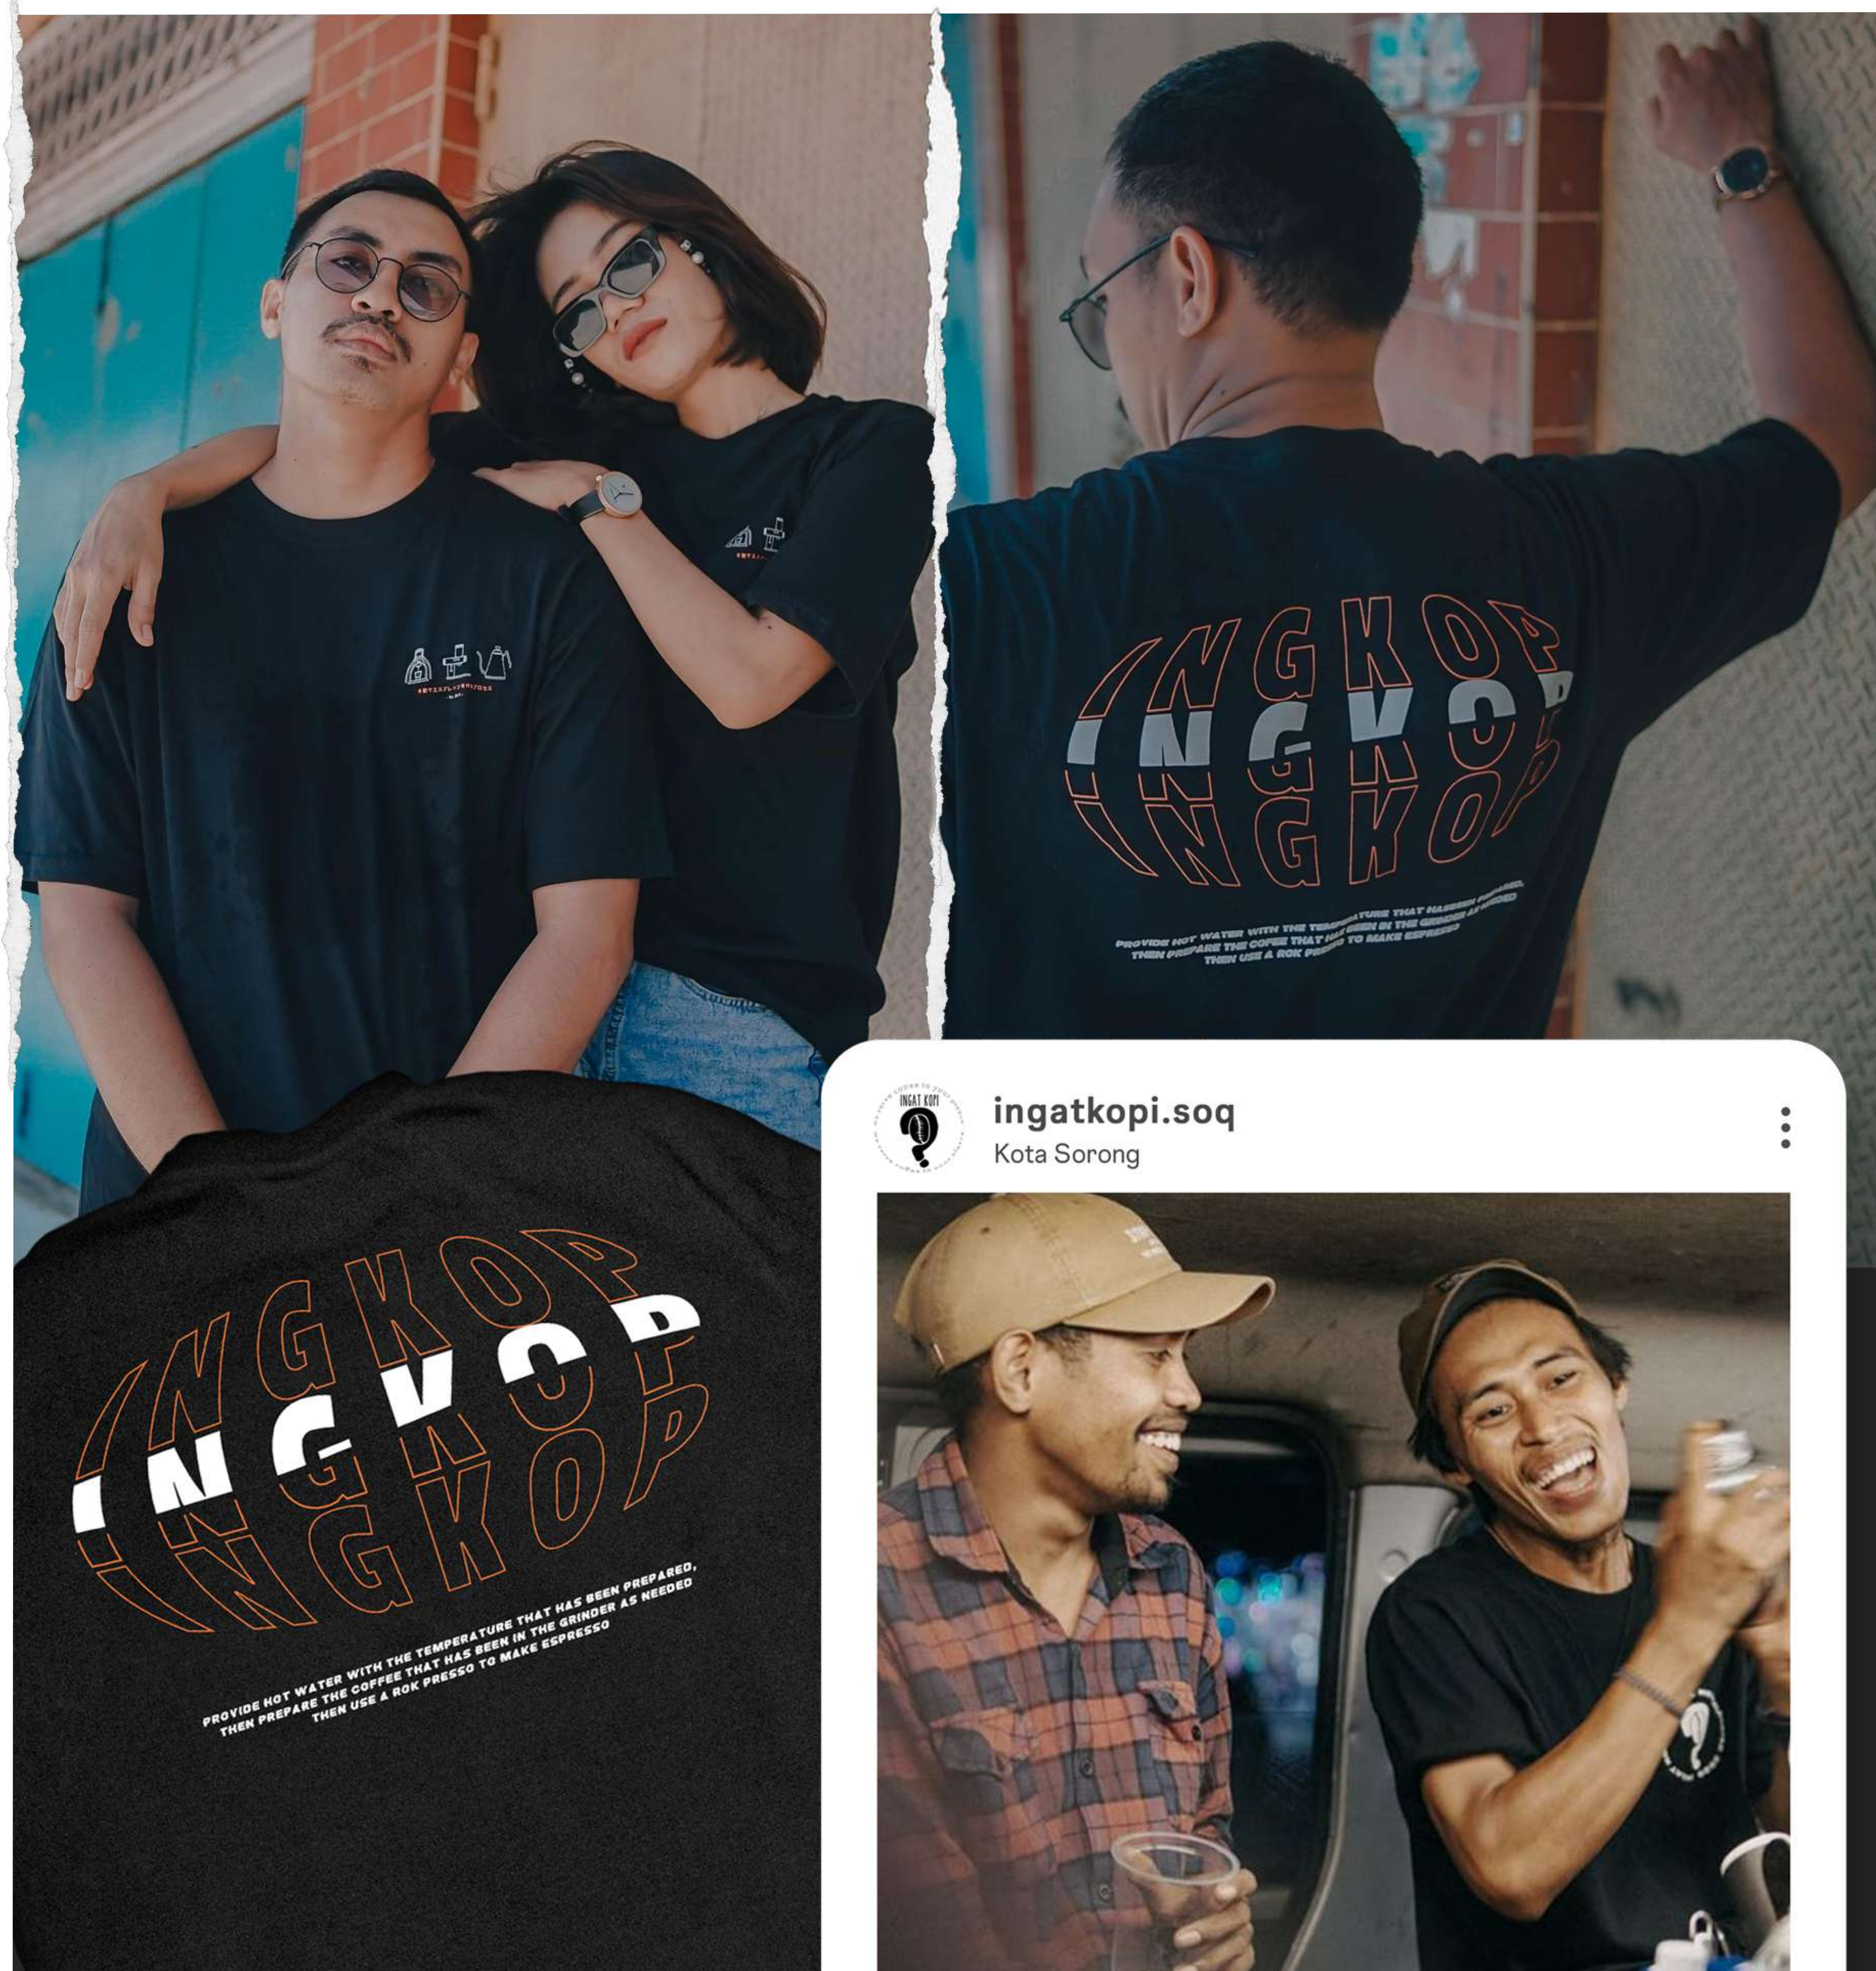

Ingat Kopi Soq merupakan kedai kopi lokal di kota sorong yang mendedikasikan seluruh gairah, kecintaan dan antusiasme yang menakjubkan kepada dunia. Bergerak dibidang usaha lokal brand yang berasal dari kota sorong, west papua.

“INGKOP”

Chapter One

“Provide hot water the temperature that has been prepared, then prepare the coffee that has been in the grinder as needed then use a rok presso to make espresso”

Character Design

Ingat Kopi Soq

“Brand character concept “ingat kopi soq” depicted in 3 sketches and combined streetwear typography until you find it best result”

Social Media

@ingatkopi.sq

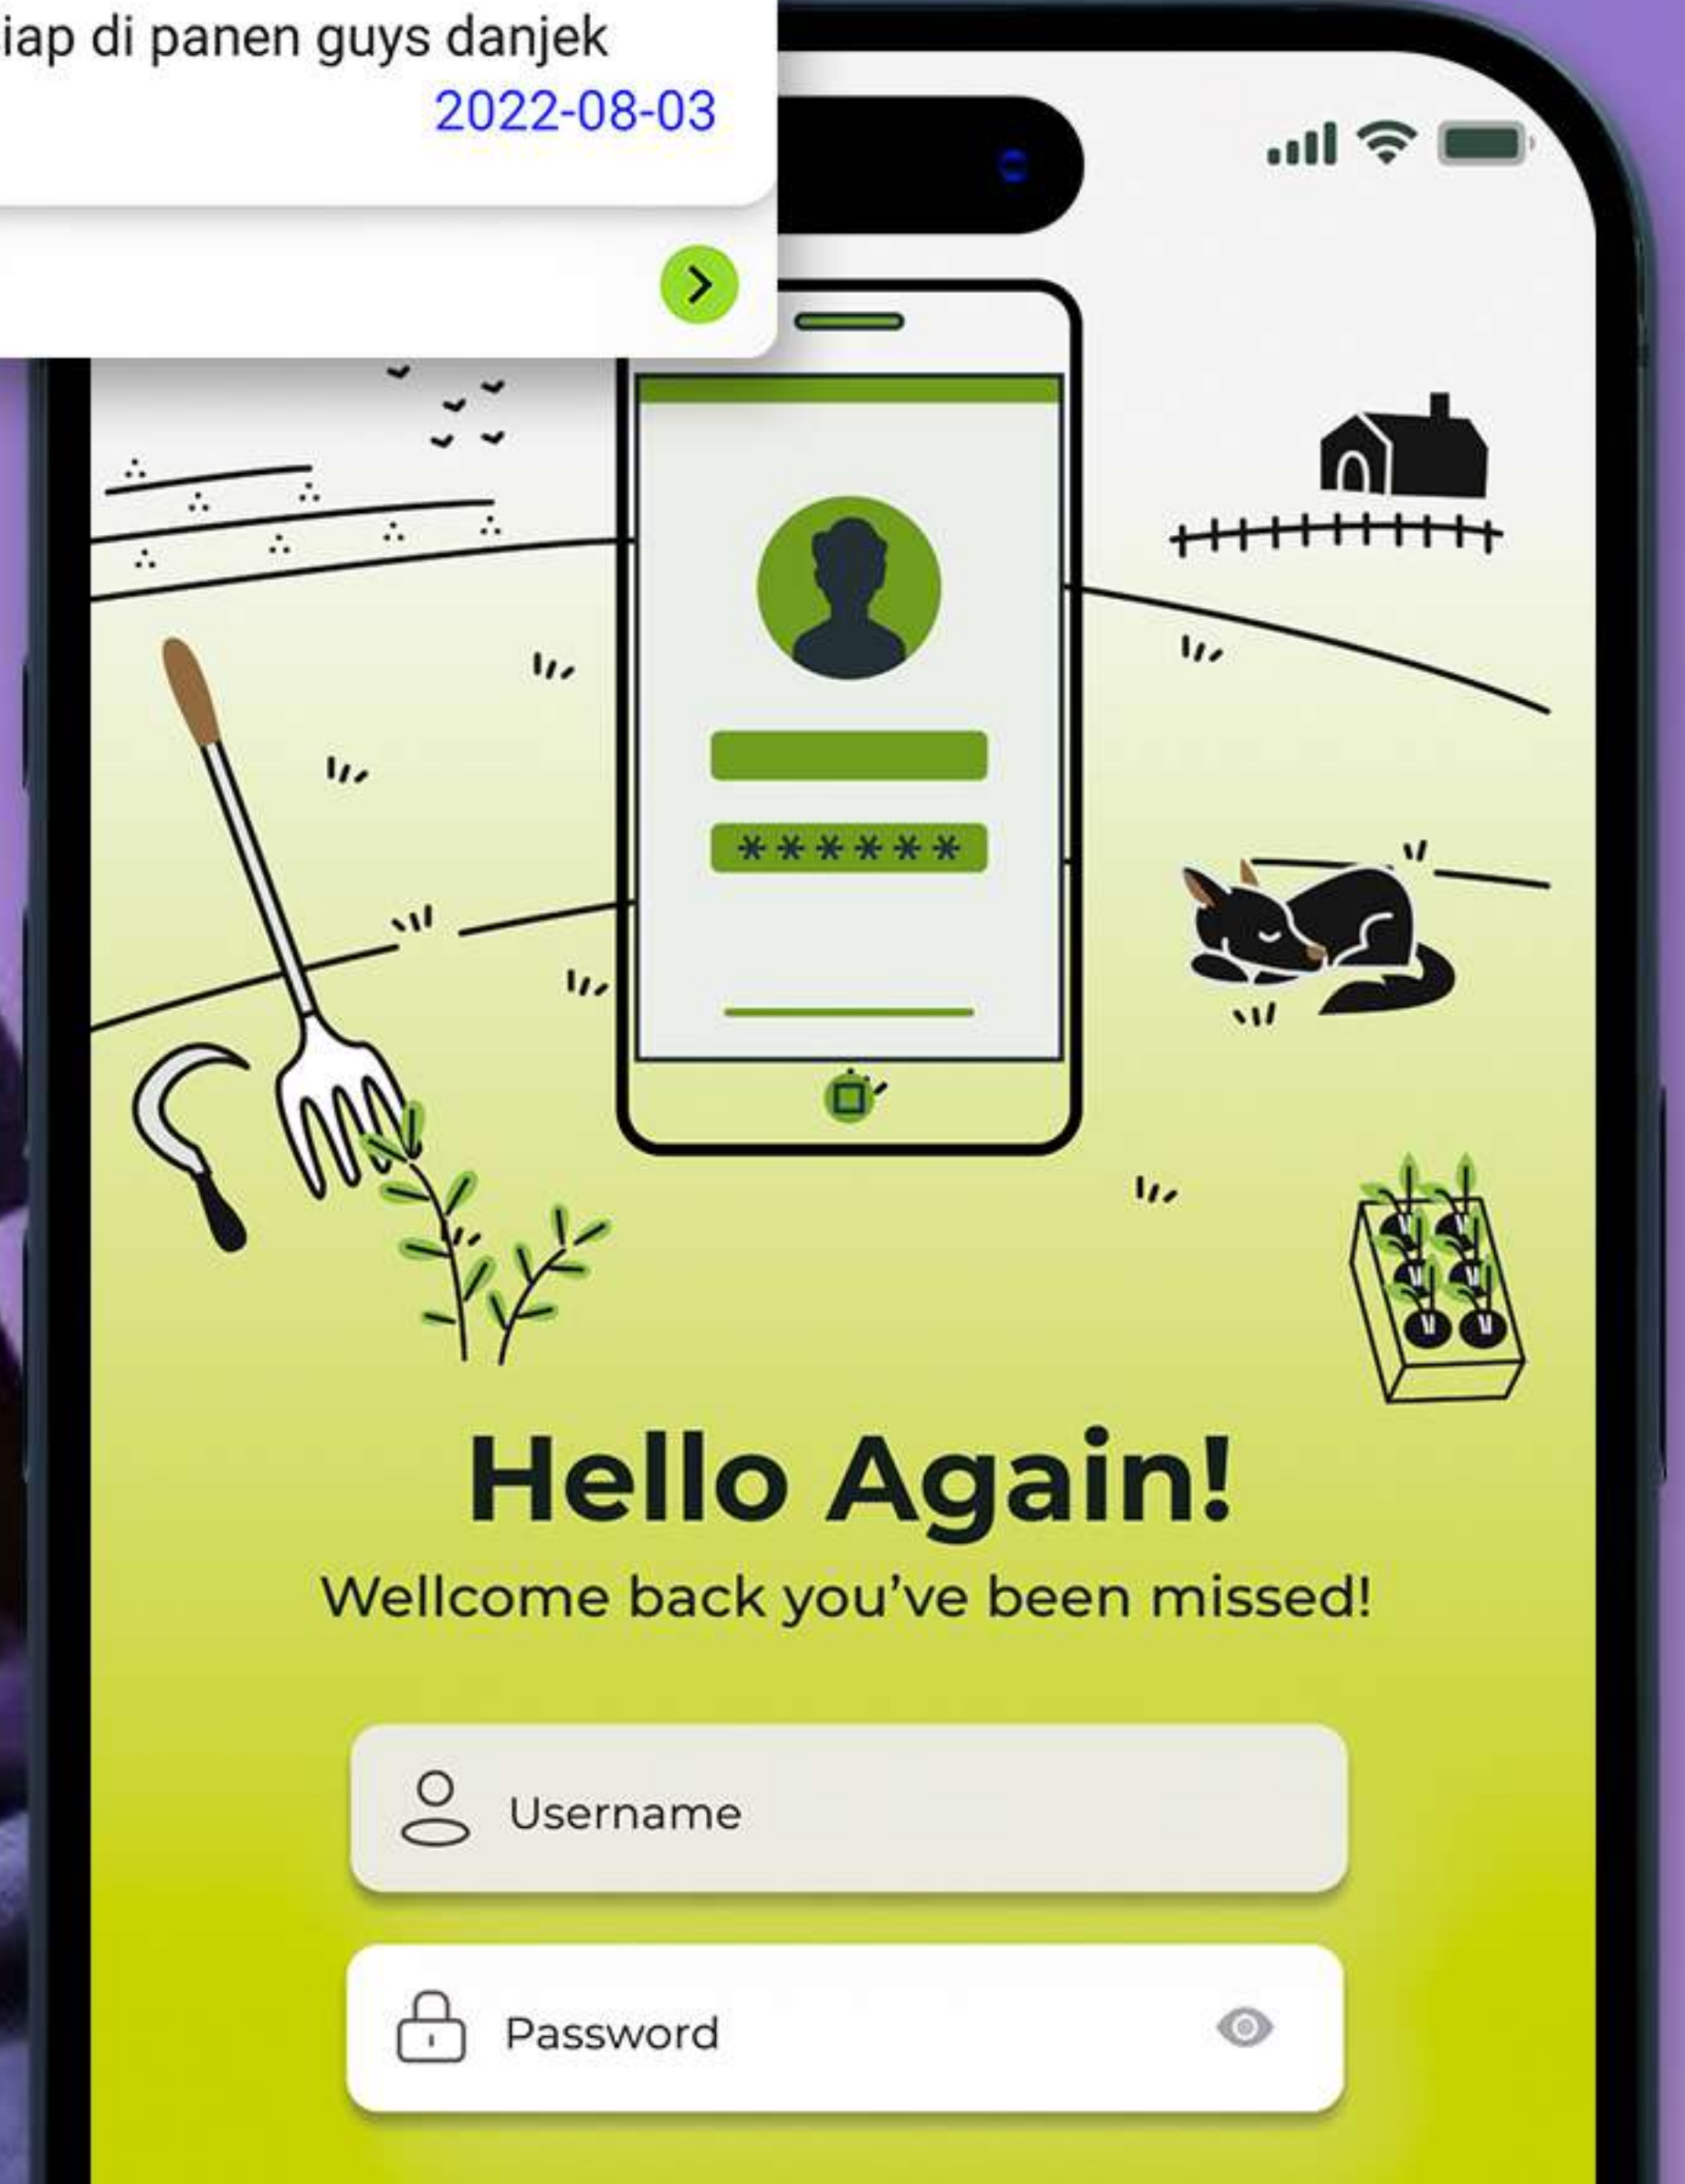

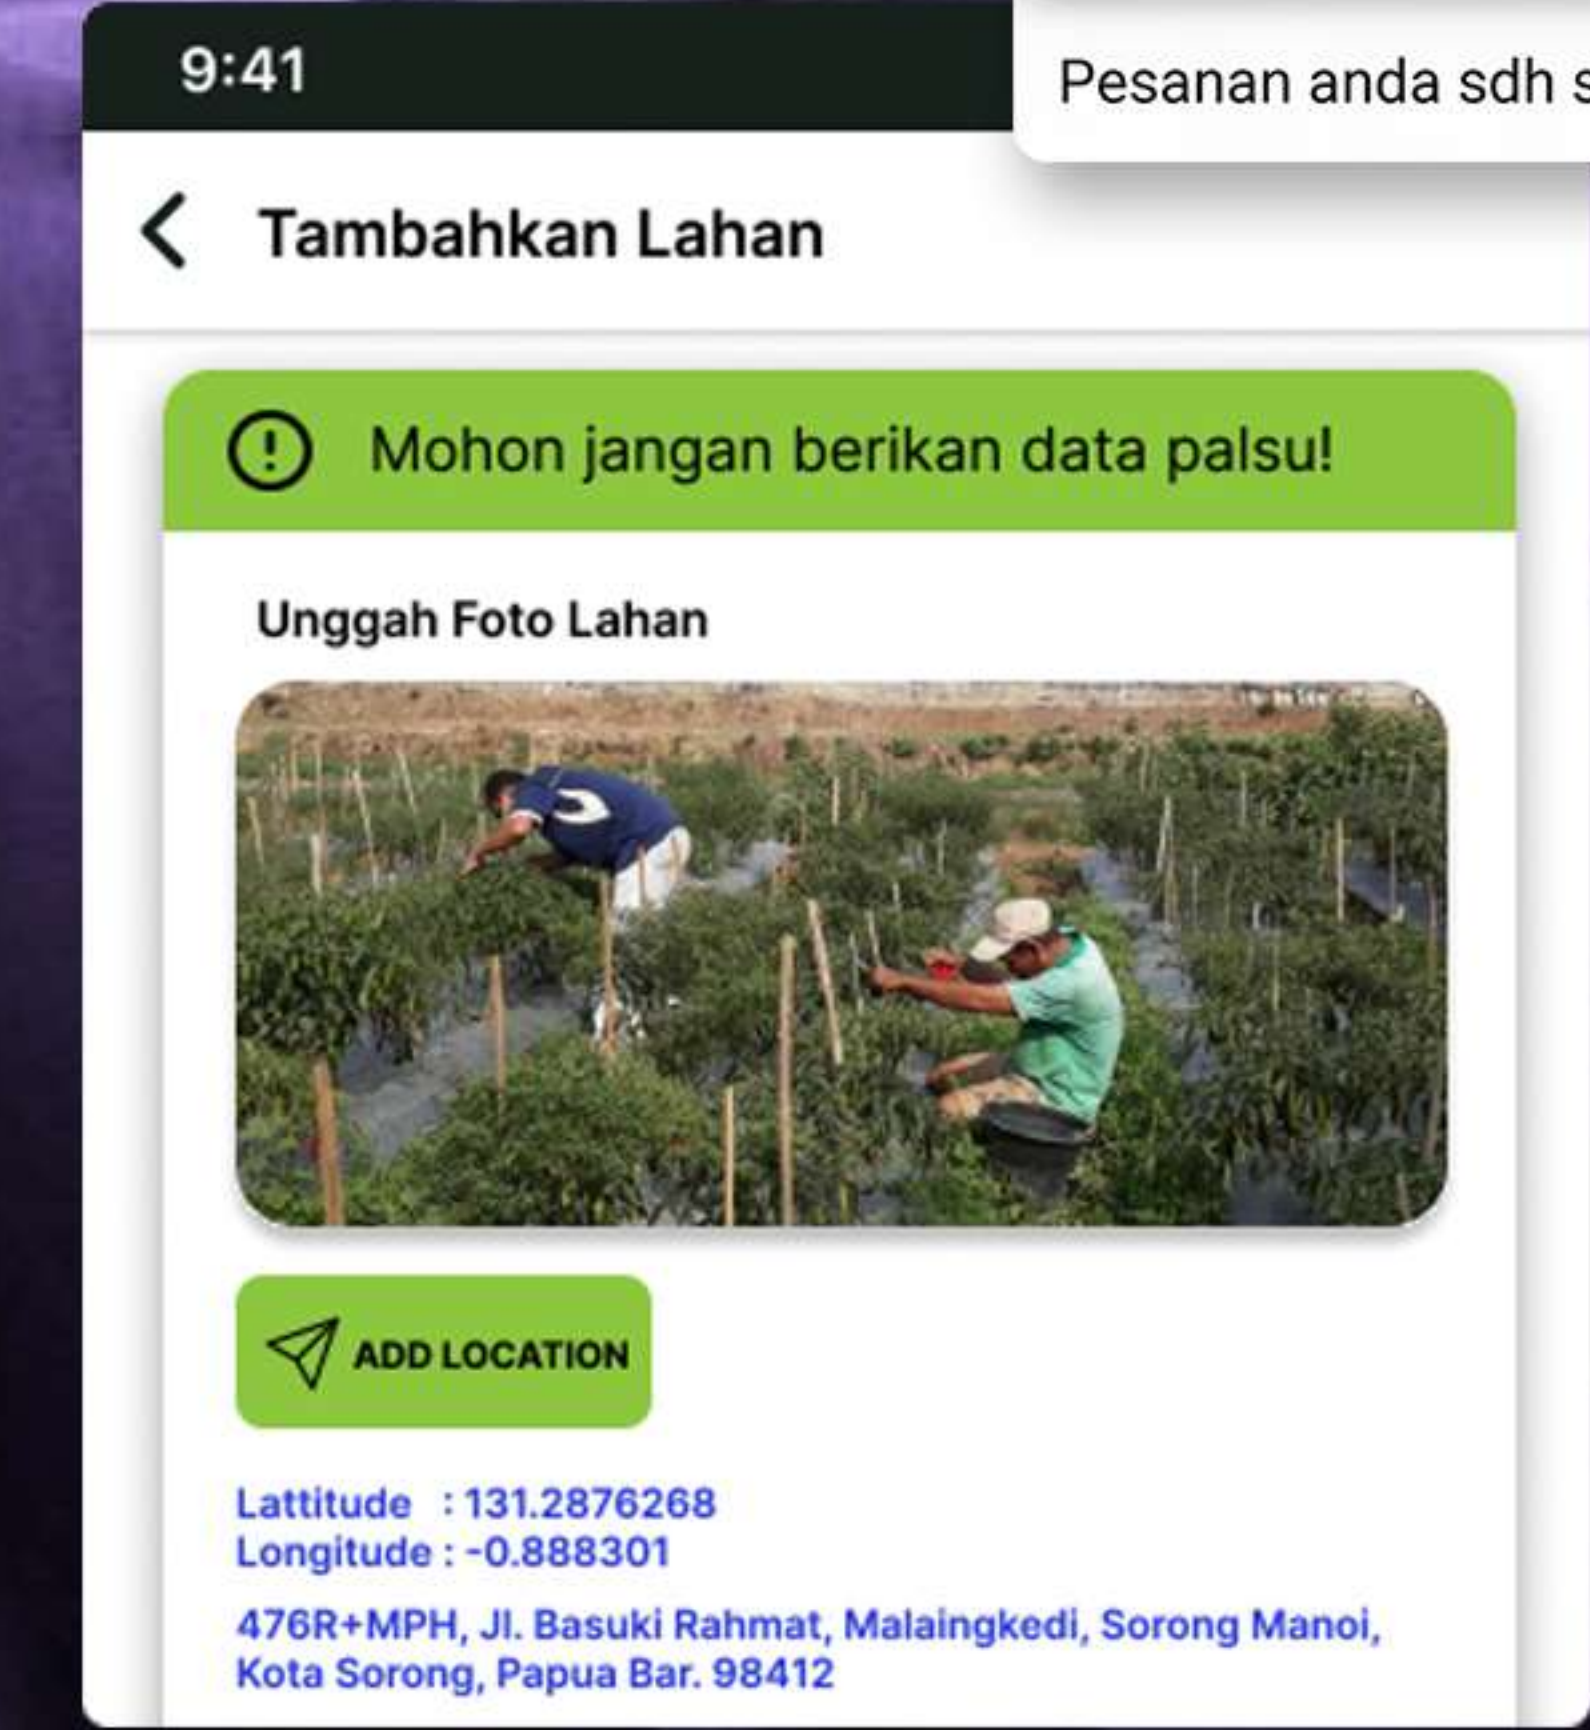

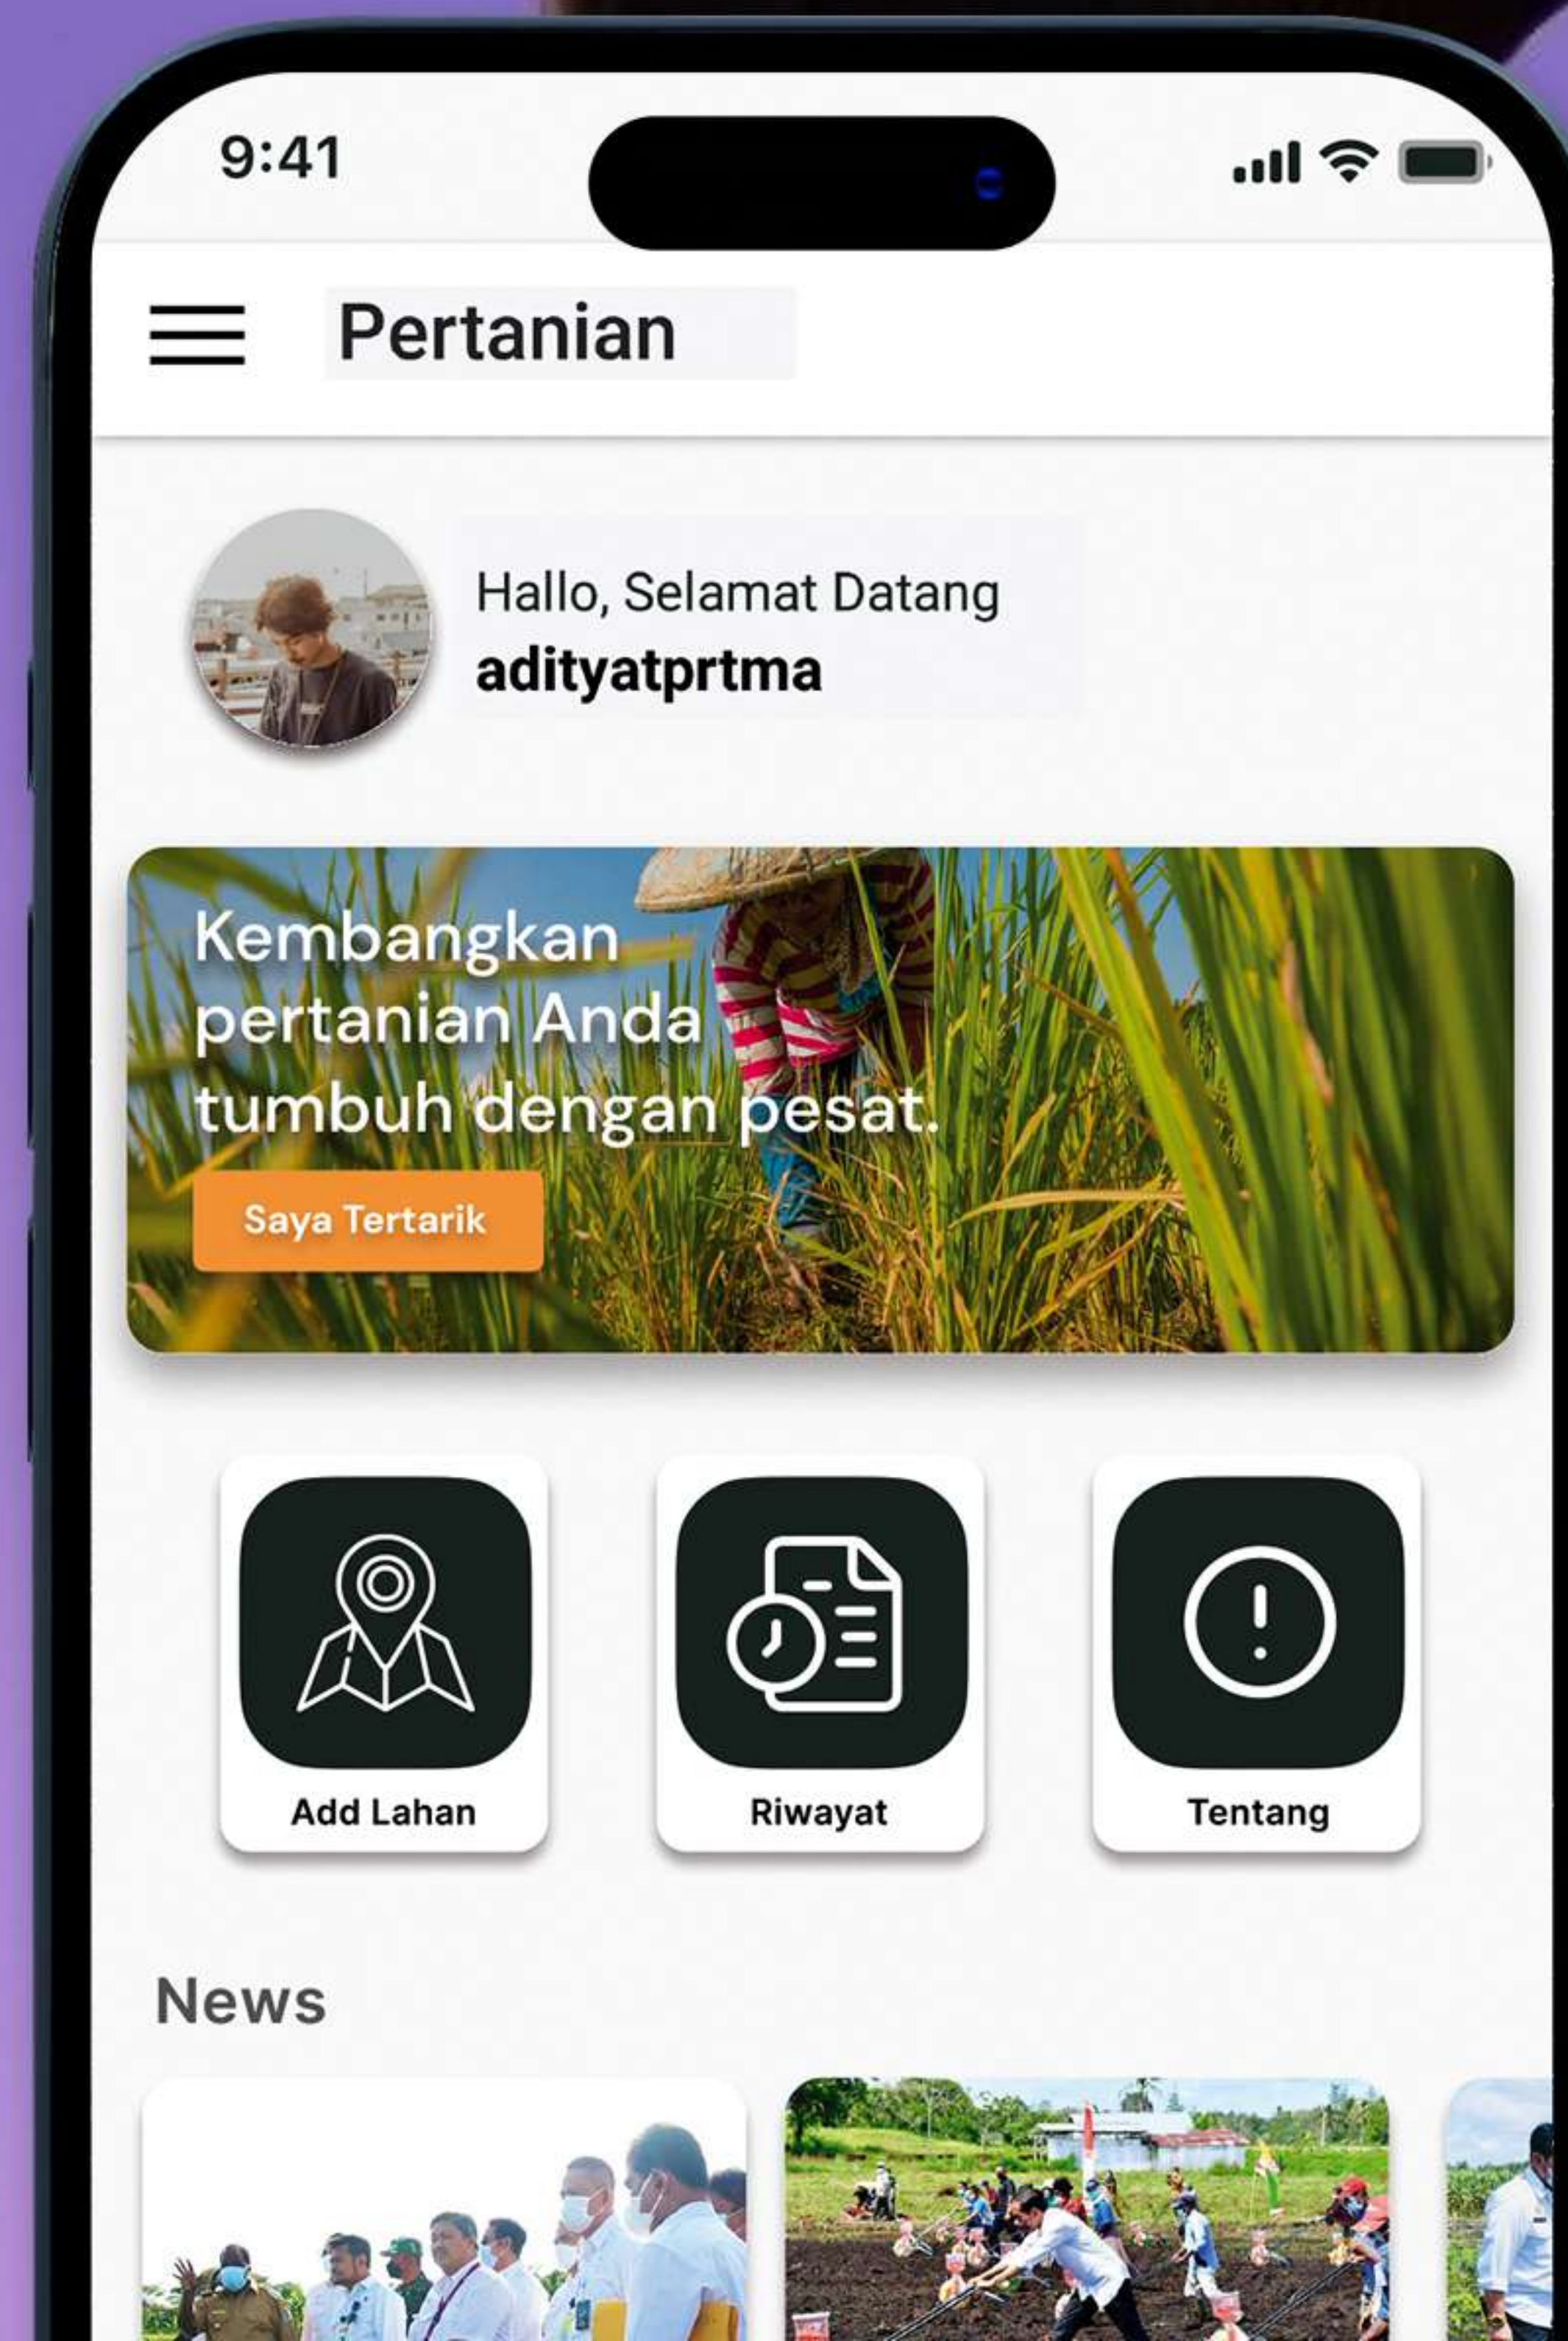

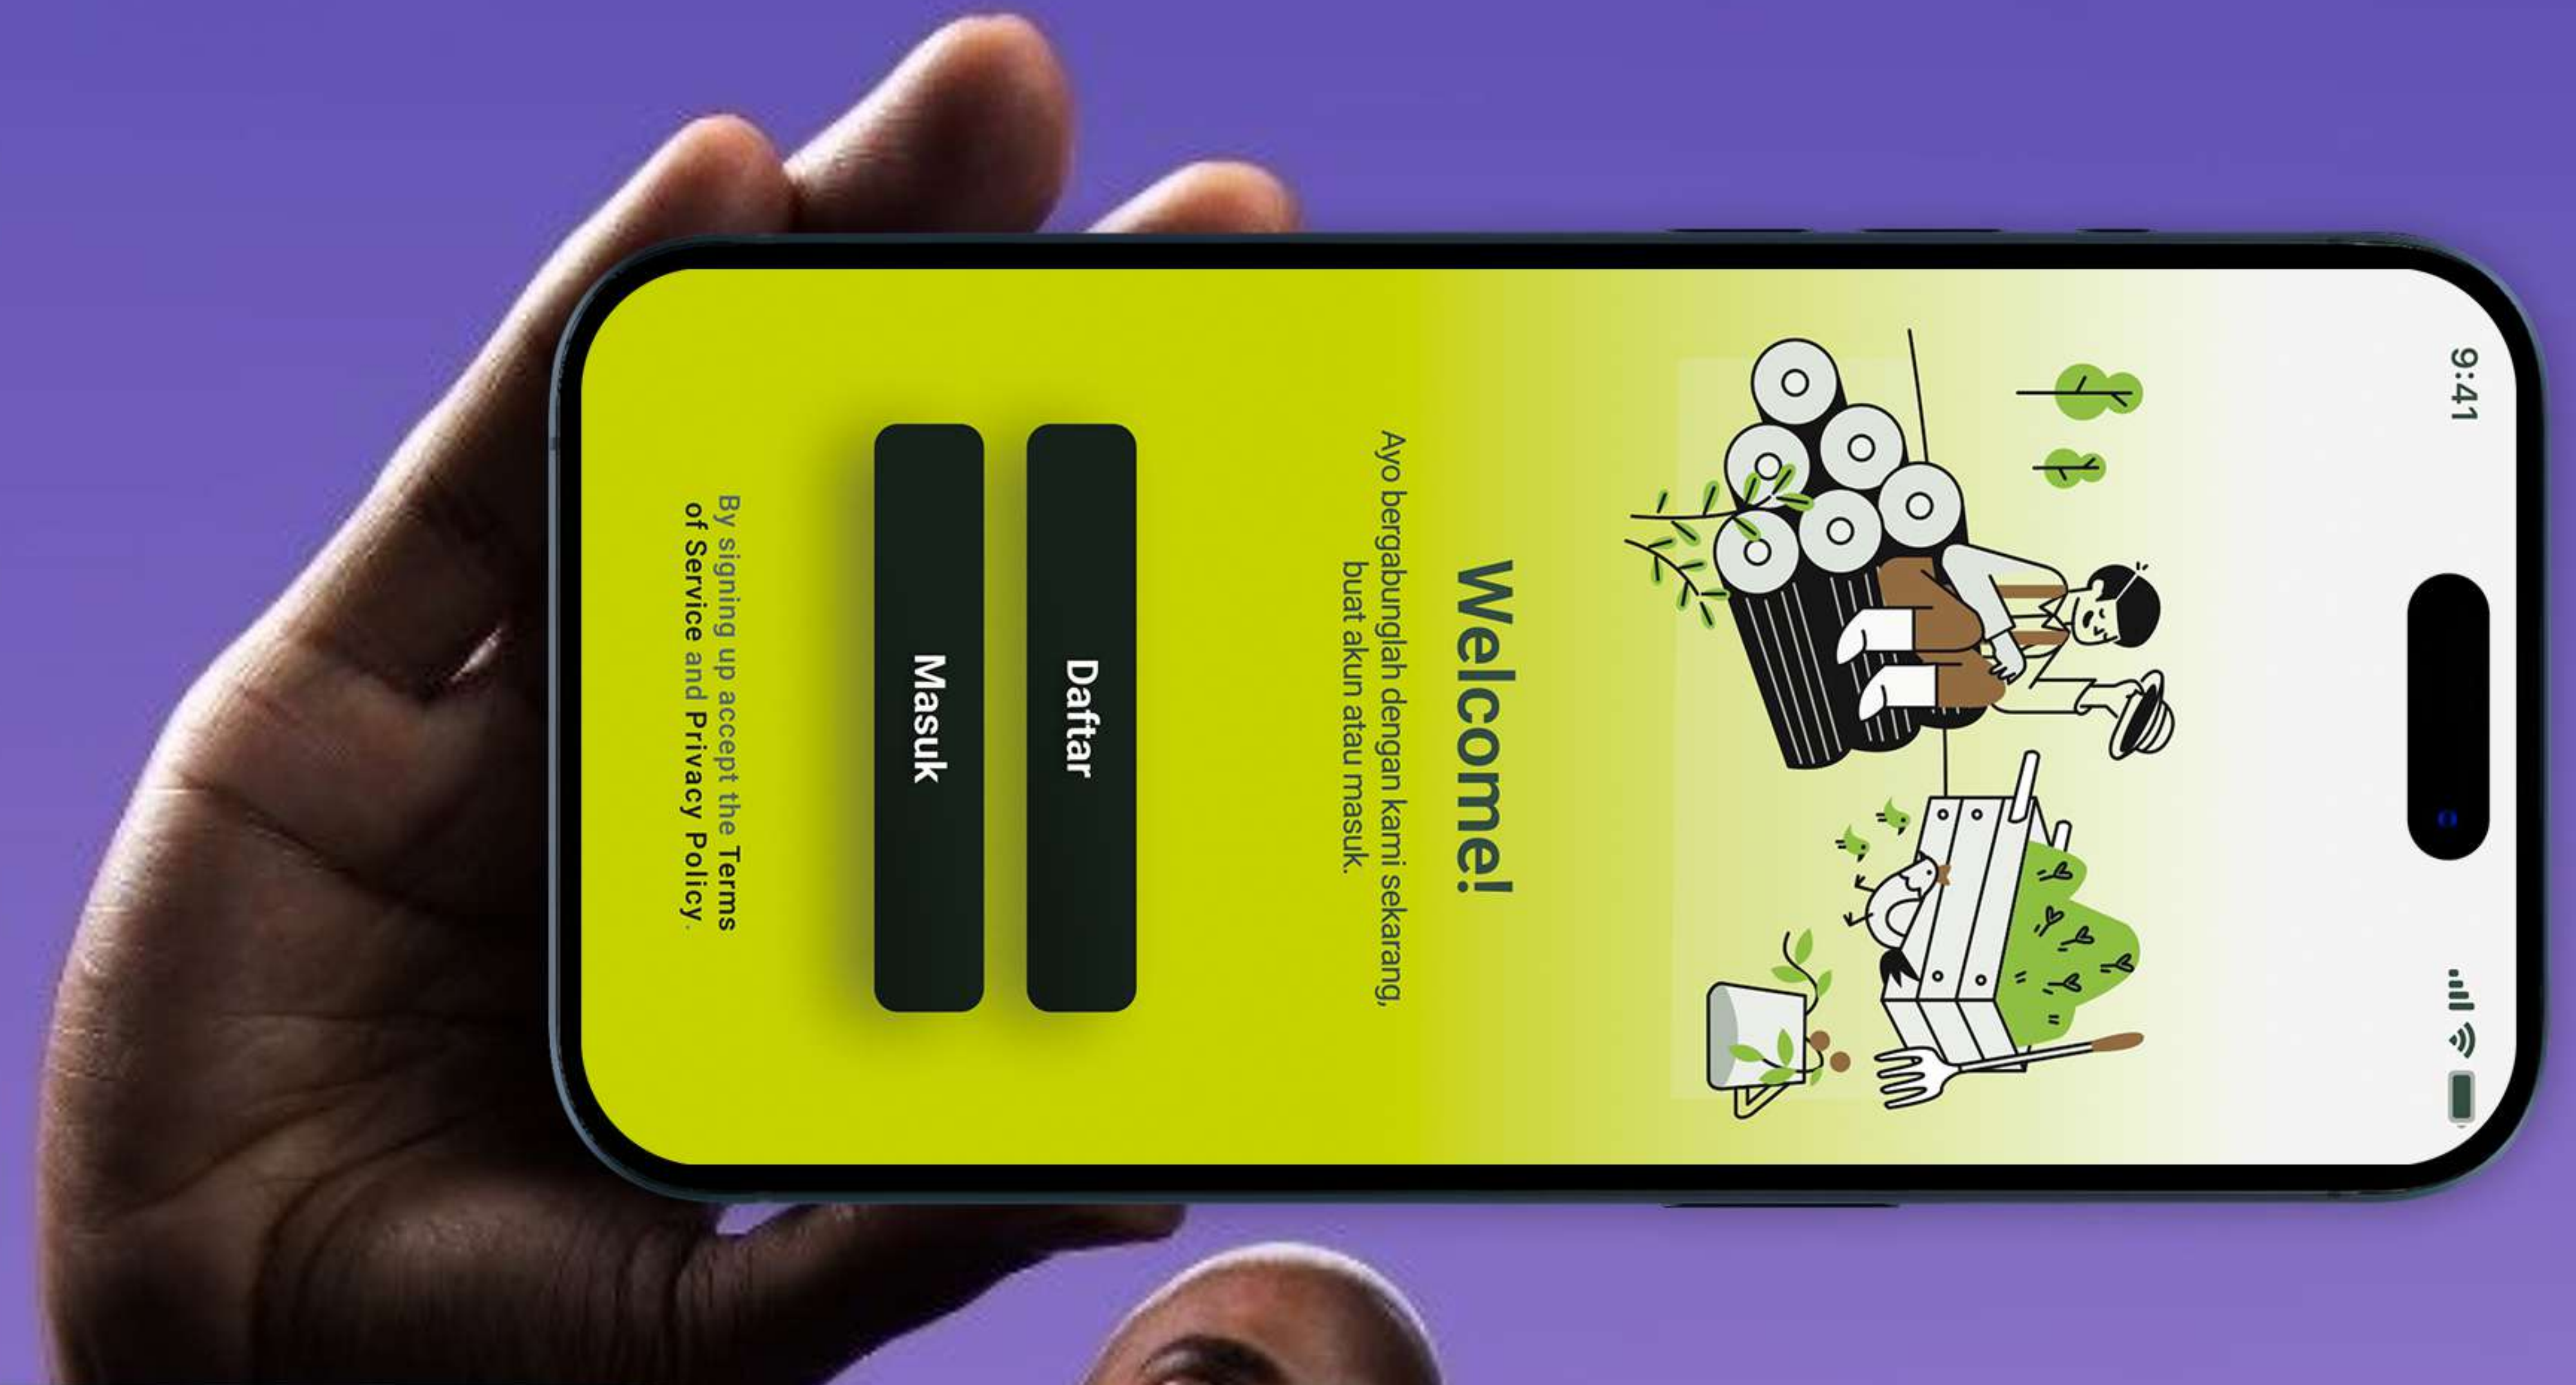

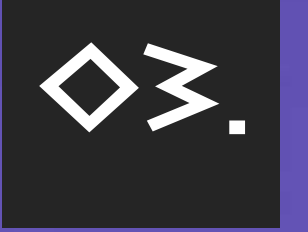

Pertanian, App Agricultural Land Mapping

Year. Jun 2022 - Dec 2022

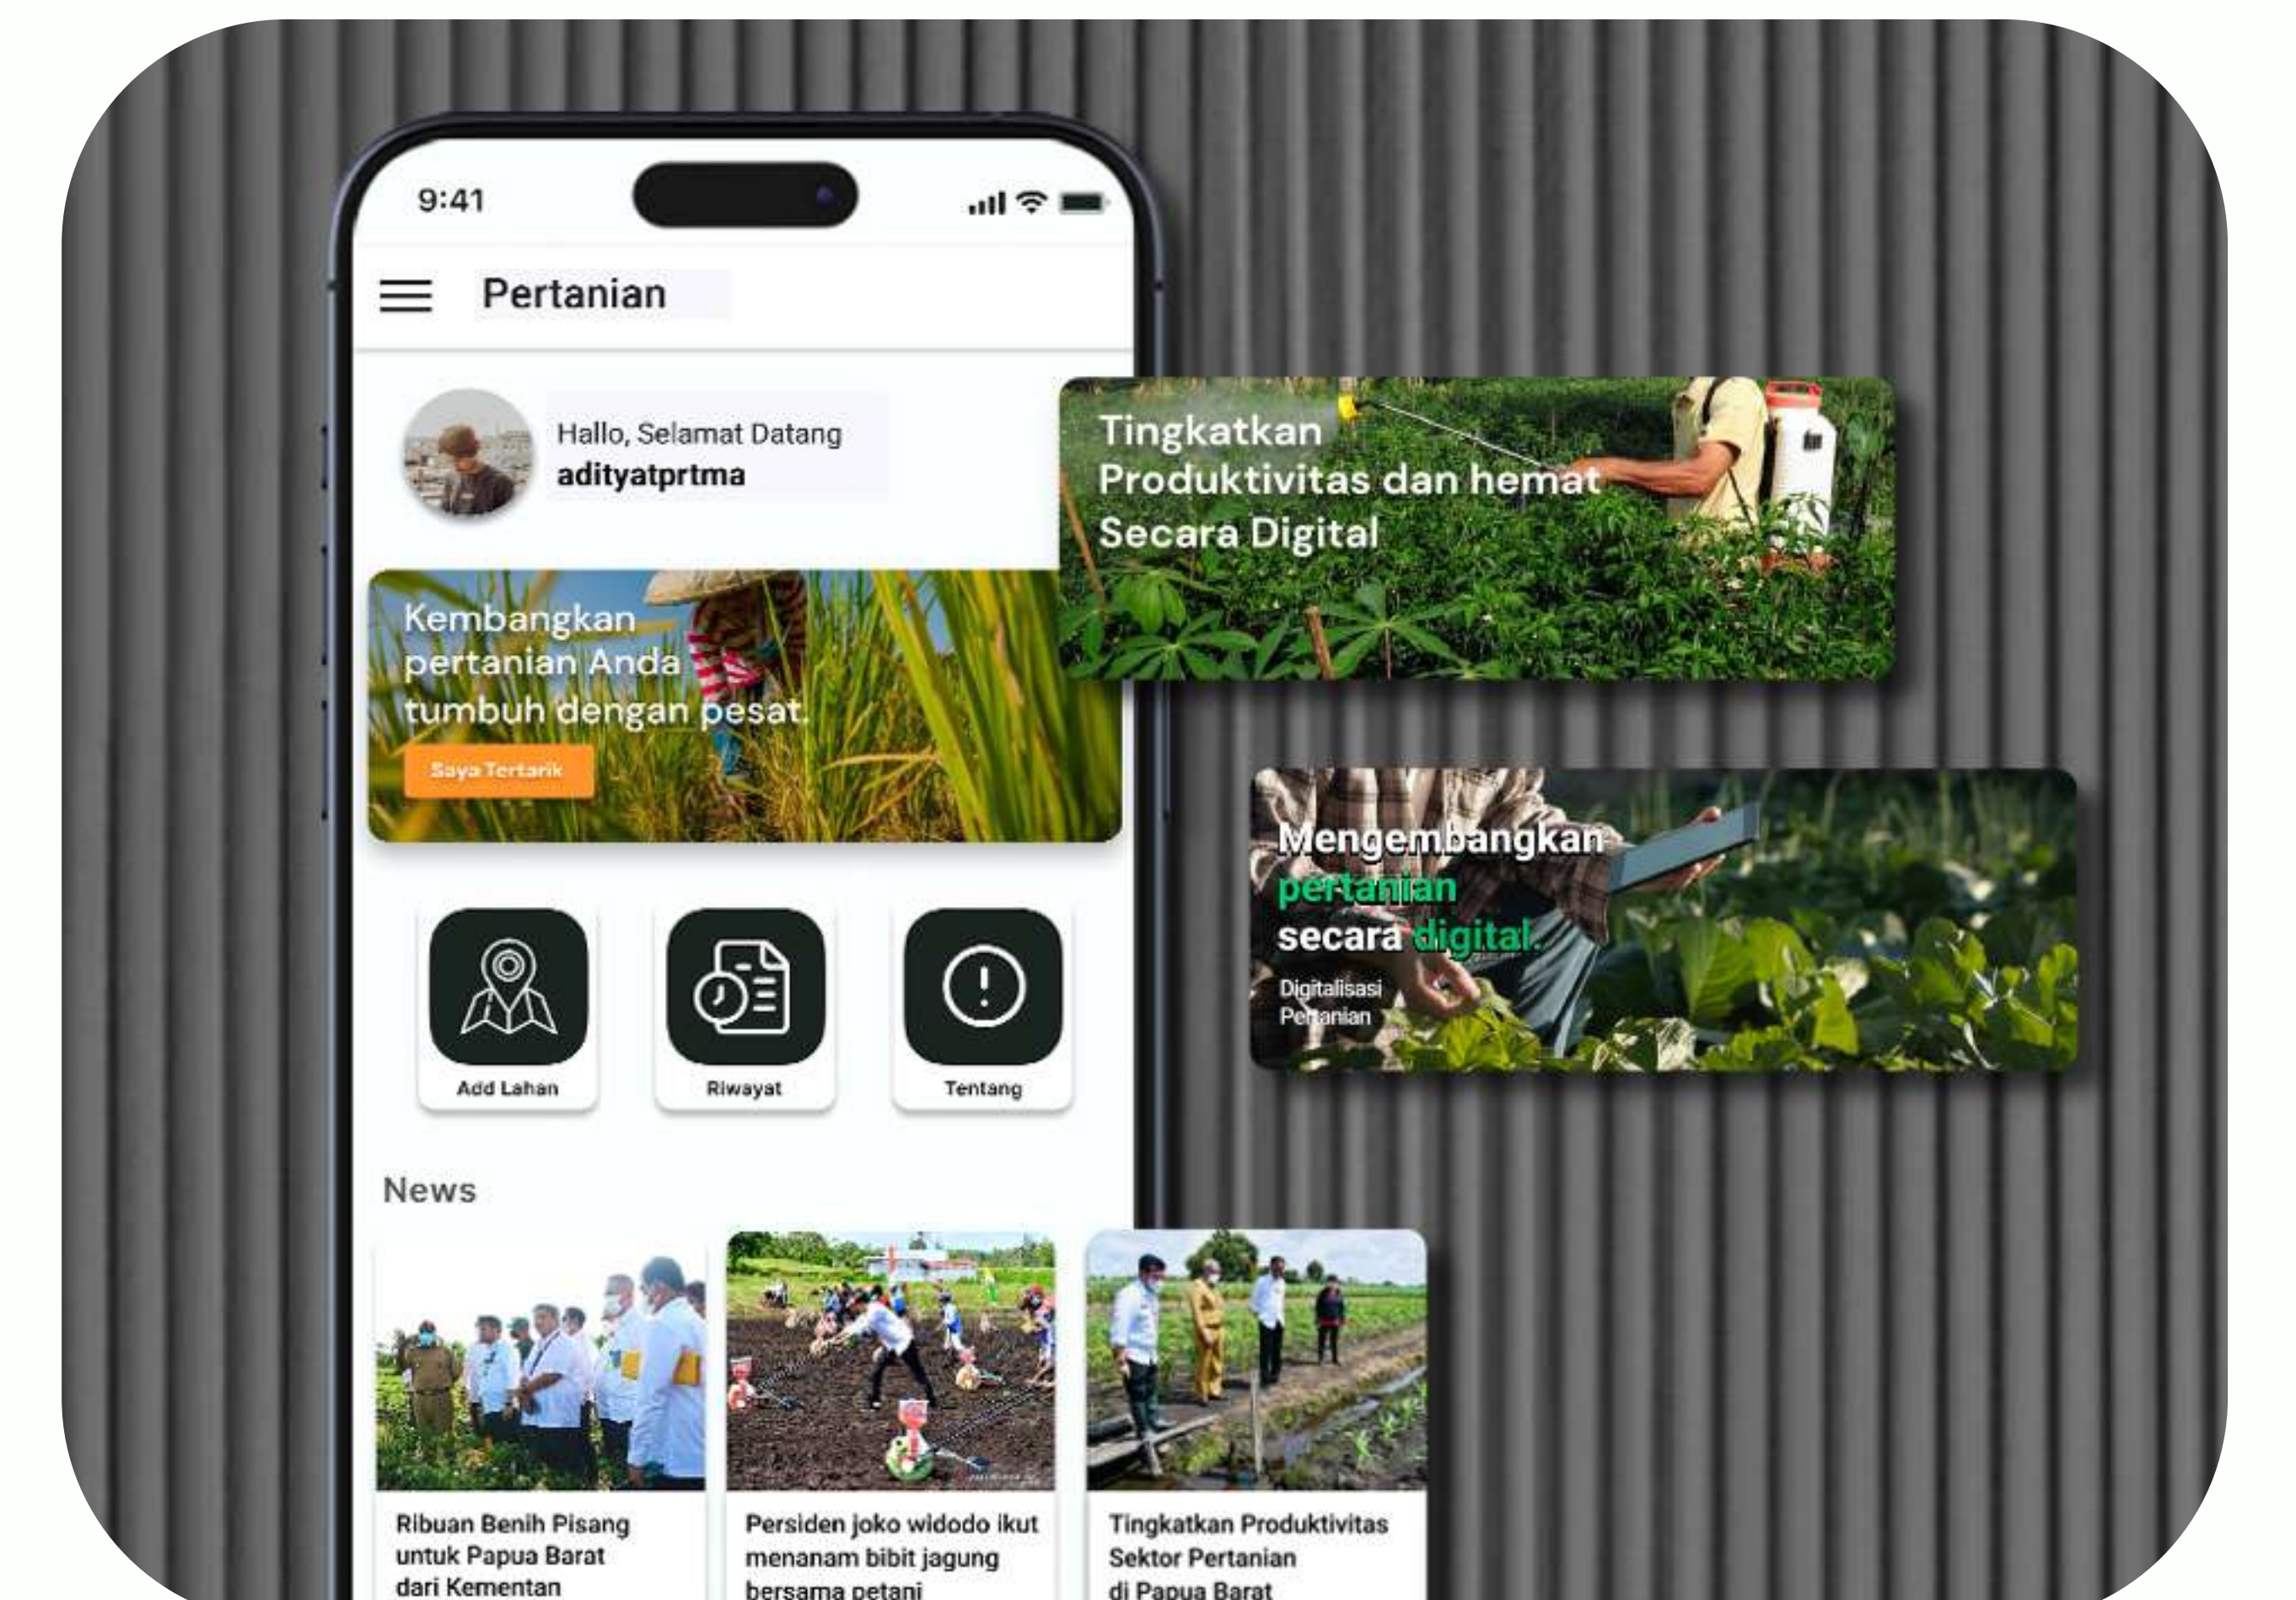

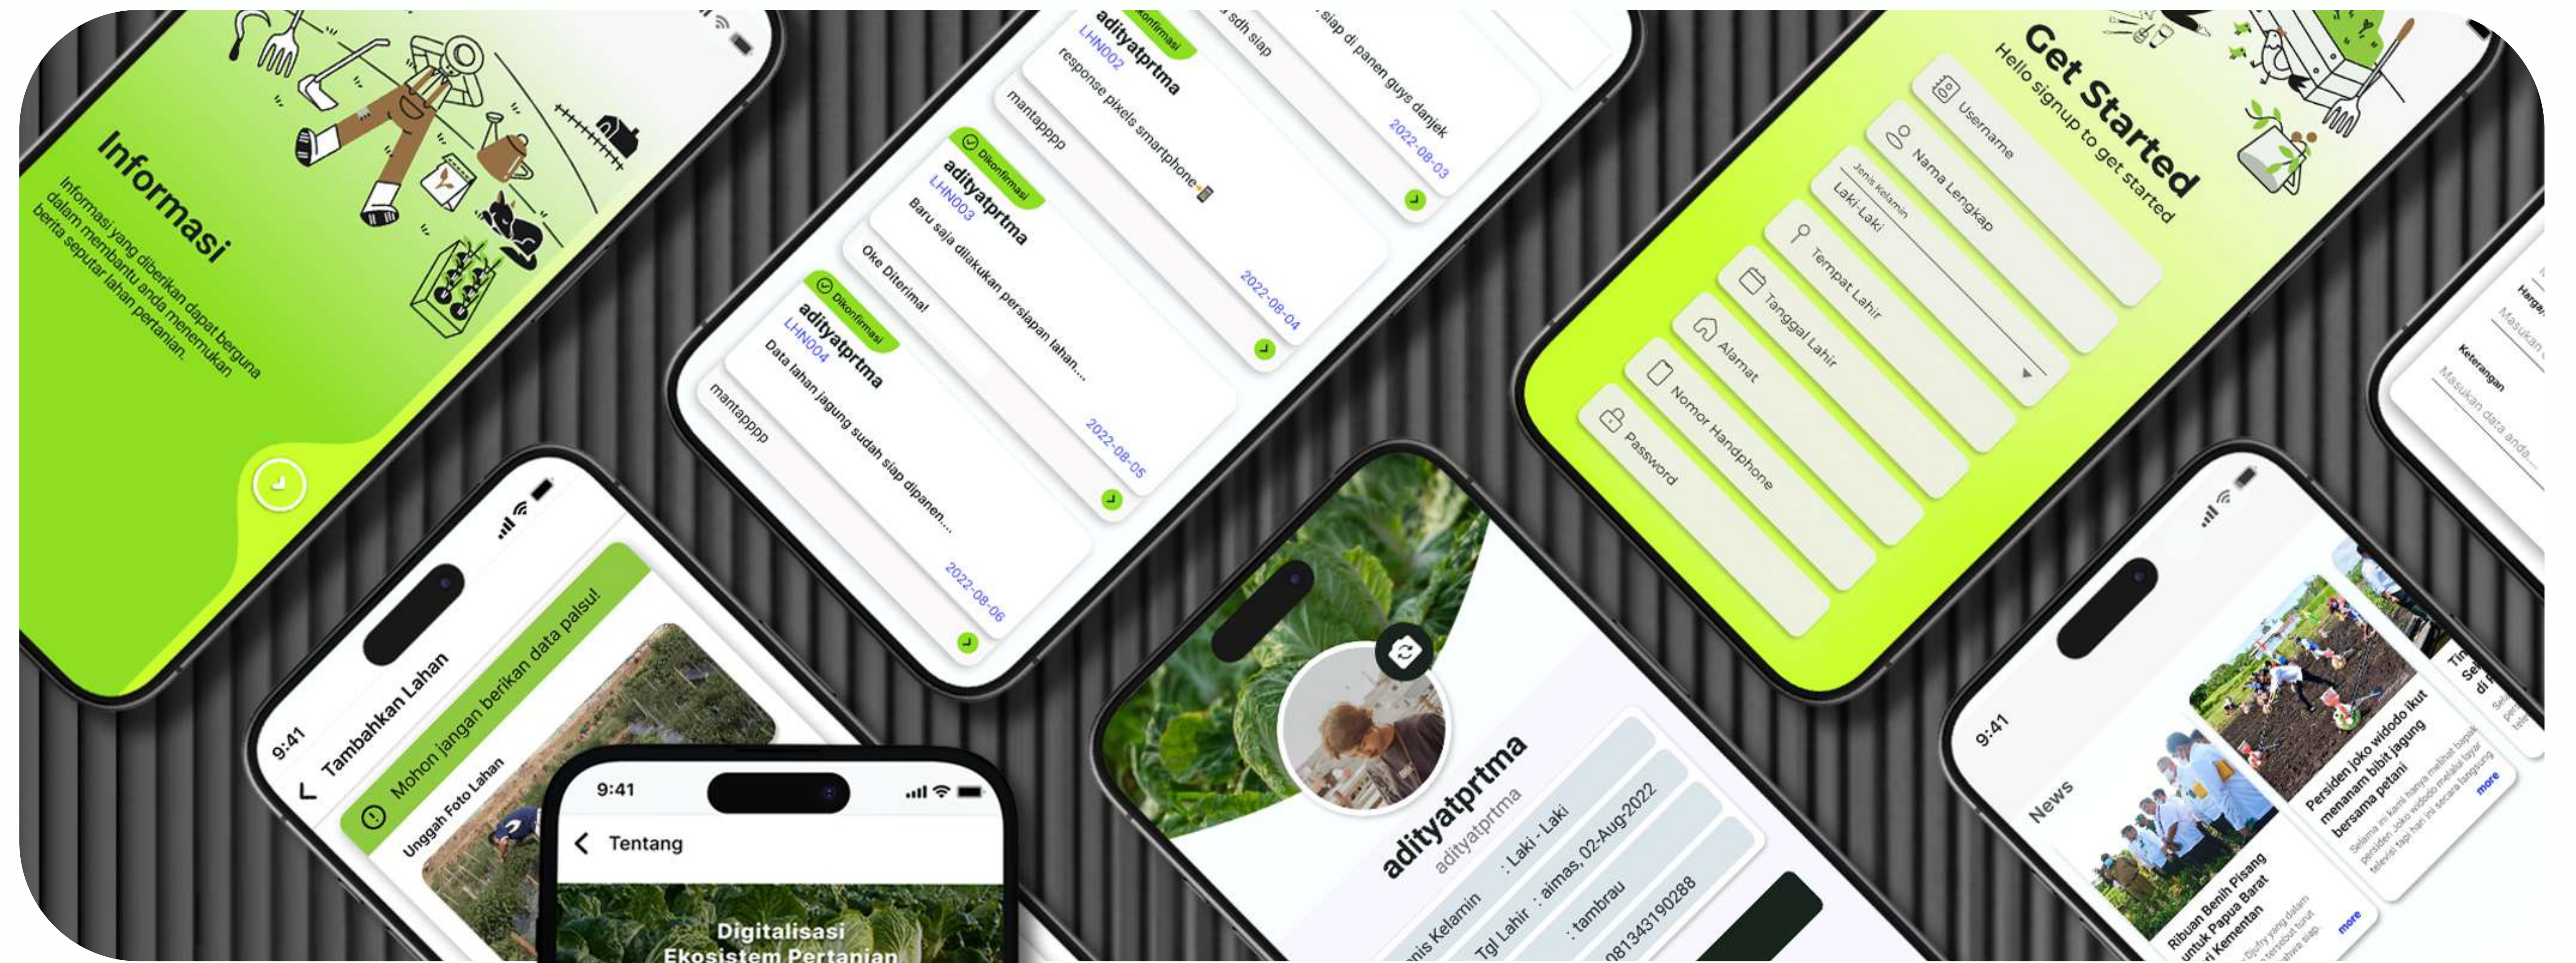

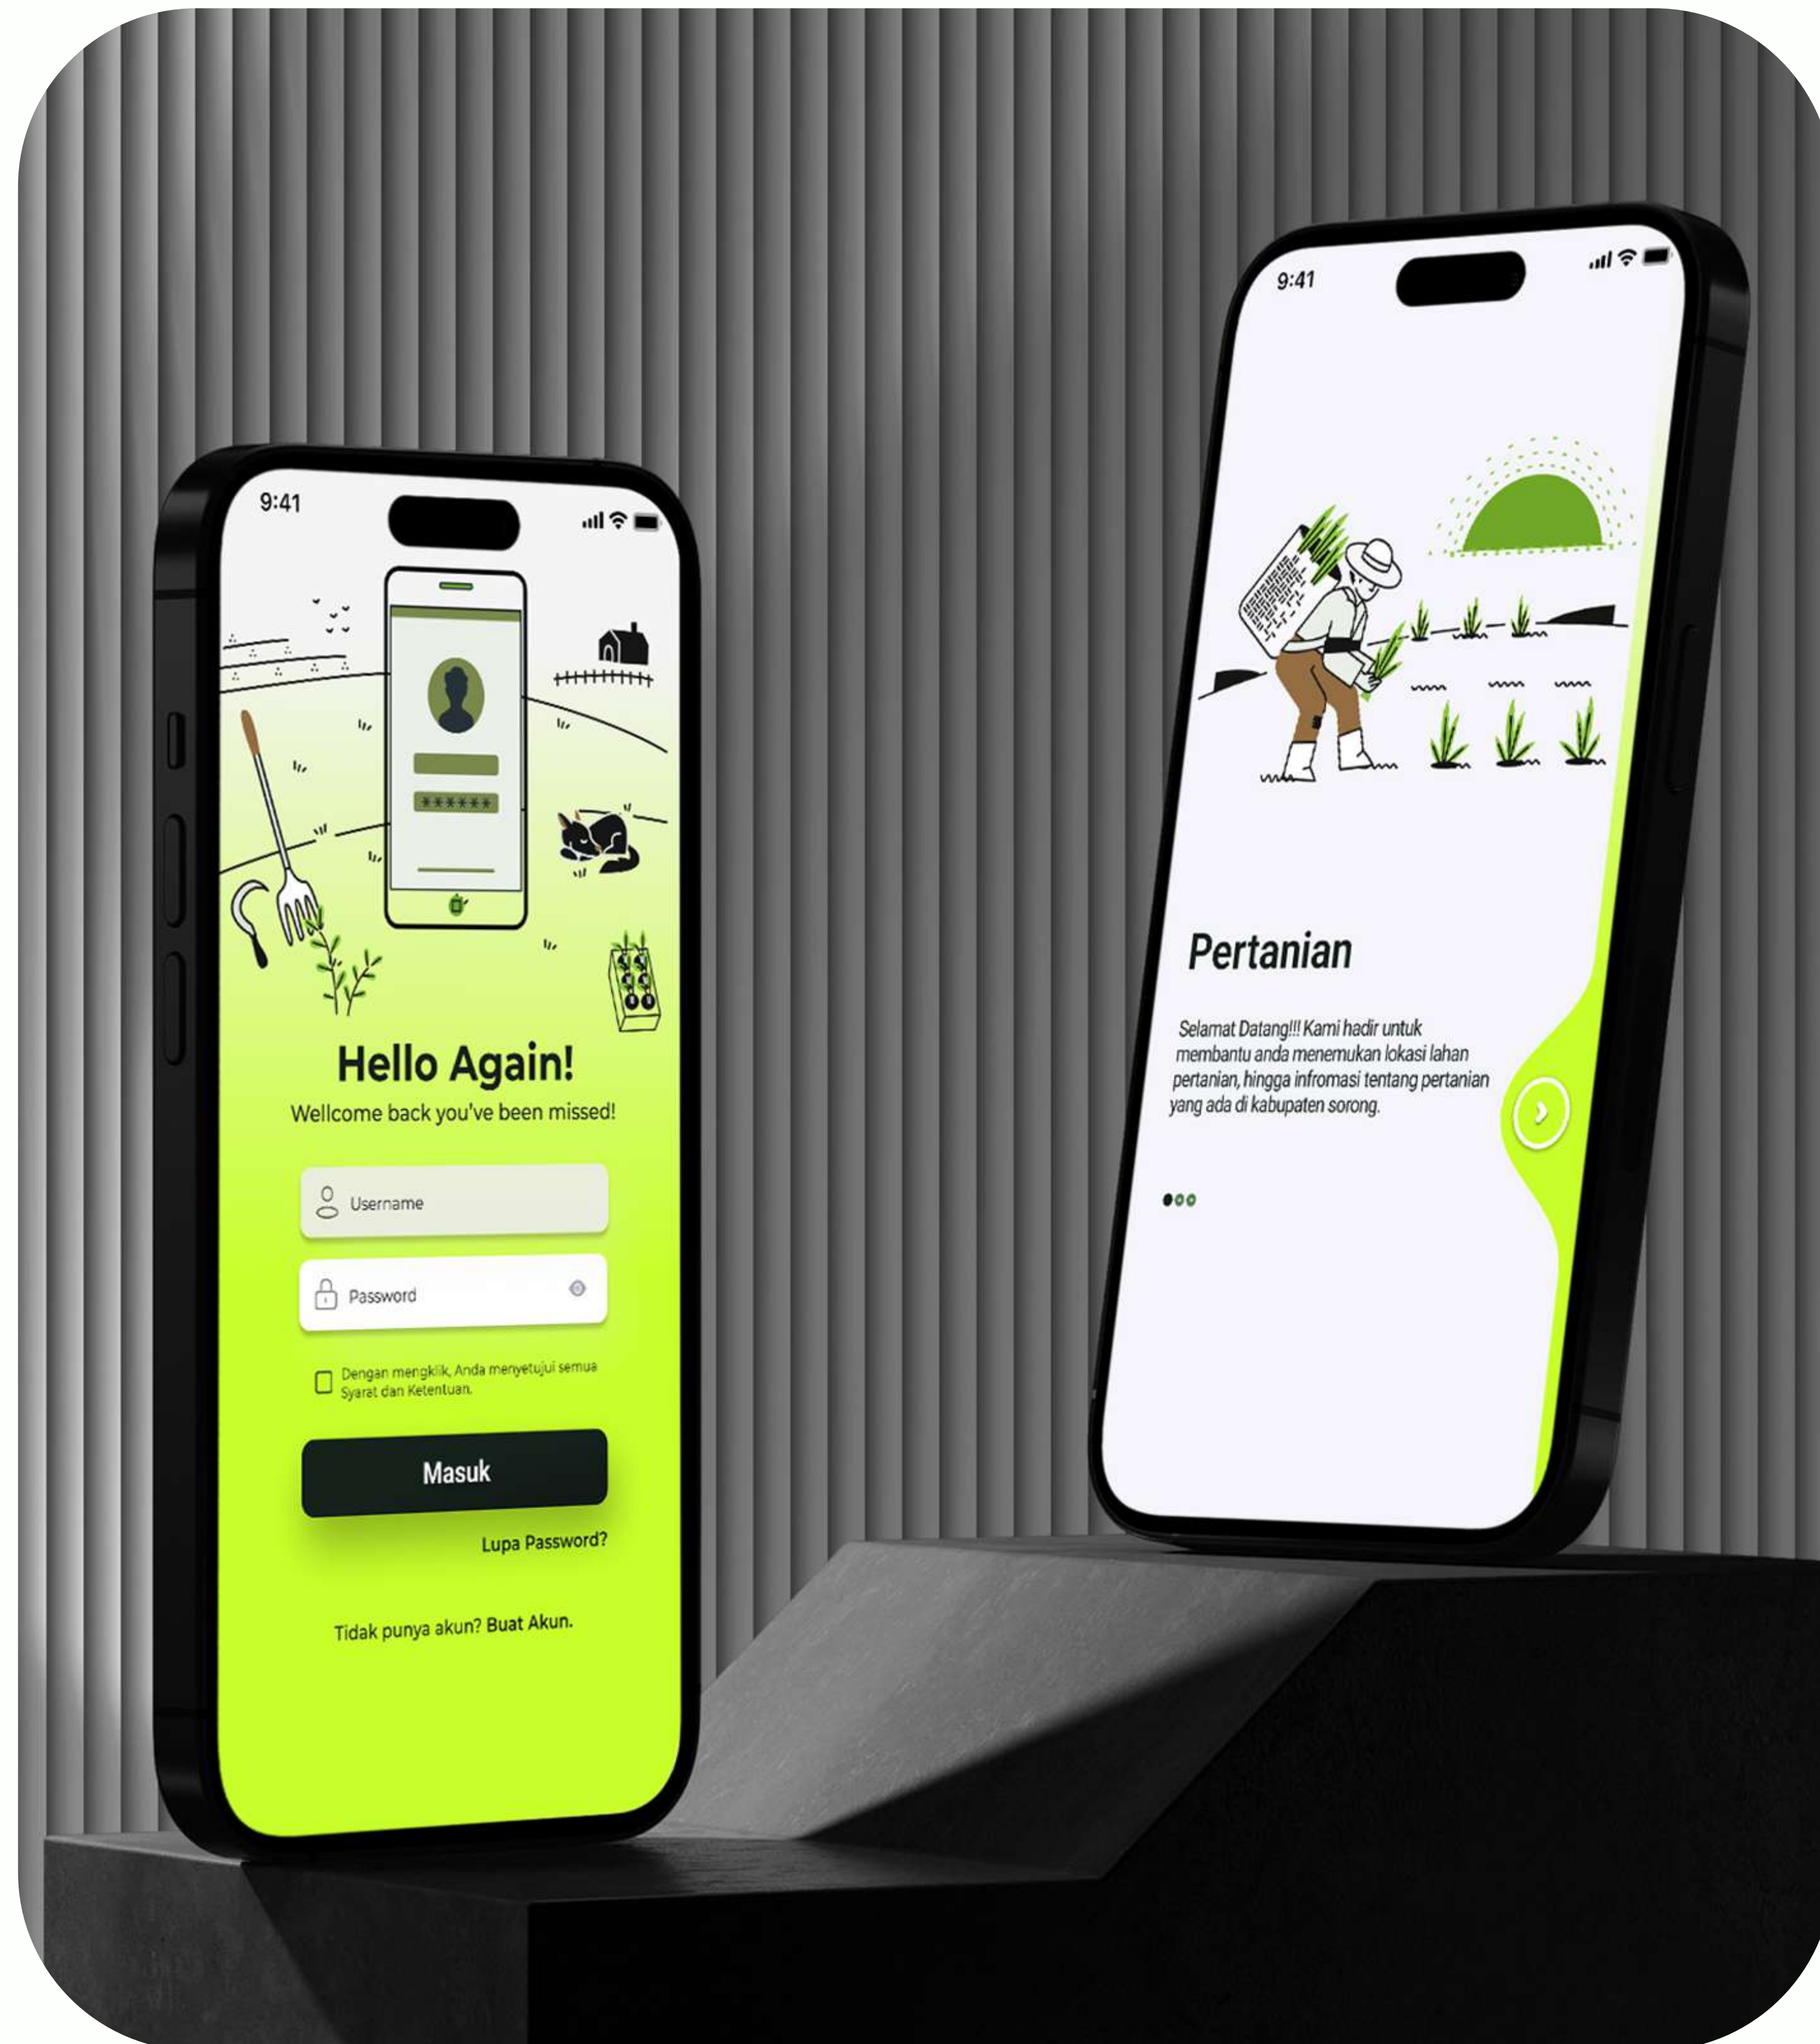

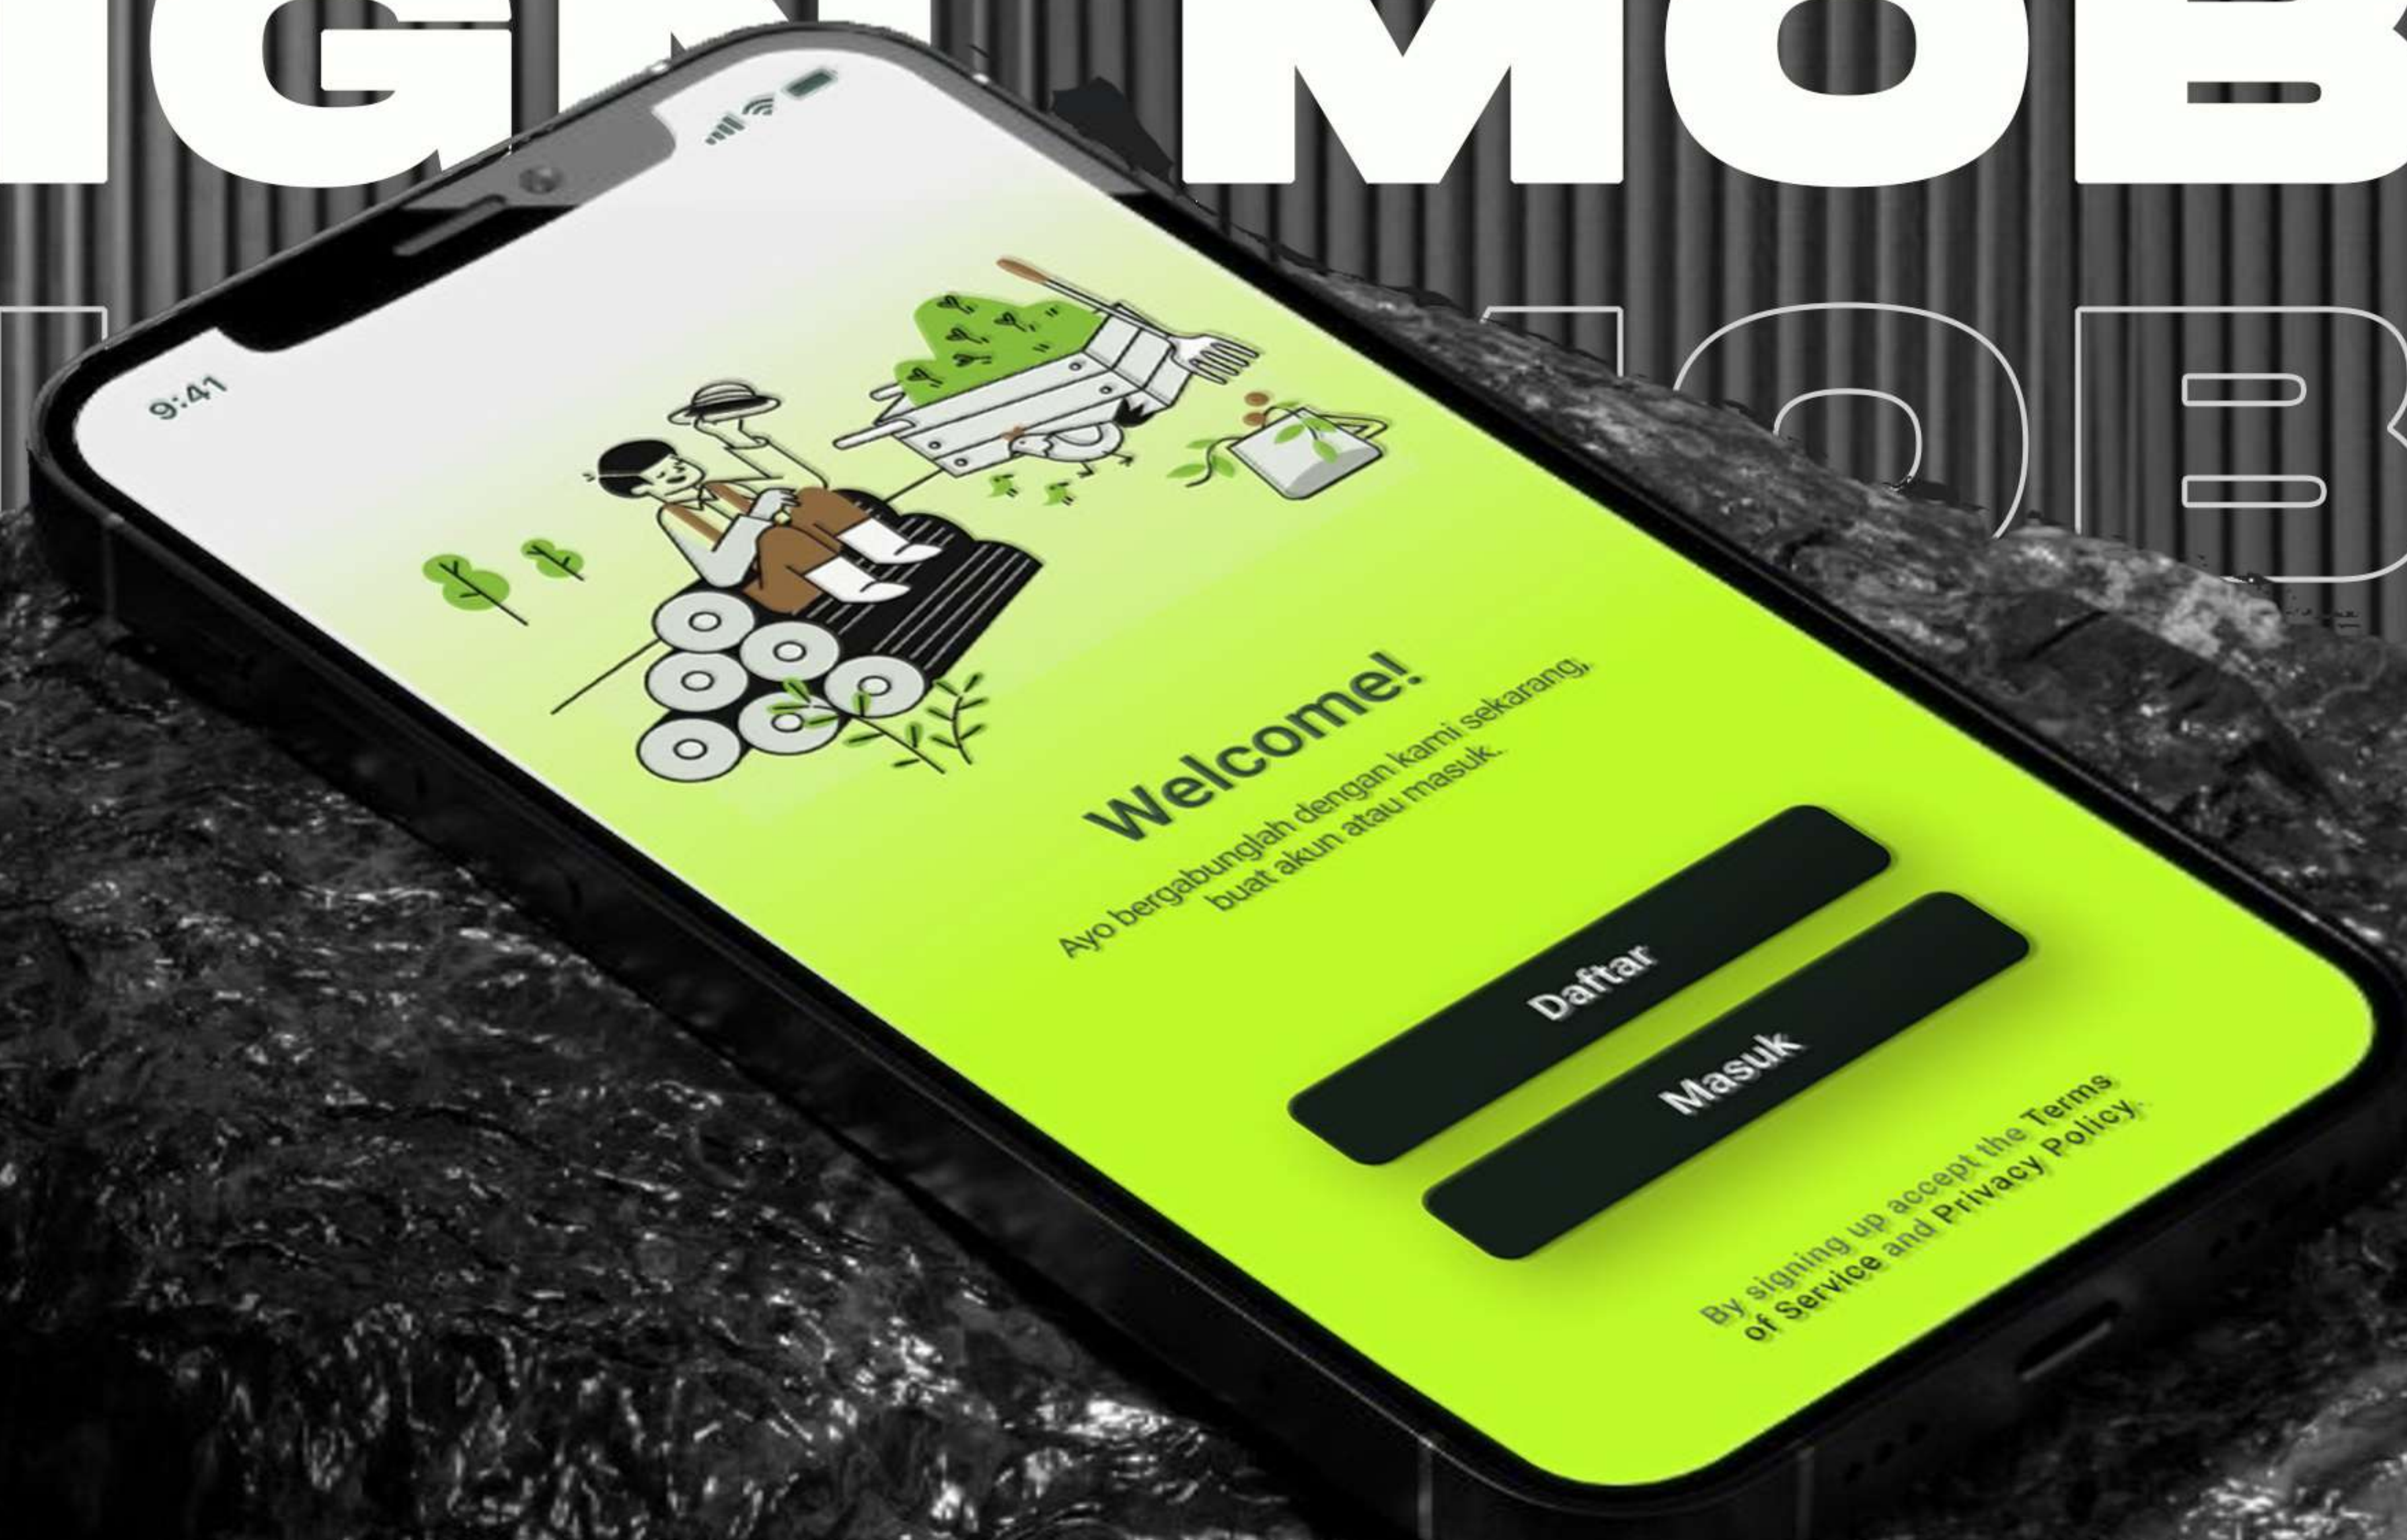

About Pertanian:

Dinas Pertanian merupakan jaringan perangkat daerah dibidang pertanian dan pangan. Kami dan dinas pertanian disini melihat keterbatasan dalam mengatasi perubahan data lahan pangan. Pengembangan aplikasi diterapkan agar data dan informasi lebih akurat dan dapat divisualisasikan lahan.

DESIGN MOBILE

DESIGN MOBILE

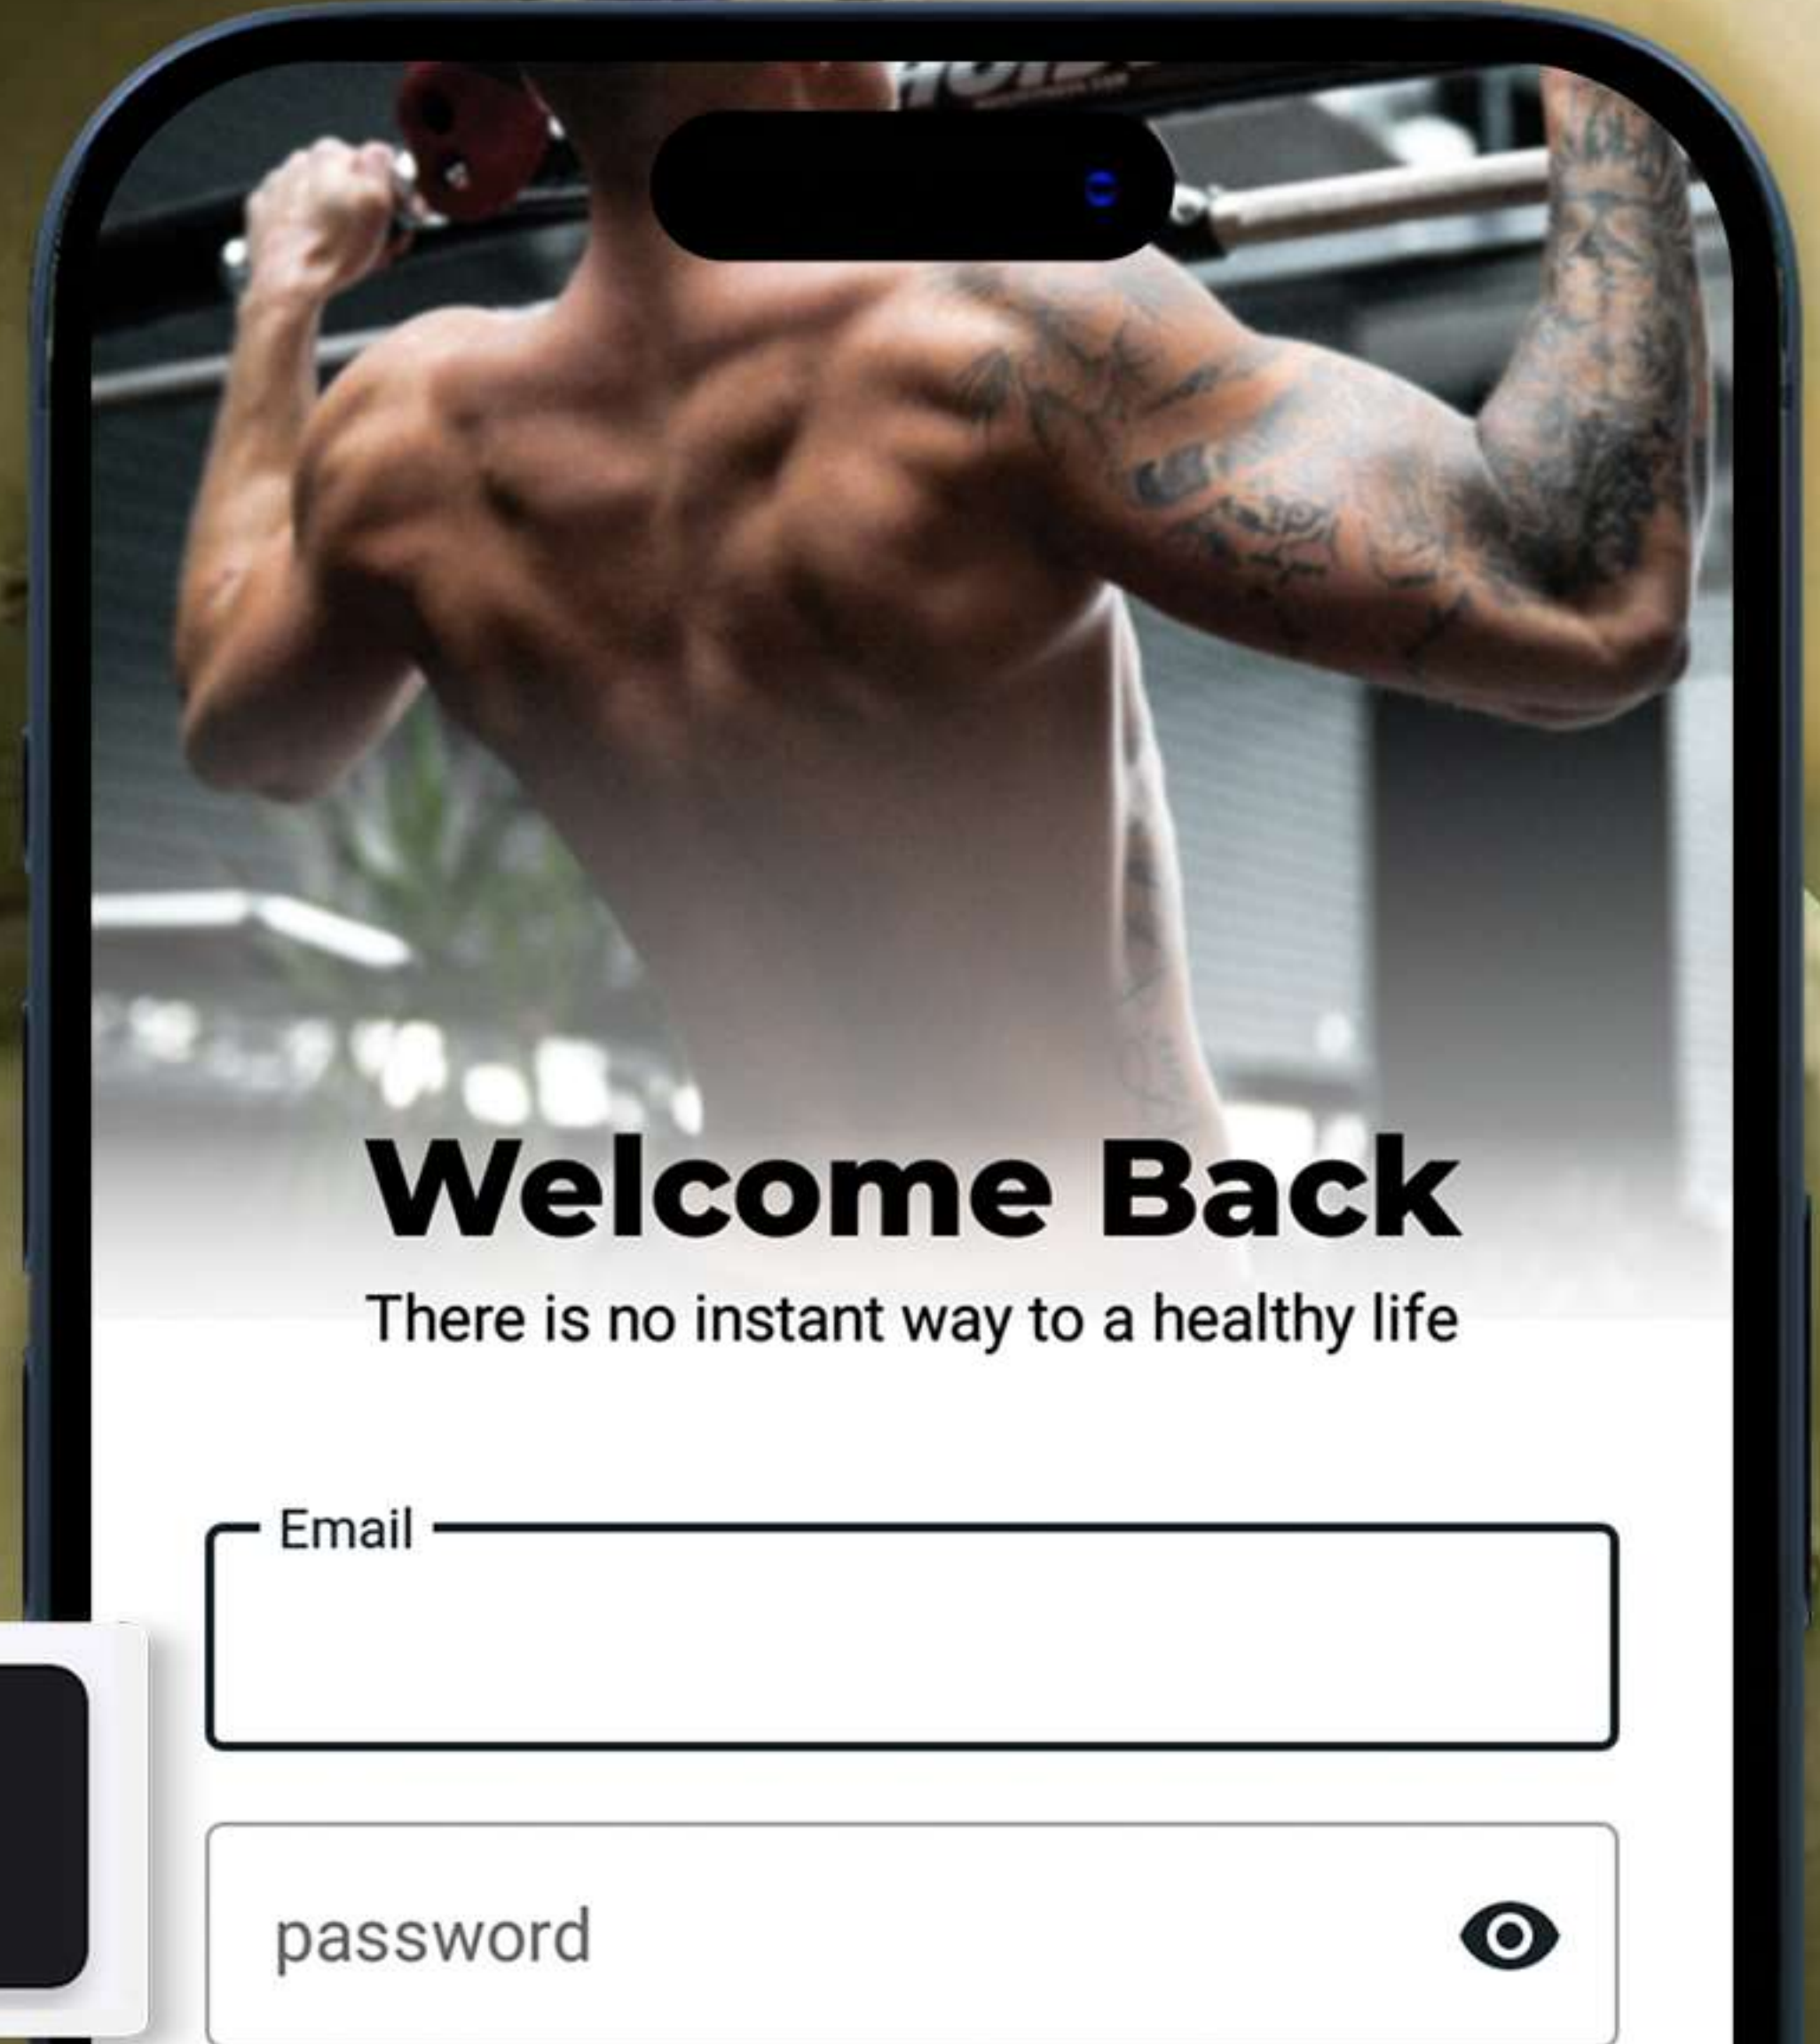

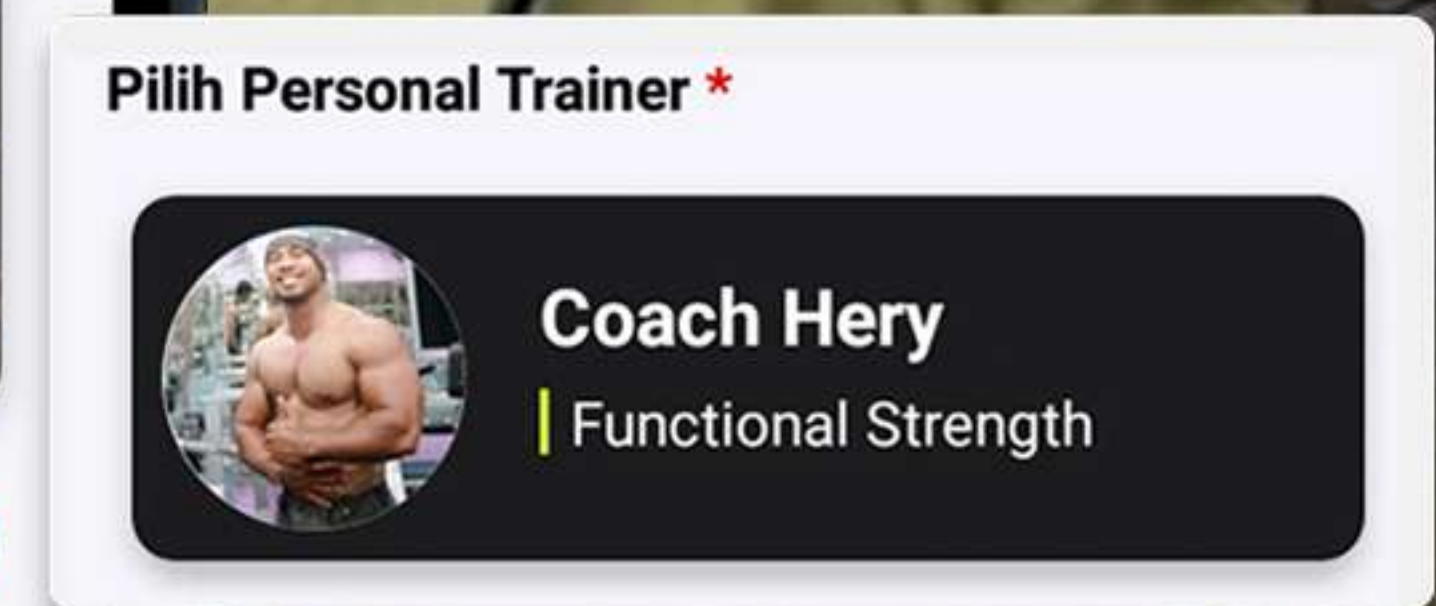

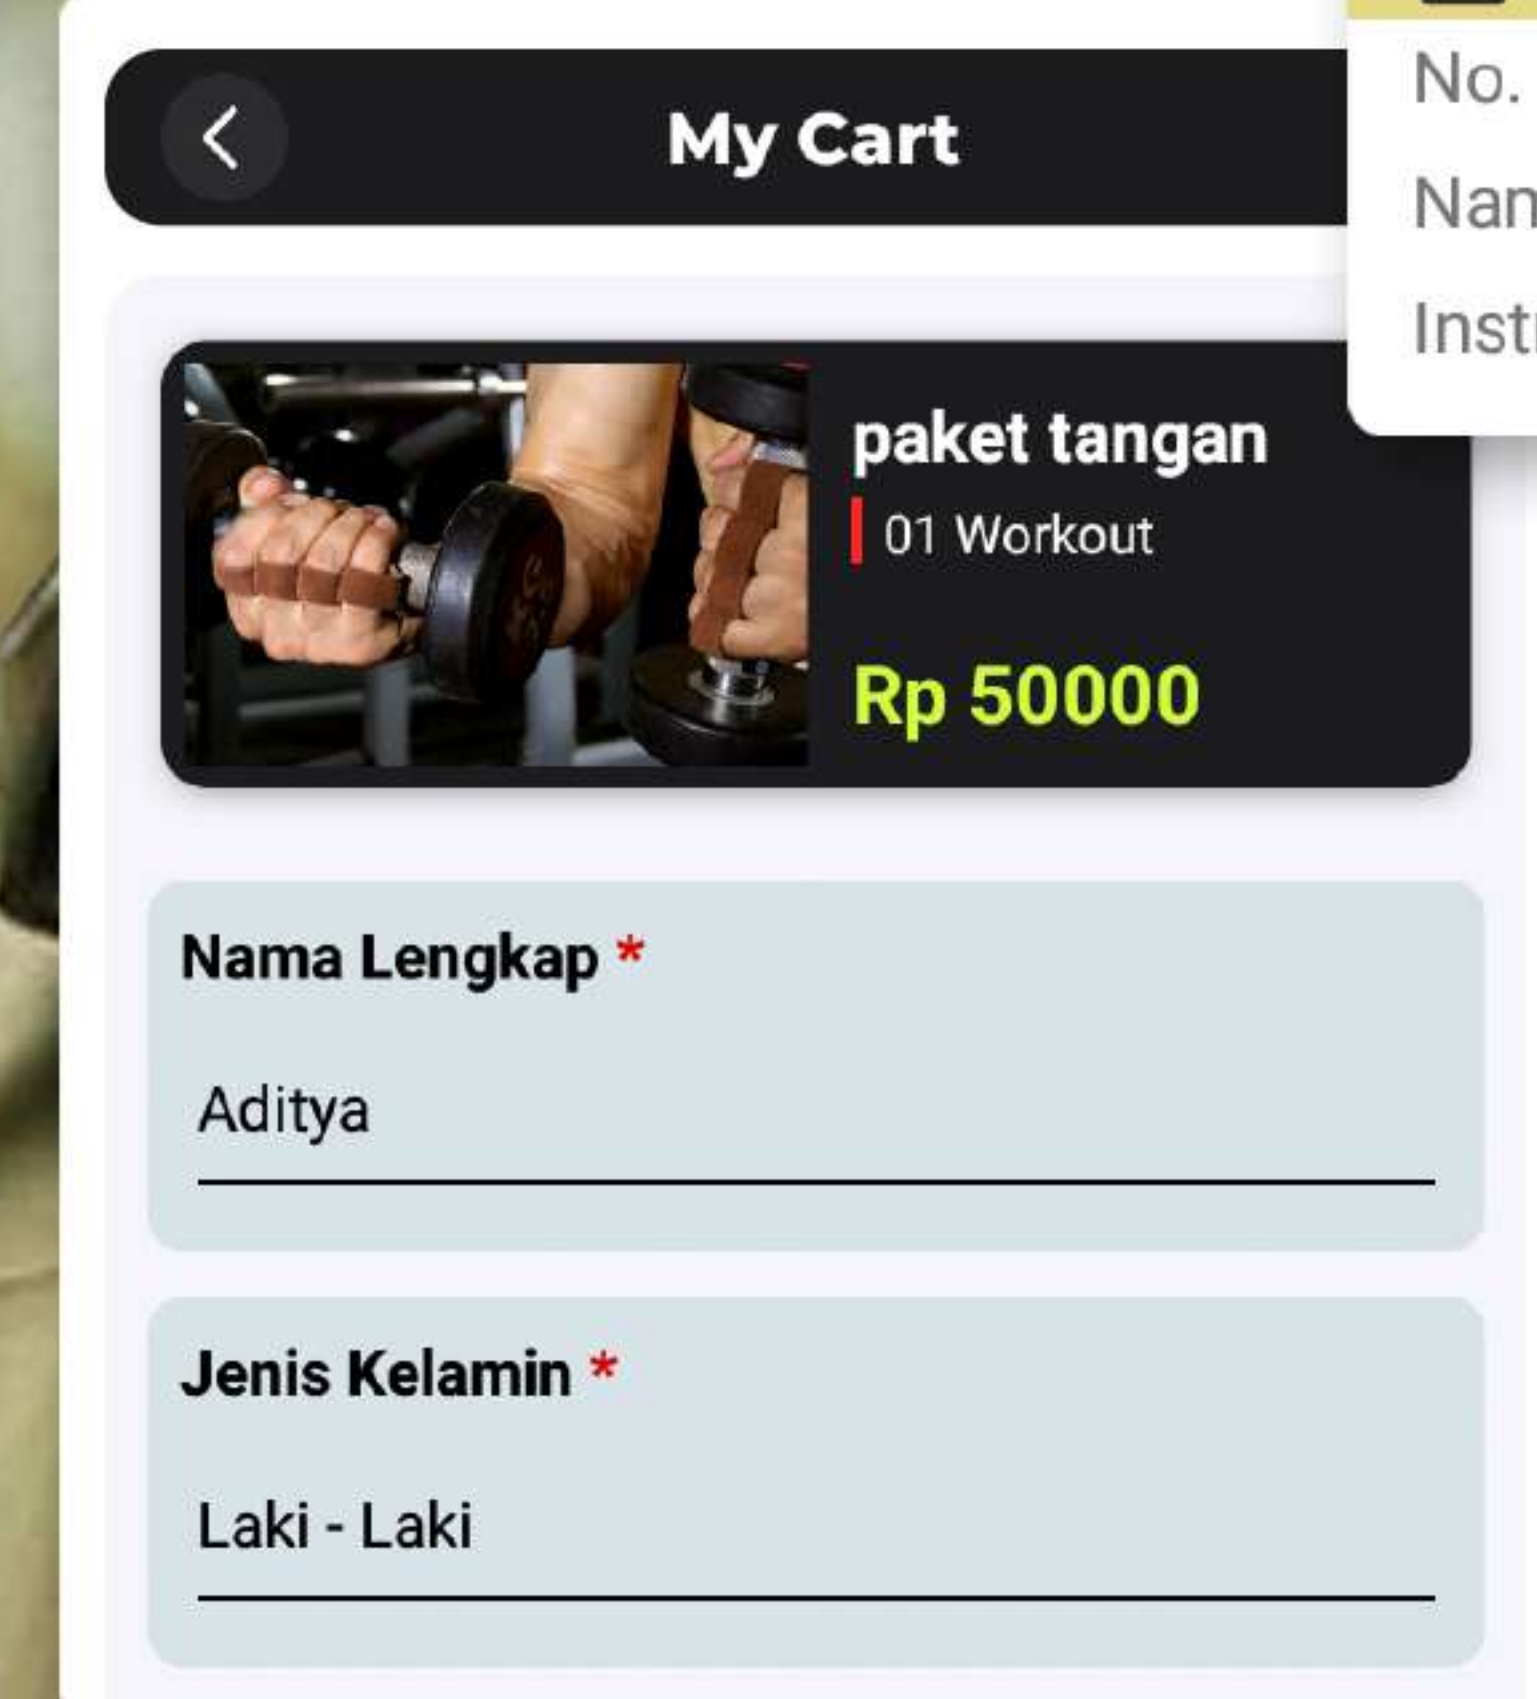

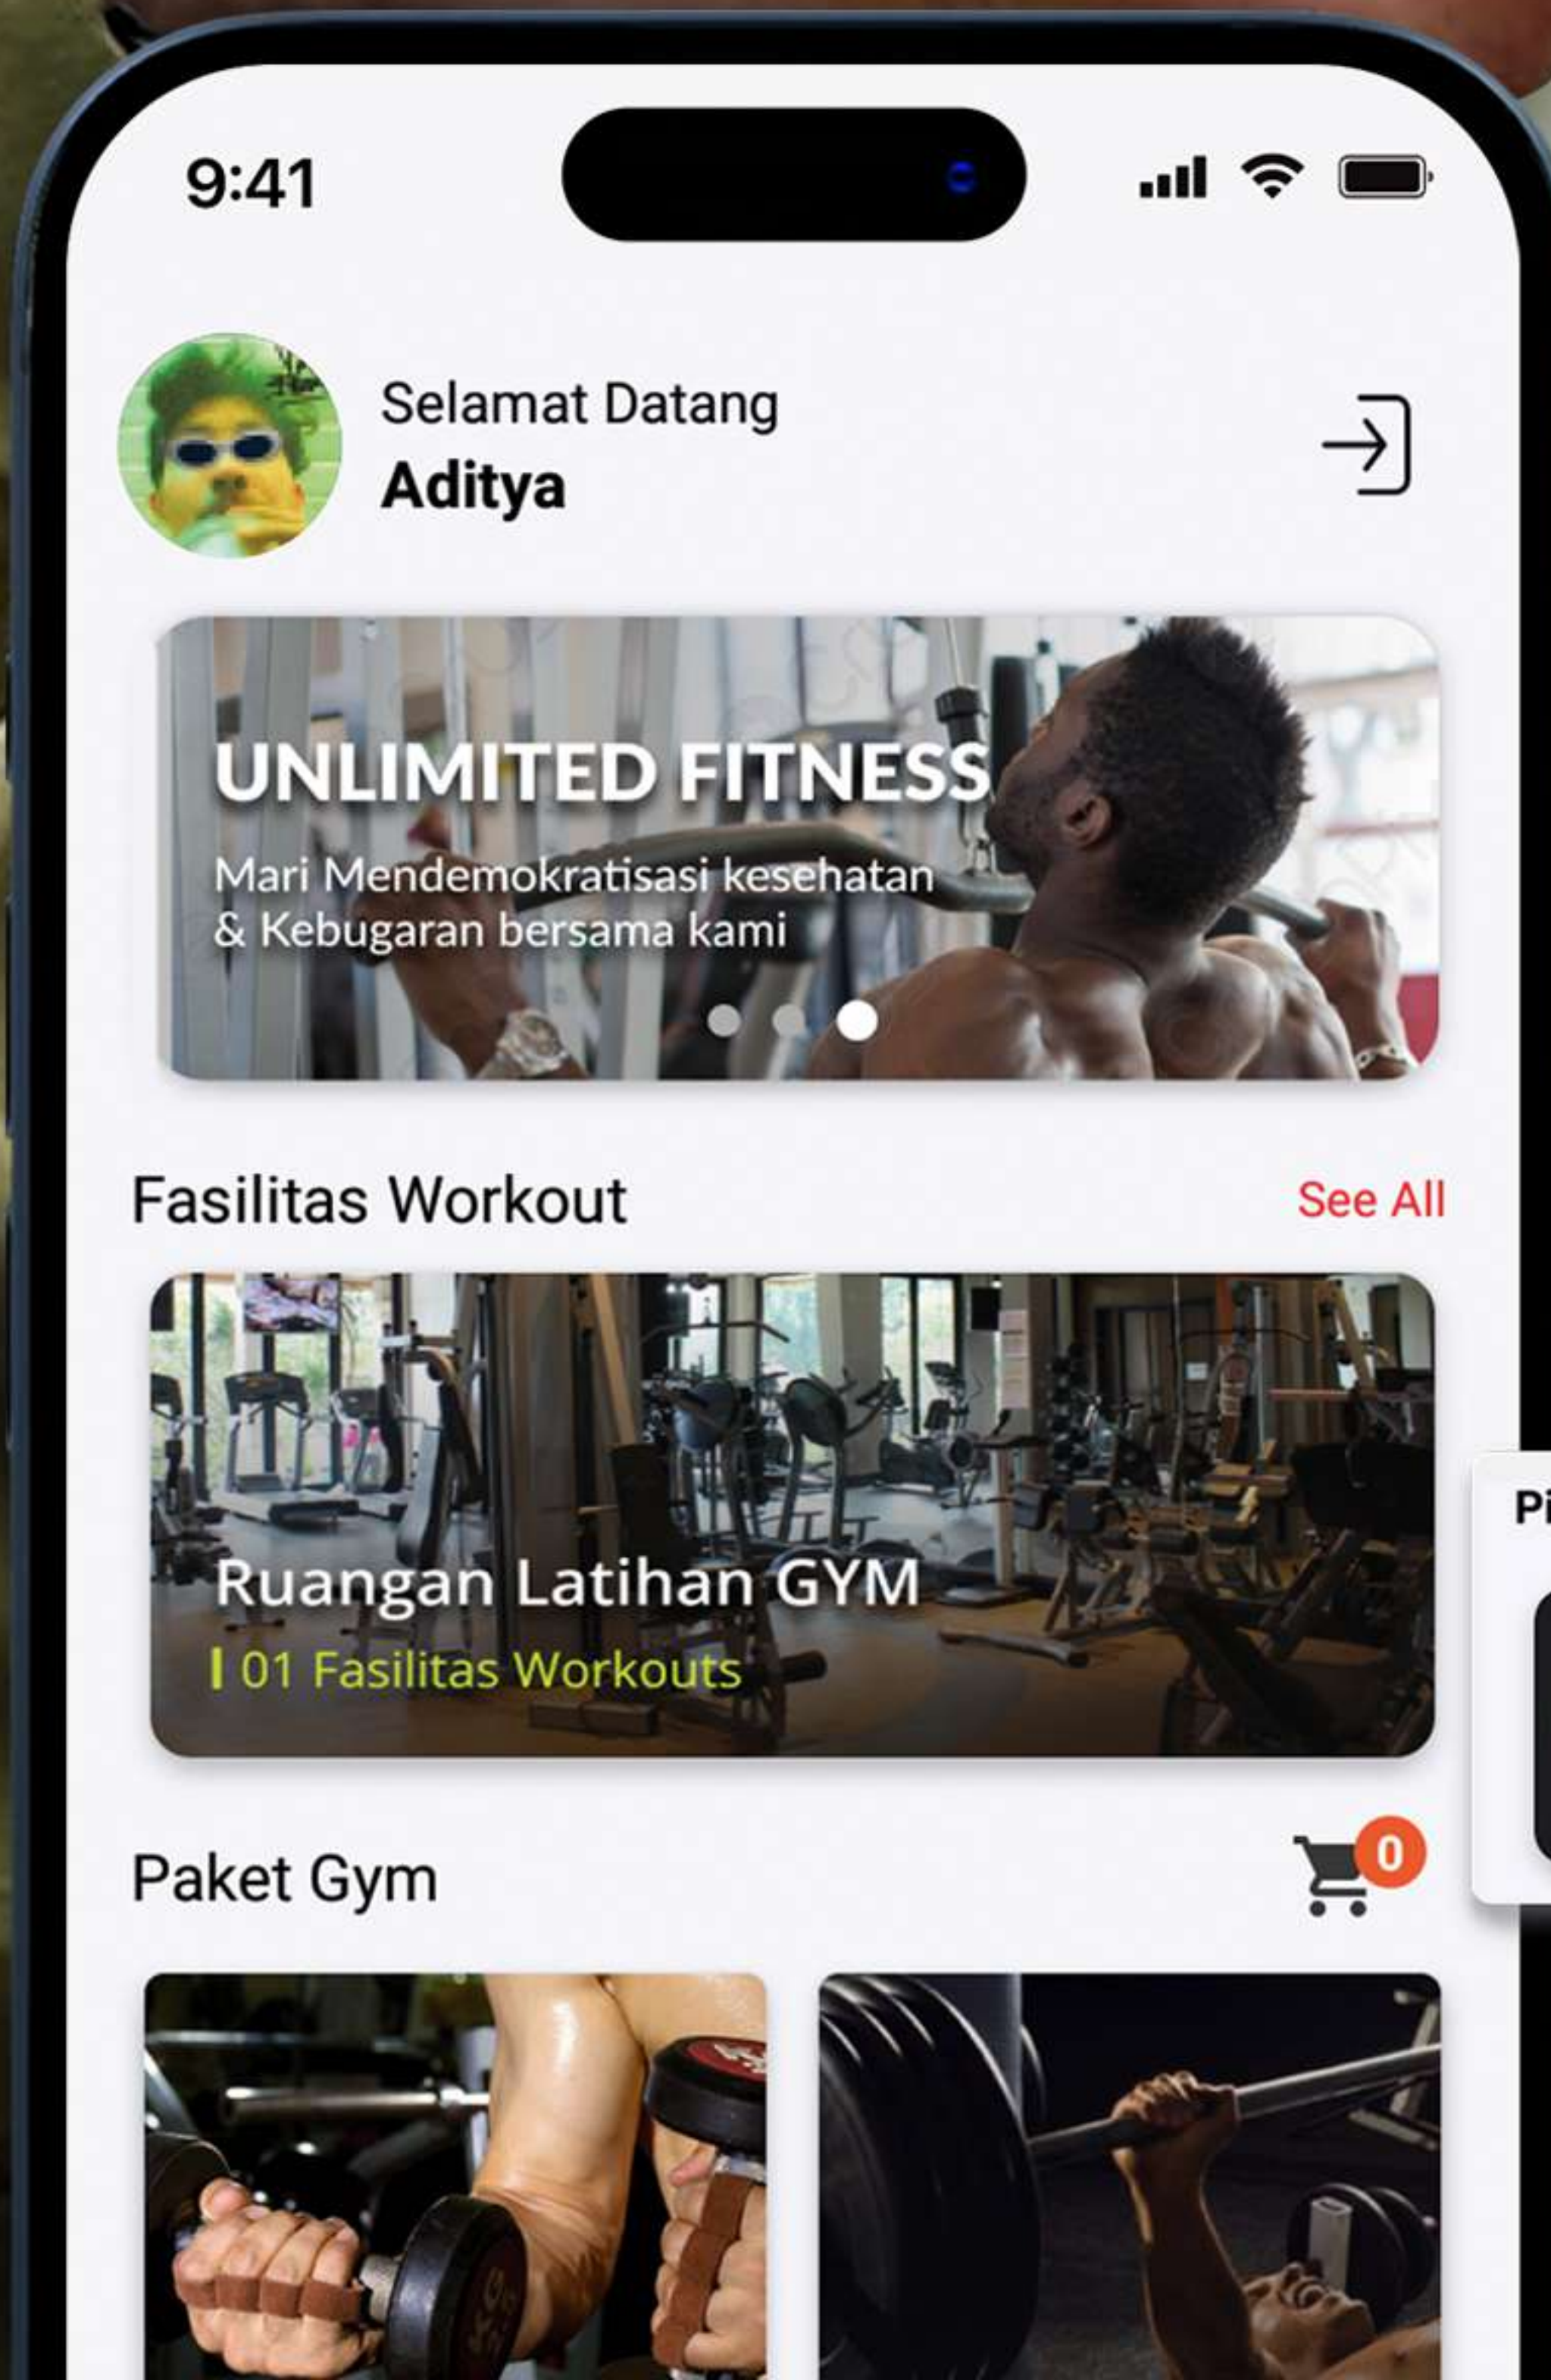

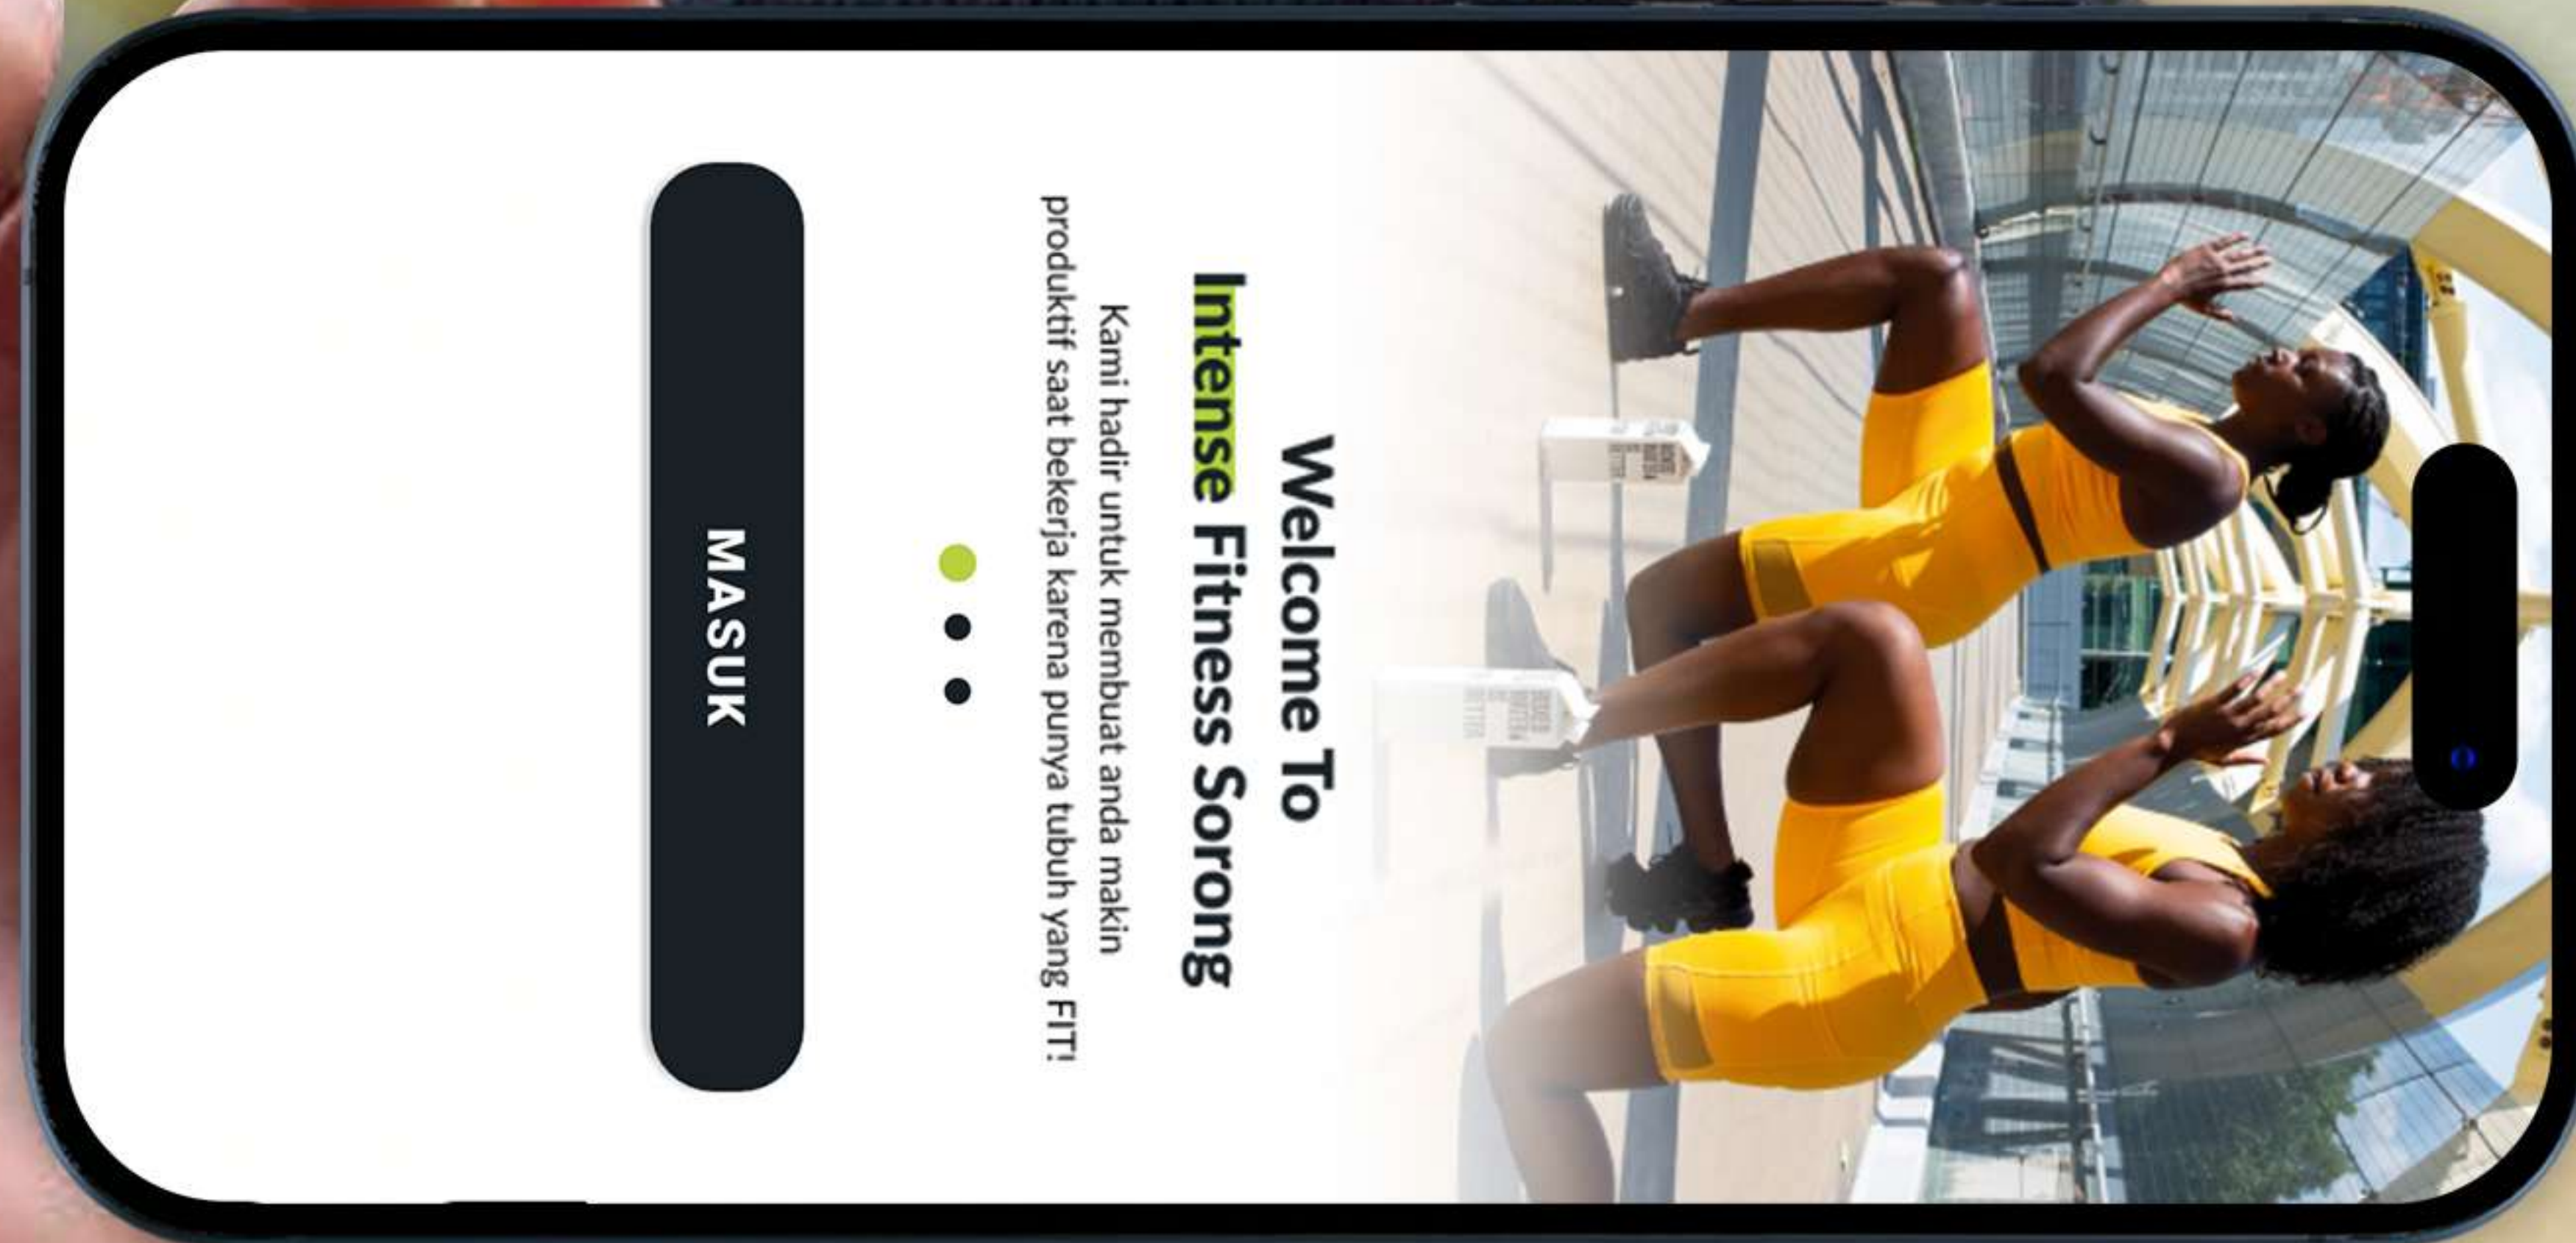

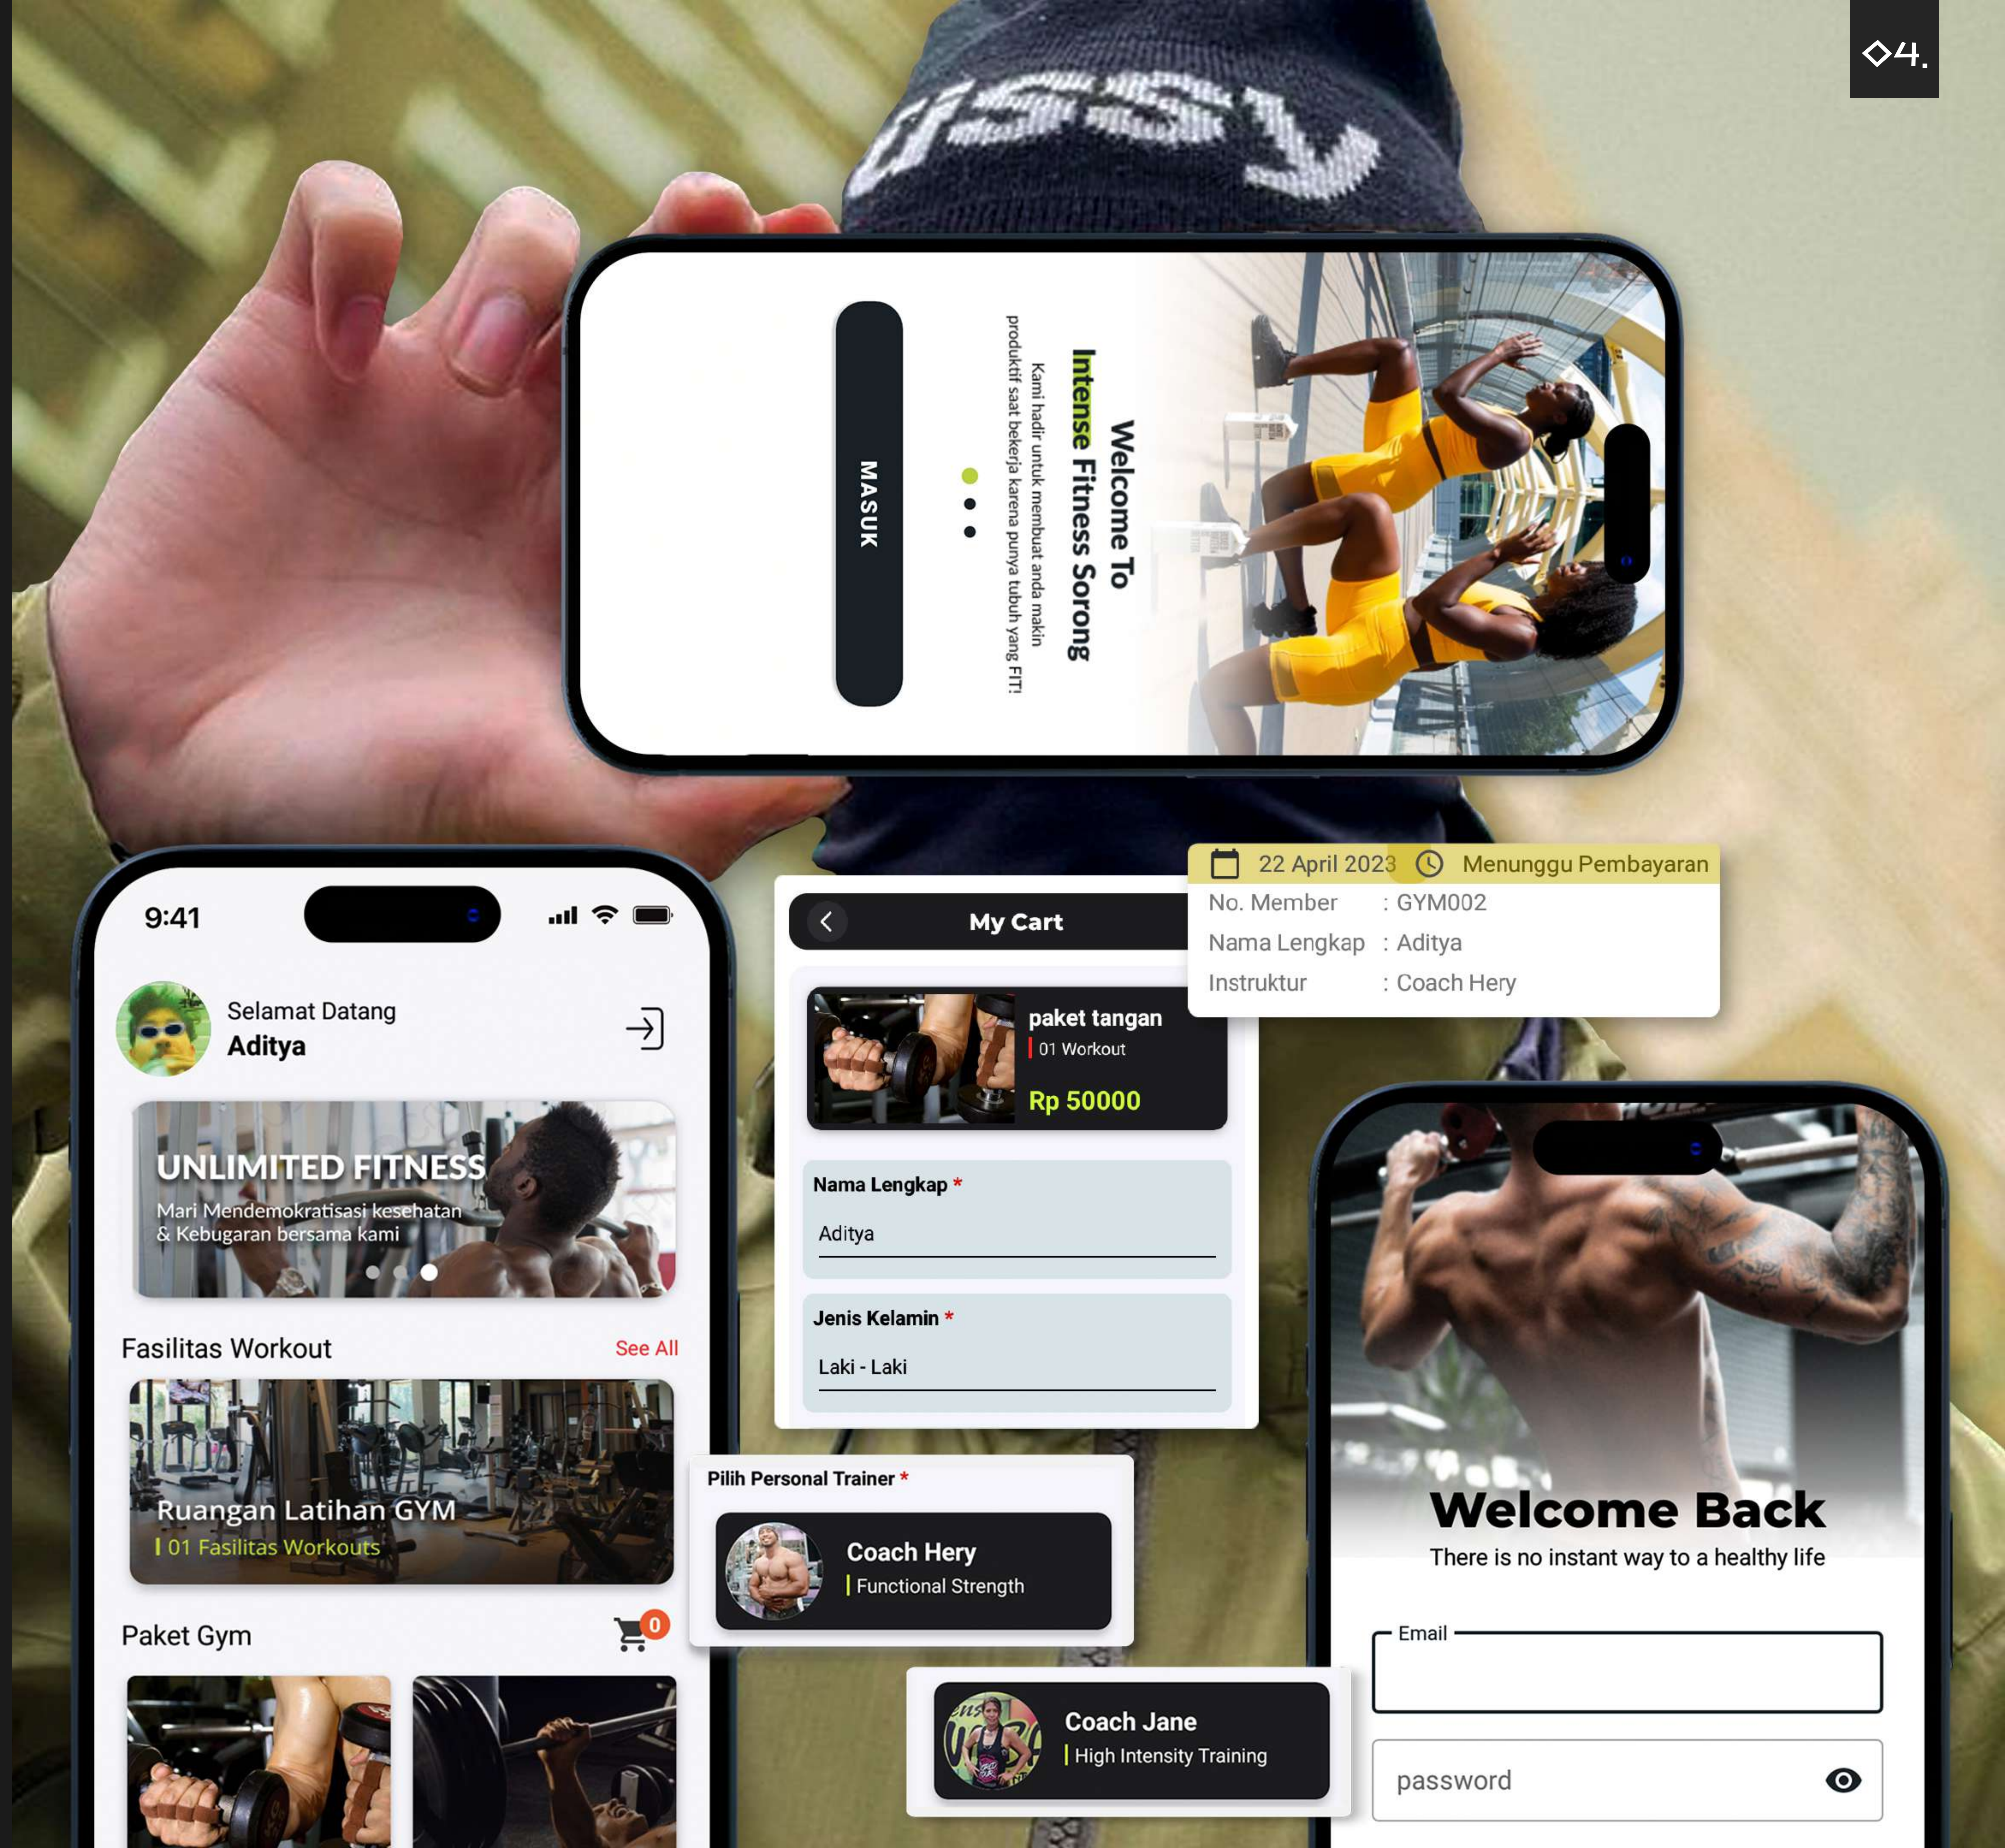

Intens Fitness, App Fitness & Workout

Year: March 2023 - July 2023

About Intens Fitness:

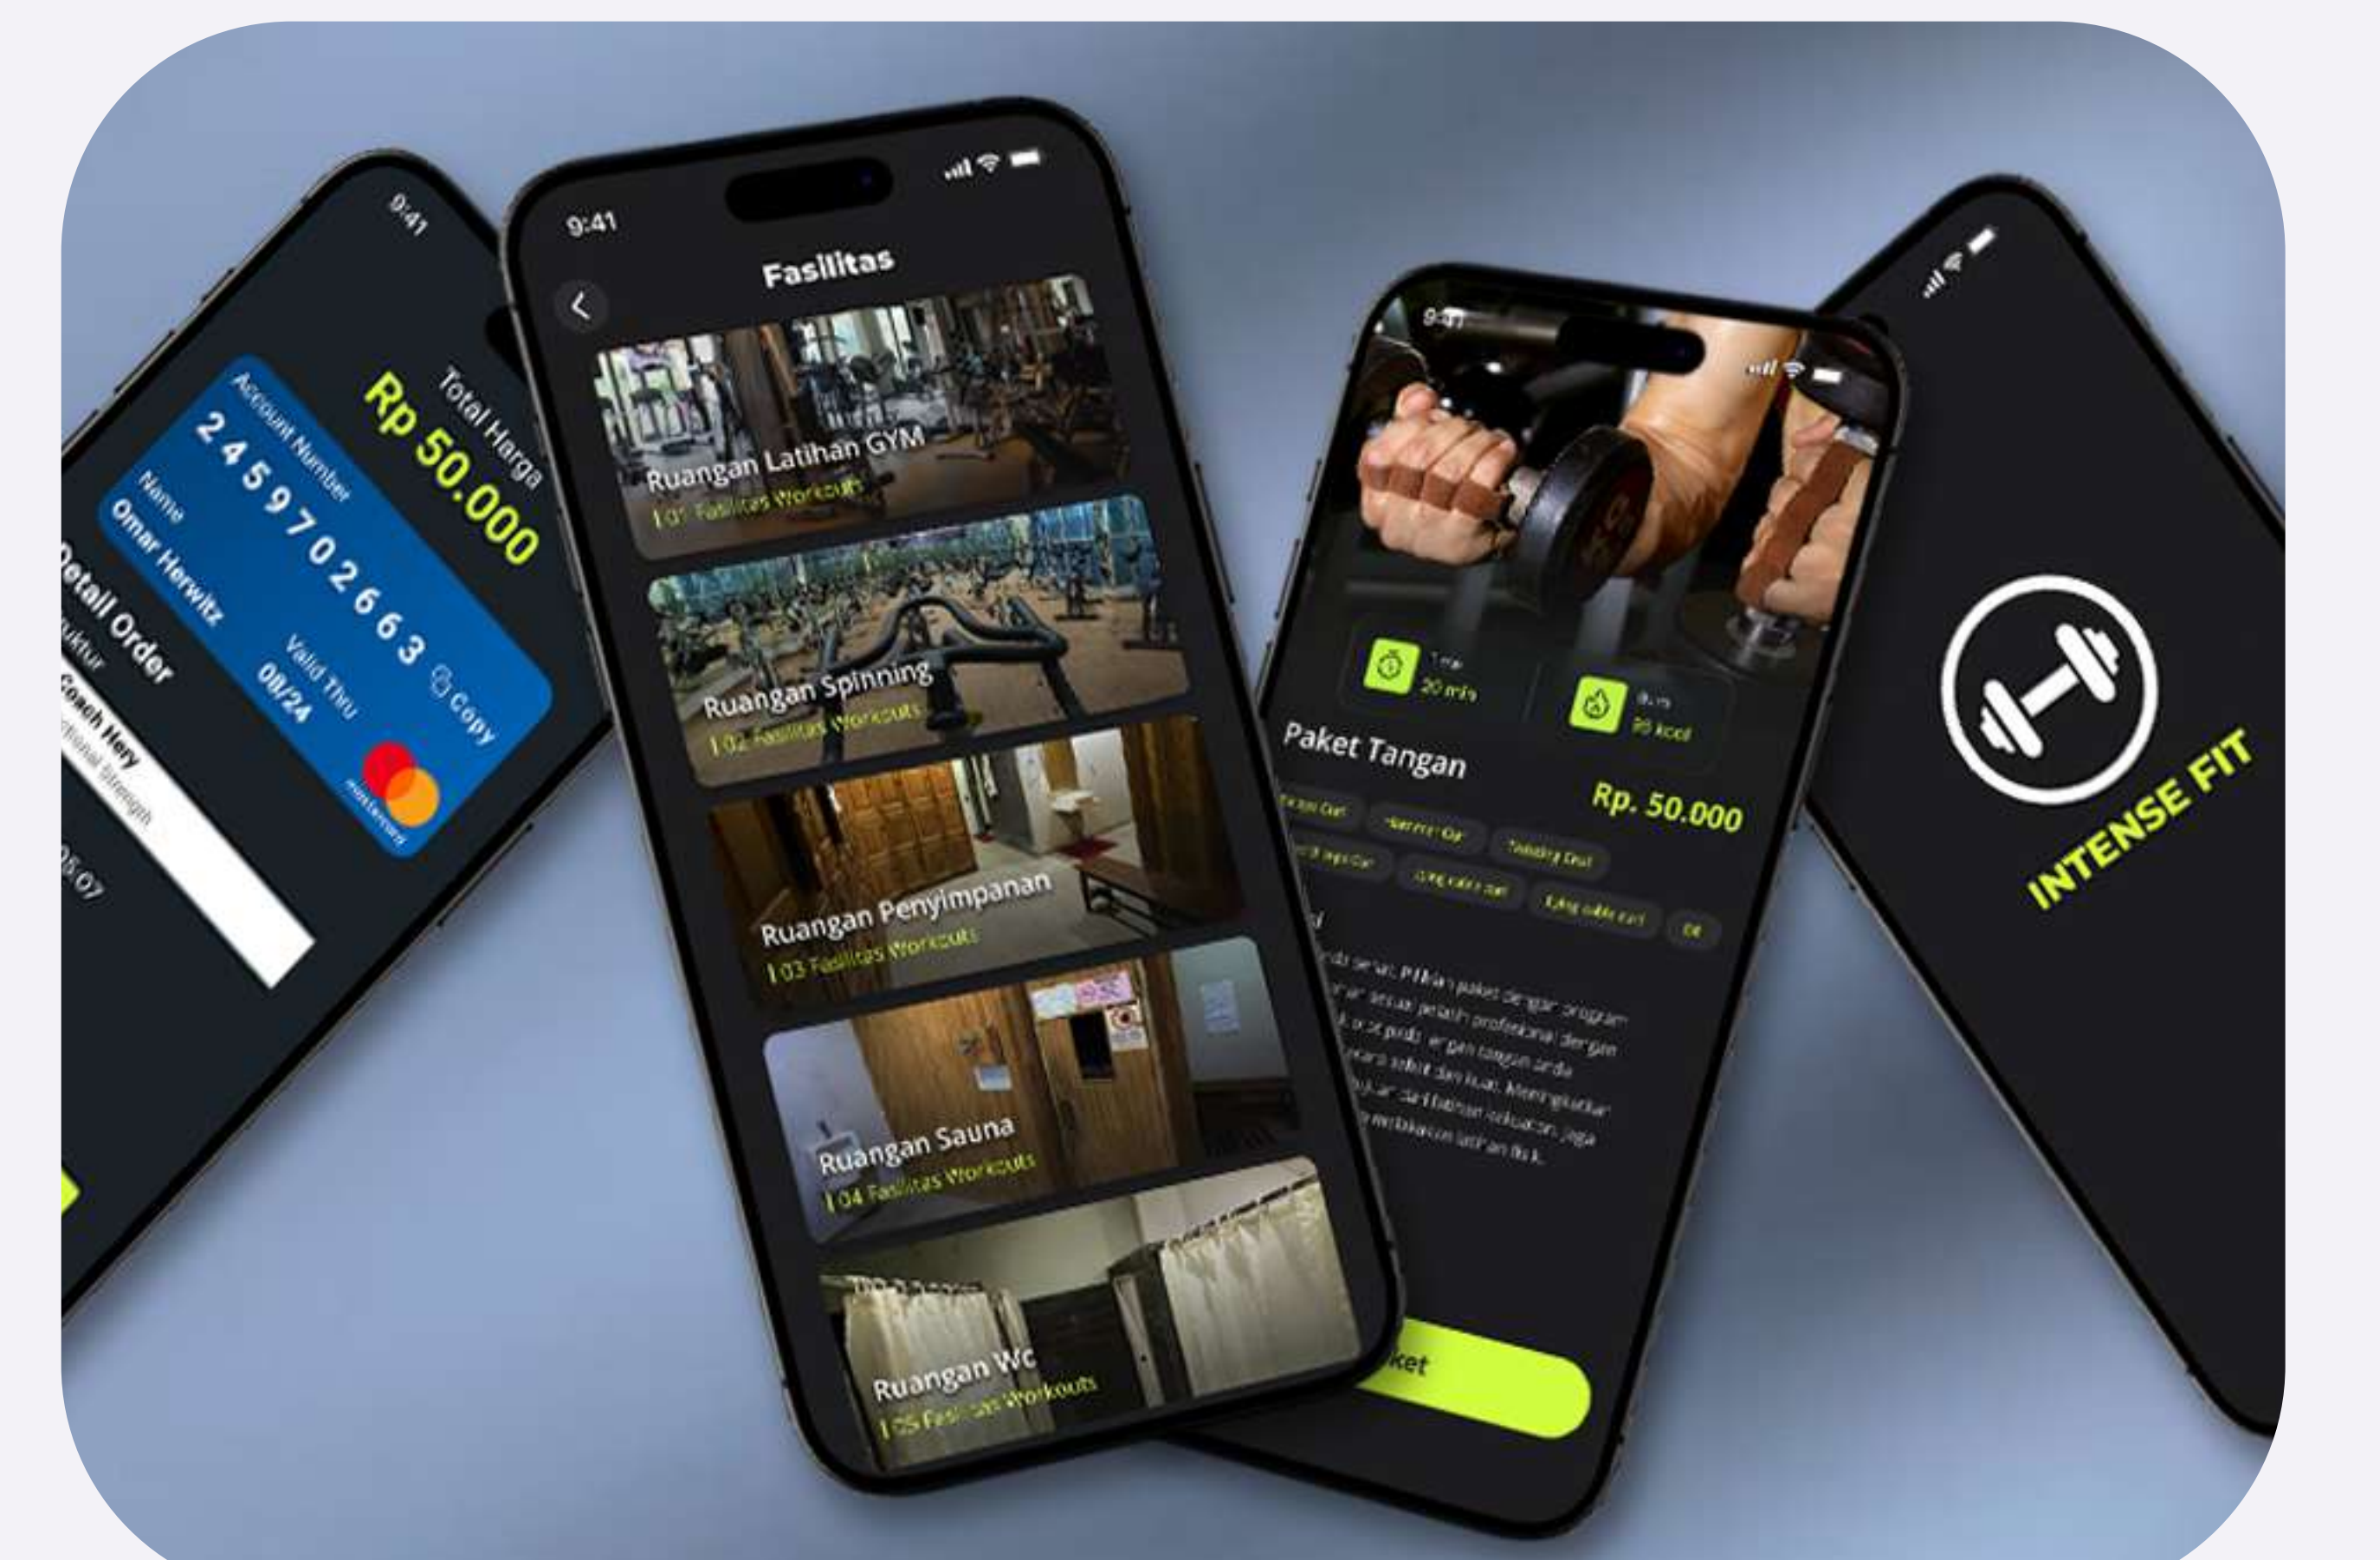

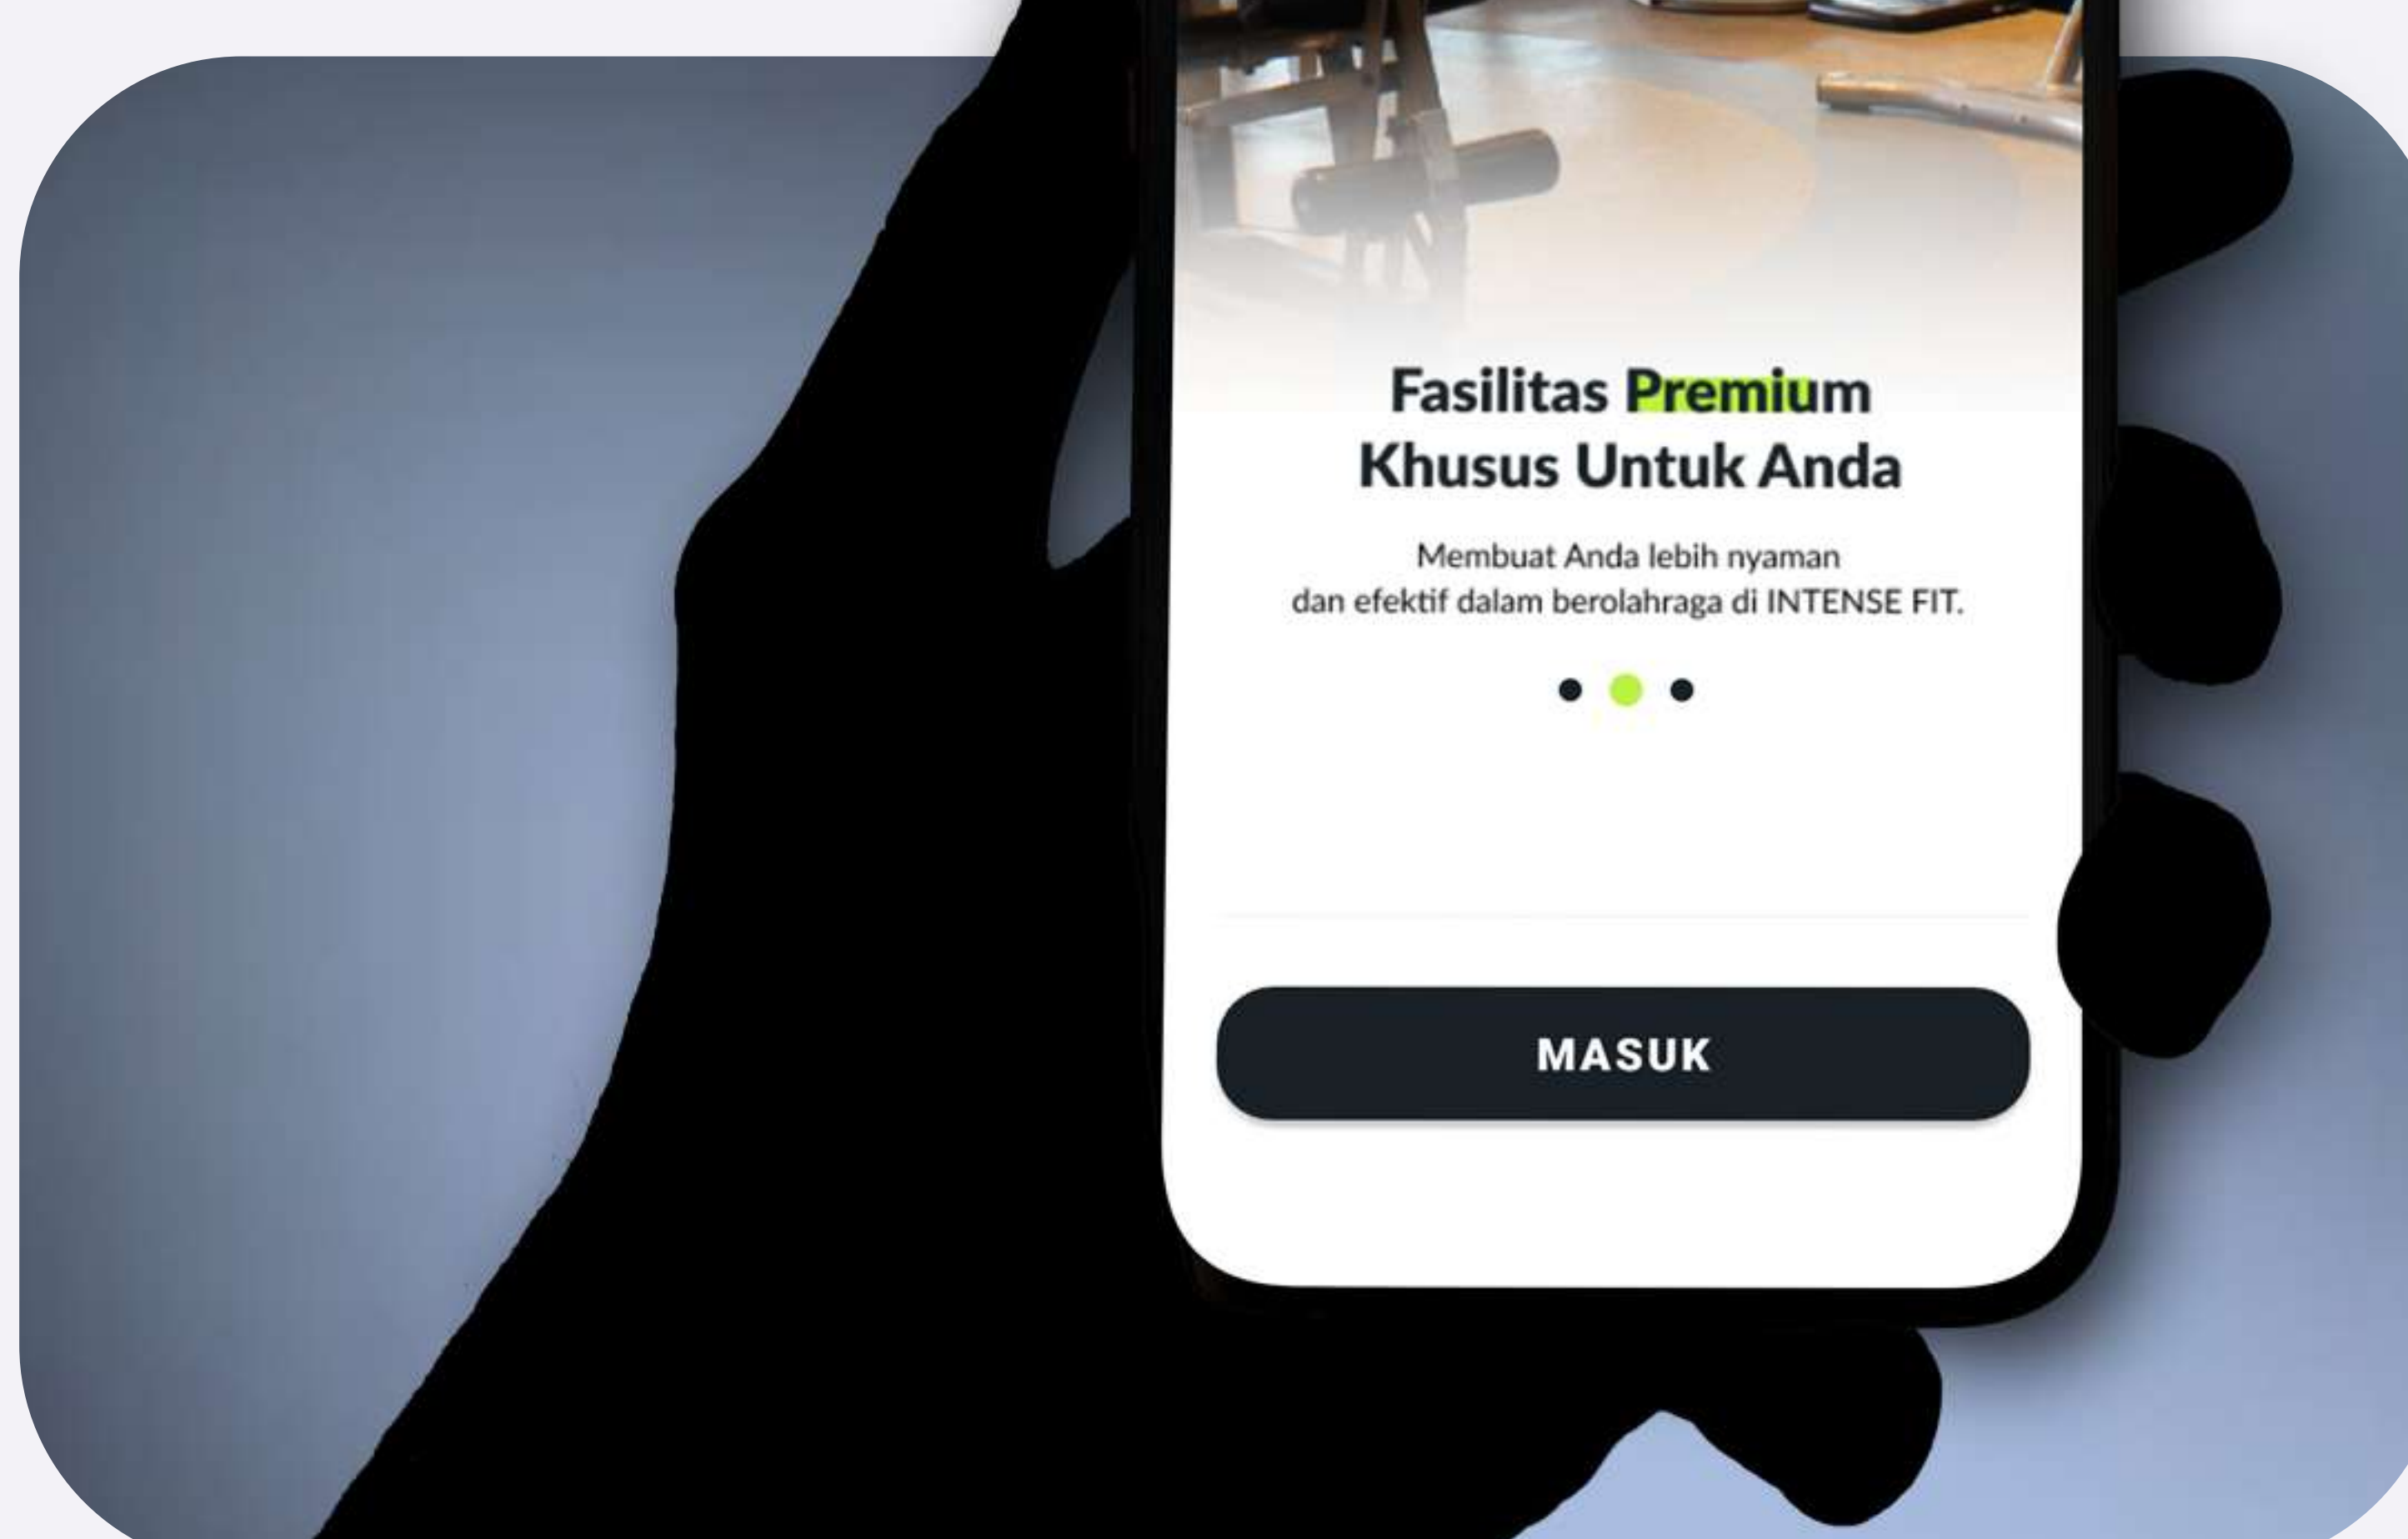

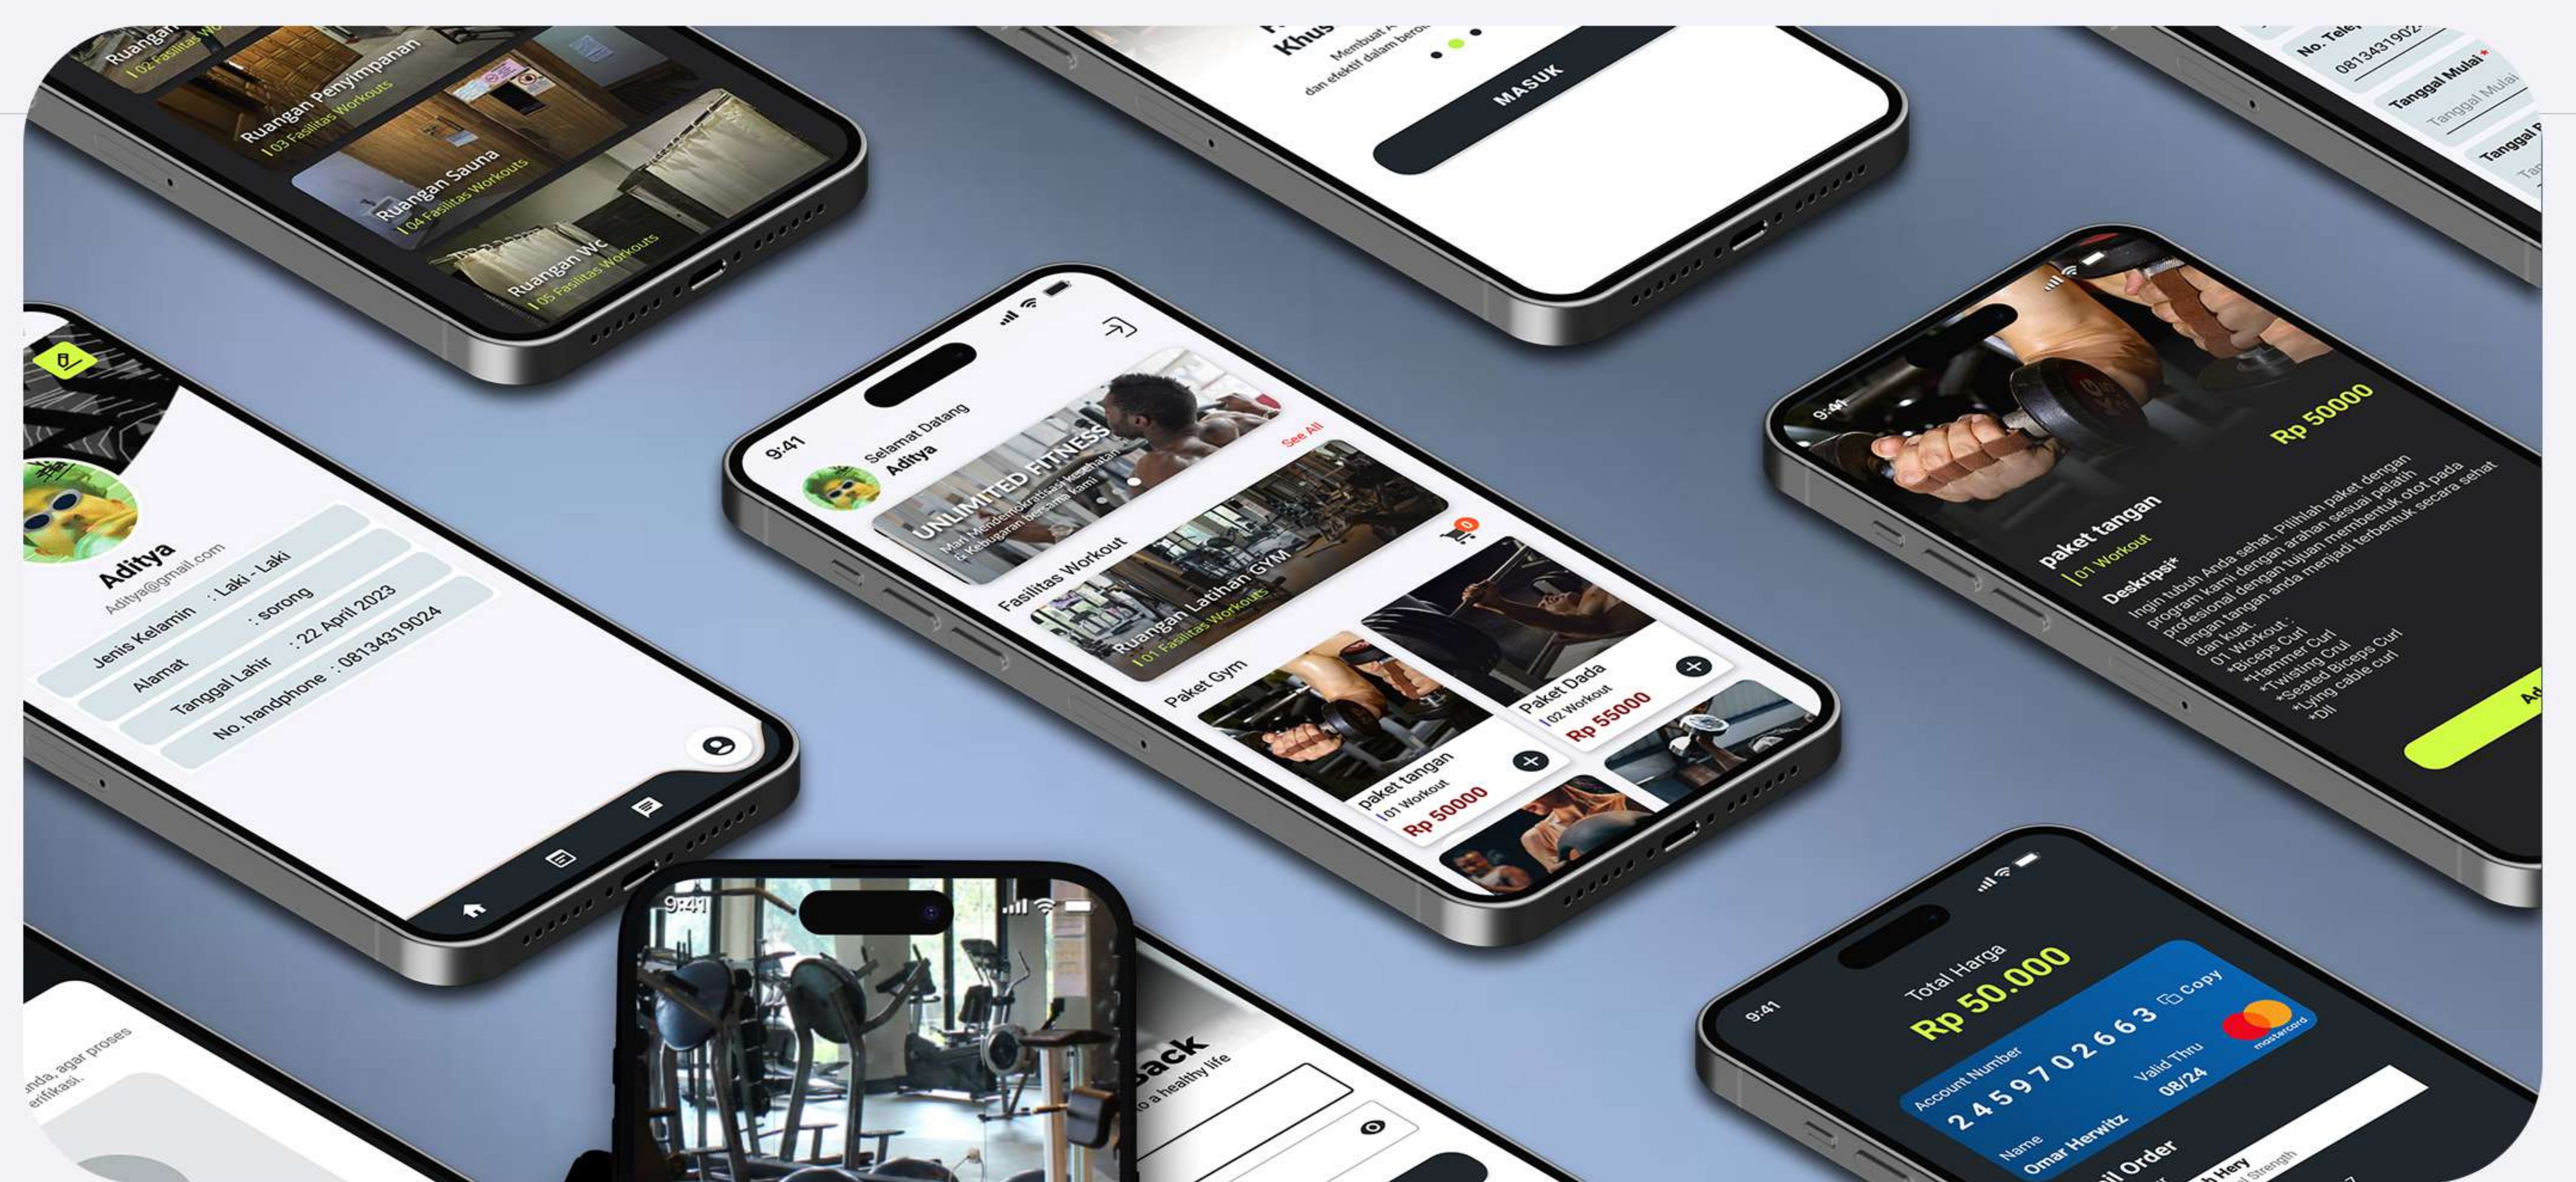

Intens Fitness Sorong merupakan jaringan platform badan usaha di bidang kebugaran, personal training, gym dan coaching. Kami dan intens fitness disini melihat keterbatasan pendataan member lama/baru saat pemilihan paket kebugaran yang menyebabkan permasalahan. Pengembangan aplikasi diterapkan agar pengelolaan data, transaksi member dan mencipatkan sarana kesehatan bagi semua orang.

Manimeri, Website Public Health Center

Year: June 2023 - July 2023

About Manimeri:

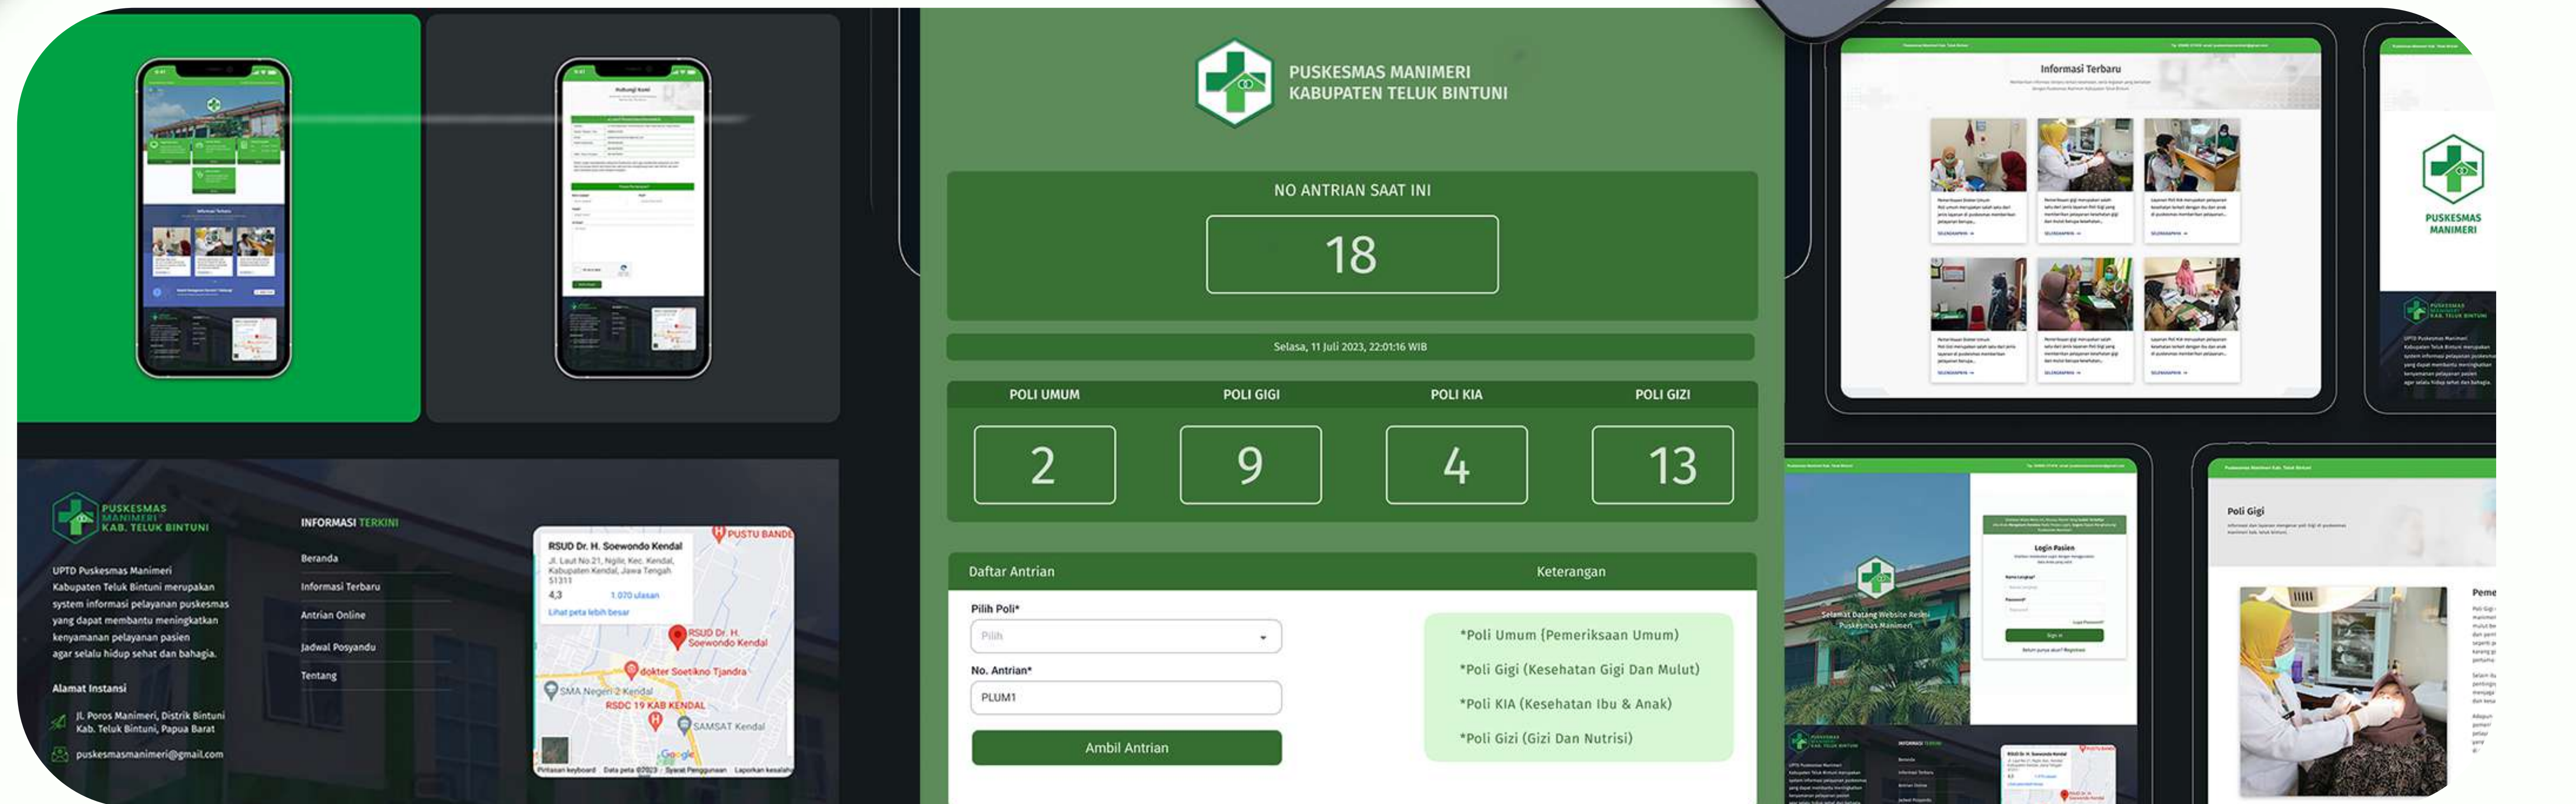

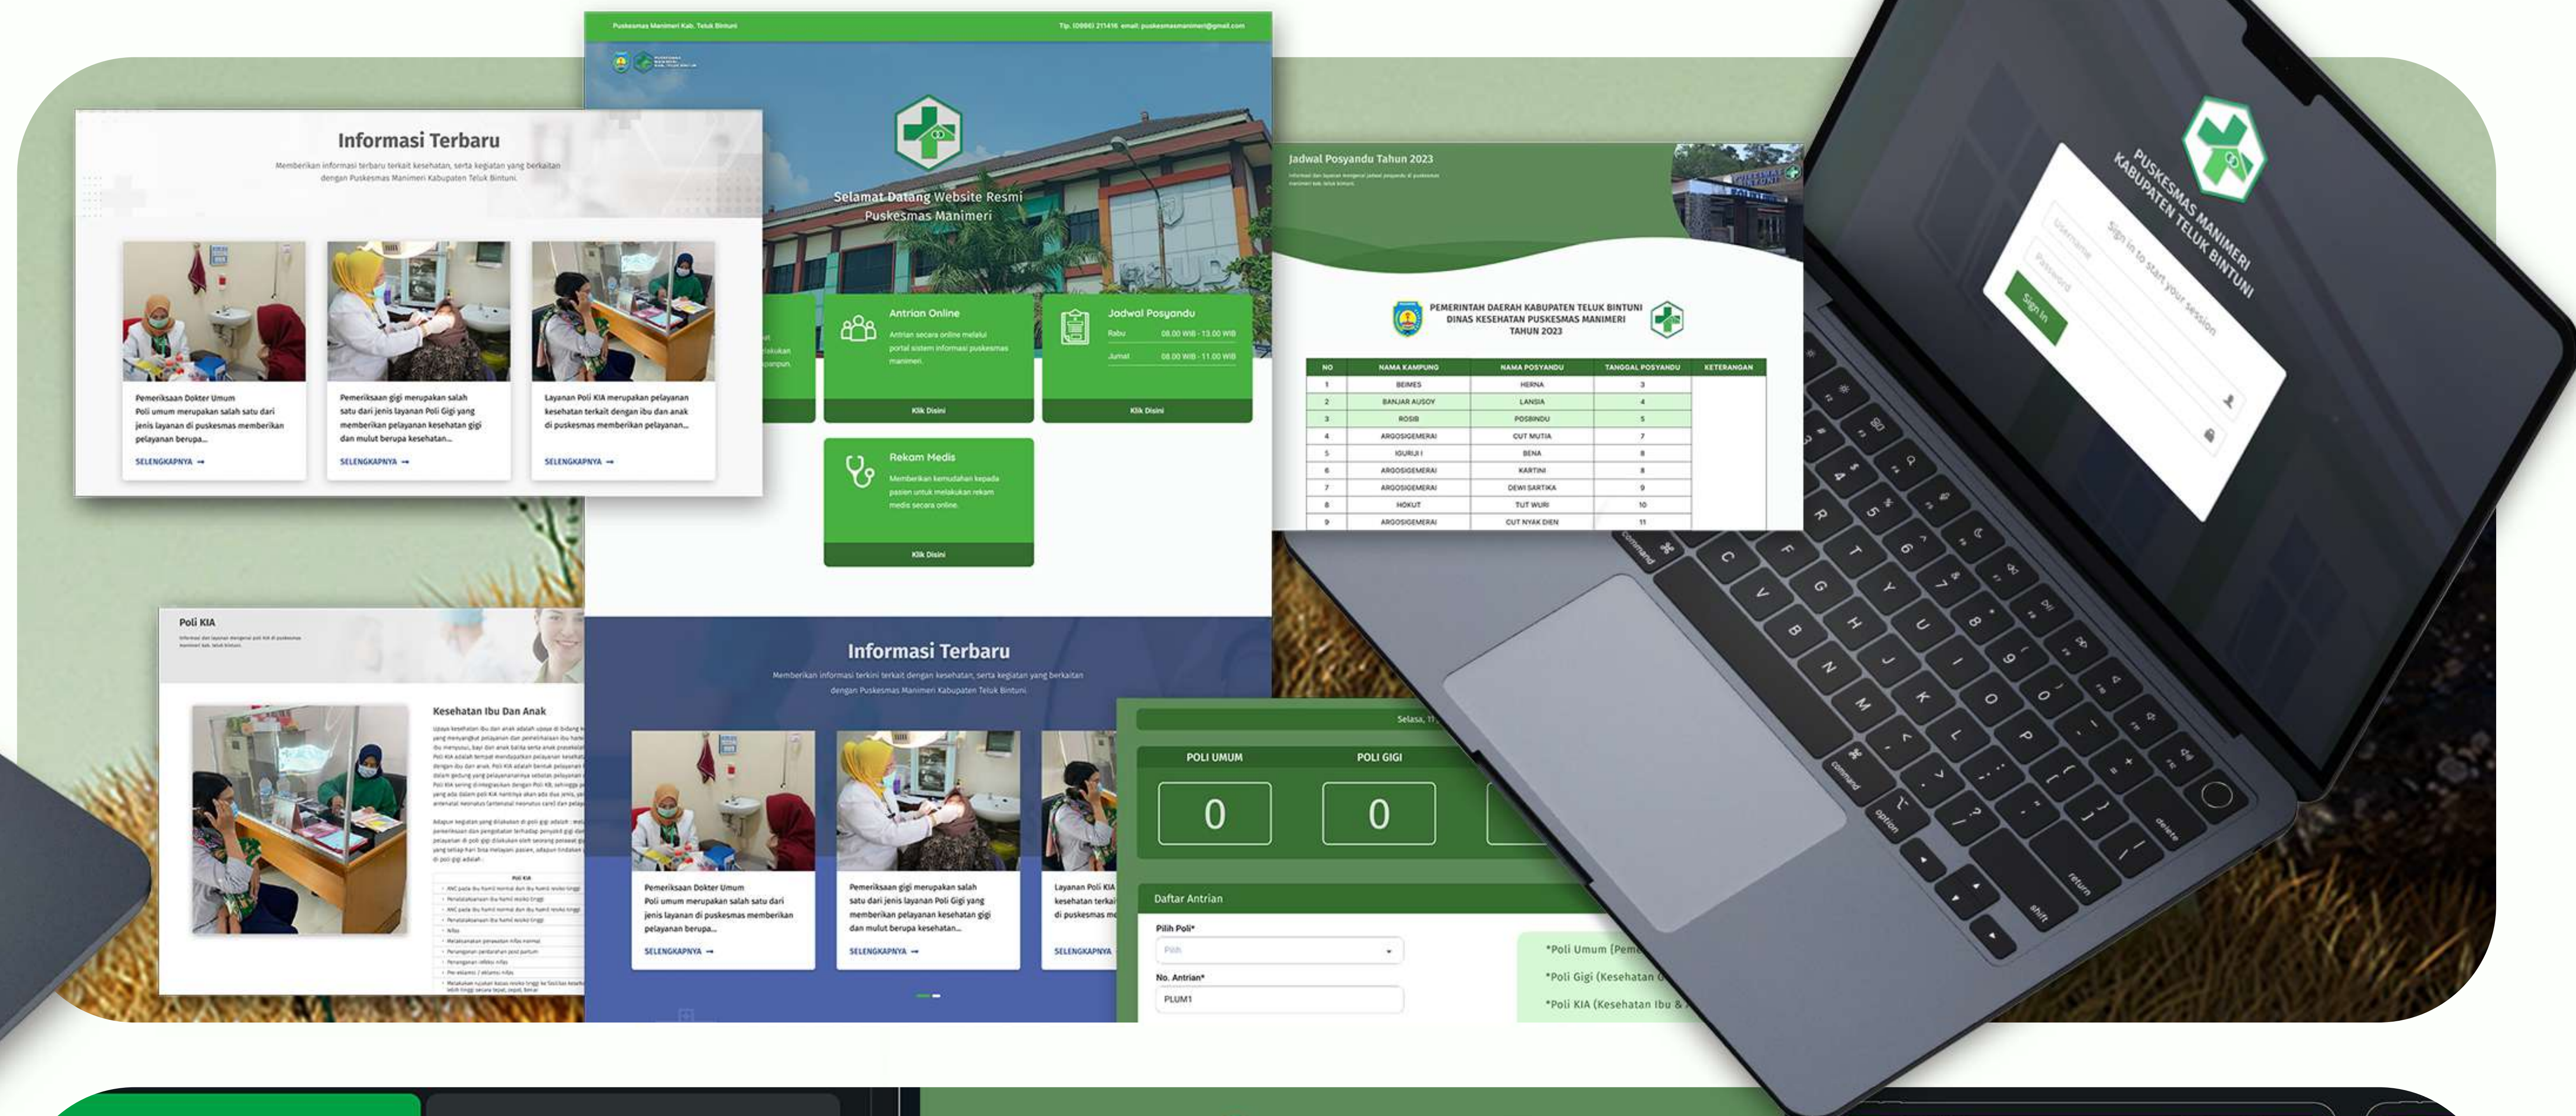

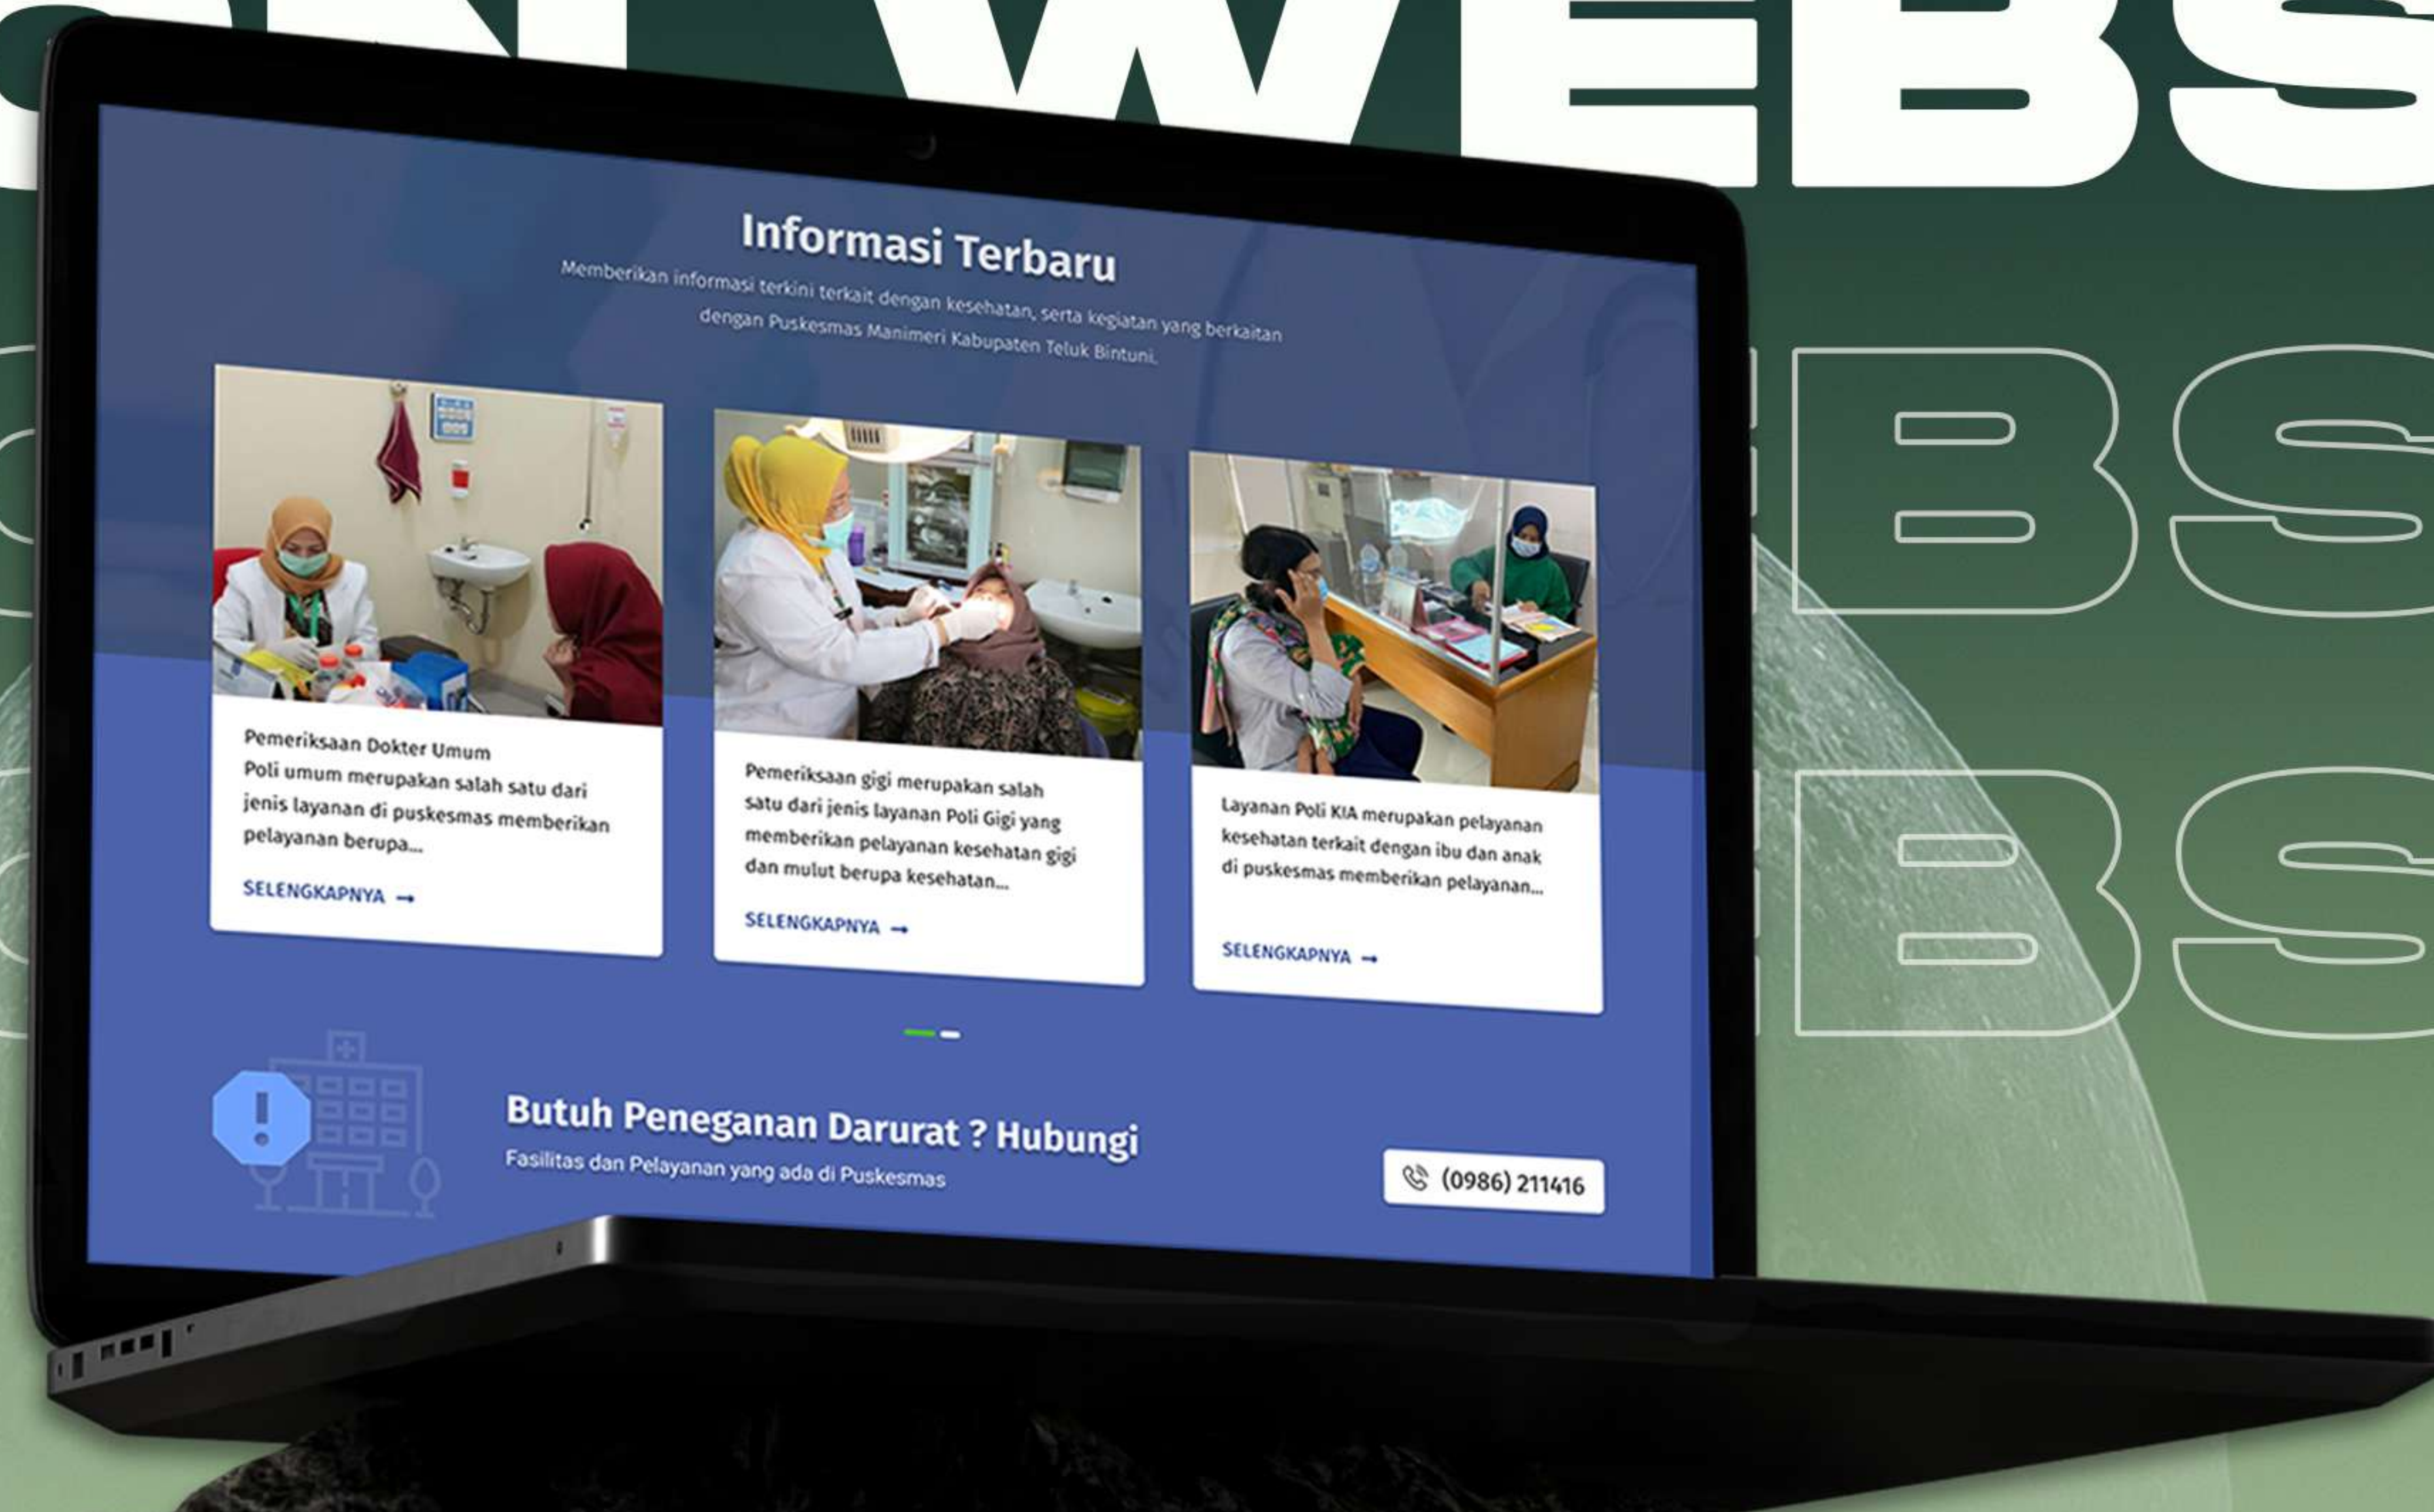

Manimeri merupakan jaringan pusat kesehatan masyarakat terdiri dari pelayanan kesehatan, rekam medis dan administrasi. Kami dan puskesmas manimeri disini melihat keterbatasan seperti pengambilan nomor antrian, pendaftaran pasien dan penjadwalan posyandu yang memakan waktu lama. Pengembangan aplikasi diterapkan agar mengurangi angka pehitungan harian pasien rawat jalan kunjungan pasien dalam layanan kesehatan.
